Six Against The Rock:

Six Against the Rock Clark Howard, 2020-05-26 Edgar Award Finalist The story of the infamous escape attempt and bloody siege at Alcatraz In 1946 six men attempted to break out of Alcatraz Federal Penitentiary a maximum security prison on an island off the coast of San Francisco Their bloody siege lasted two days and ended with five dead and fifteen wounded plus two of the perpetrators executed for their role in the endeavor In Six Against the Rock the basis for a TV movie an award winning crime writer tells the story of this notorious event and the inmates who were involved supplemented with vivid dramatic recreations that place the reader in the center of the conflict The personal clash between Coy and Cretzer over leadership of the desperate little band provides much of the suspense Alcatraz itself that logistical marvel of a fortress provides the rest And for a backdrop there are two platoons of Marines firing bazookas as well as something of the grim history of that most forbidding prison Kirkus Reviews starred review
