Del Negro, Melanie A. Kimball, 2017-06-28 Based on proven theory and real life experience this guidebook provides a one stop resource for educators librarians and storytellers looking to introduce storytelling programs for young adults Storytelling is often associated with storytime and library

services to young children but effective storytelling speaks to all ages including teens *Engaging Teens with Story* How to Inspire and Educate Youth with Storytelling offers an in depth look at storytelling for young adults that explains the benefits of storytelling with this audience what current practices are and storytelling opportunities to explore with youth It provides a unique source of expert guidance that youth services librarians professional storytellers and middle and high school teachers will appreciate Readers will learn how to find stories for teens apply proven techniques for successful telling of tales to teens use traditional literature as a basis for creative writing and establish a teen storytelling club or troupe The guide also covers how teens can create their own stories with digital media the connections between traditional folk and fairy tales and today s film television books and online media and how storytelling can be successfully used with at risk youth [Profile Pieces](#) Sue Joseph,Richard Lance Keeble,2015-10-14 This book examines the history theory and journalistic practice of profile writing Profiles and the practice of writing them are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself While the subject often through the medium of their press representative struggles to retain control of the interview space the journalist seeks to subvert it This interesting and multi layered interaction however has rarely been subject to critical scrutiny partly because profiles have traditionally been regarded as public relations exercises or as soft journalism However chapters in this volume reveal not only that profiling has historically taken many different forms but that the idea of the interview as a contested space has applications beyond the subject of celebrated individuals The volume looks at the profile s historical beginnings at the contemporary manufacture of celebrity versus the ordinary at profiling communities countries and movements at profiling the destitute at sporting personalities and finally at profiling and trauma **A Companion to American Literature** Susan Belasco,Theresa Strouth Gaul,Linck Johnson,Michael Soto,2020-04-02 A comprehensive chronological overview of American literature in three scholarly and authoritative volumes *A Companion to American Literature* traces the history and development of American literature from its early origins in Native American oral tradition to 21st century digital literature This comprehensive three volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field Contributors explore a broad range of topics in historical cultural political geographic and technological contexts engaging the work of both well known and non canonical writers of every period Volume One is an inclusive and geographically expansive examination of early American literature applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts Volume Two covers American literature between 1820 and 1914 focusing on the development of print culture and the literary marketplace the emergence of various literary movements and the impact of social and historical events on writers and writings of the period Spanning the 20th and early 21st centuries Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars This inclusive and comprehensive study of American literature

Examines the influences of race ethnicity gender class and disability on American literature Discusses the role of technology in book production and circulation the rise of literacy and changing reading practices and literary forms Explores a wide range of writings in multiple genres including novels short stories dramas and a variety of poetic forms as well as autobiographies essays lectures diaries journals letters sermons histories and graphic narratives Provides a thematic index that groups chapters by contexts and illustrates their links across different traditional chronological boundaries A Companion to American Literature is a valuable resource for students coming to the subject for the first time or preparing for field examinations instructors in American literature courses and scholars with more specialized interests in specific authors genres movements or periods Find Your Story, Write Your Memoir Lynn C. Miller, Lisa Lenard-Cook, 2013-05-31 Every person has a story to tell but few beginners know how to uncover their story's narrative potential And despite a growing interest among students and creative writers few guides to the genre of memoirs and creative nonfiction highlight compelling storytelling strategies Addressing this gap the authors provide a guide to memoir writing that shows how an aspiring writer can use storytelling tools and tactics borrowed from fiction to weave personal experiences into the shape of a story **Use Your Words** Kate Hopper, 2012-04-02 **USE YOUR WORDS** introduces the art of creative nonfiction to women who want to give written expression to their lives as mothers Written by award winning teacher and writer Kate Hopper this book will help women find the heart of their writing learn to use motherhood as a lens through which to write the world and turn their motherhood stories into art Each chapter of **USE YOUR WORDS** focuses on an element of craft and contains a lecture a published essay and writing exercises that will serve as jumping off points for the reader's own writing Chapter topics include the importance of using concrete details an overview of creative nonfiction as a genre character development voice humor tense and writing the hard stuff reflection and back story structure revision and publishing The content of each lecture is aligned with the essay poem in that chapter to help readers more easily grasp the elements of craft being discussed Together the chapters provide a unique opportunity for mother writers to learn and grow as writers **USE YOUR WORDS** takes the approach that creative writing can be taught and this underscores each chapter When students learn to read like writers to notice how a piece is put together and to question the choices a writer makes they begin to think like writers When they learn to ground their writing in concrete sensory details and begin to understand how to create believable characters and realistic dialogue their own writing improves **USE YOUR WORDS** reflects Kate's style as a teacher guiding the reader in a straightforward nurturing and passionate voice As one student noted in a class evaluation Kate is a born writer and teacher and her enthusiasm for essays about motherhood and for teaching the nuts and bolts of writing so that ordinary mothers have the tools to write their stories is a gift to the world She is raising the value of motherhood in our society as she helps mothers build their confidence and strengthen their game as writers Writing Is My Drink Theo Pauline Nestor, 2013-11-05 Whether you're aiming for a New York Times bestseller or a short personal essay to share with family and
