Blue Ashes Jean-Paul Daoust,1999 Few taboos are left to incorporate into the literature of the gay world Nearly everything has been said sensationalized exploited done and redone sometimes well sometimes self indulgently But one taboo sex between adults and children has received little attention from serious writers for a very good reason most people gay or otherwise find it morally repugnant Incredibly Jean Paul Daoust has turned a relationship of this kind into hypnotic poetry The book is unique in its sensitivity to a universe of forbidden love and sex between a man in his early twenties and a boy of six and a half years The boy s age is used like a leitmotif recurring on nearly every page of the poem as though to remind the reader of how unique the experience is whether between straight persons or gay Because of the critical age difference between manhood and childhood it is not just another love story It is an epic melodrama of passion love betrayal and cruelty that is related here in obsessive often hallucinatory poetry but more importantly it is all seen through the eyes of a child who is not only a victim as we might readily suppose but an aggressor as well Gay literature will never be the same after this book Daniel Sloate

Lasting Impressions Joanna Carey,1824 Lake Thirteen Greg Herren,2013-08-12 It seemed like a good idea at the time Every summer three families take a trip together this year it s to a remote resort in the mountains of upstate New York Scotty a teenager who s just come out is nervous about how his friends will react to him A late night visit to an old nearby cemetery seems like a great idea to the bored teens but the old cemetery holds dark secrets hidden for almost a century secrets that might have been better left undisturbed And what originally seemed like a boring week in the mountains gradually becomes a nightmare of terror for the teens and their families

God's Faith Ronald Artis,2001-06-08 The bible says If you have faith as a grain of mustard seed you shall say unto this mountain Remove hence to yonder place and it shall remove and nothing shall be impossible unto you St Matthew 17 20 Praying on this scripture the Holy Spirit laid on my heart to research what God s Faith is made of which is Hope and Love the greatest being Love Hence on May 25th 2000 the title

Meanjin Vol 80, No 3 Meanjin Quarterly,2021-09-14 I've never been too impressed with the metaphoric mountain top
 that Black race scholars and civil rights activists have typically been concerned with of a promised land and a dream As
 appealing as it sounds I don't believe that such a world will ever be possible in a settler colonial state The place that they
 have built for themselves was established and is sustained by racial violence and all of their institutions are unrelenting in
 their viciousness towards sovereign Black bodies In September Meanjin Queensland academic Munanjahli and South Sea
 Islander woman Chelsea Watego writes powerfully on the necessity of walking away from colonial institutions and constructs
 in order to find the truth of individual and collective power as an Indigenous Australian It is she argues a fight against the

(c1916), 1916 **Copycat** Erica Spindler, 2007-09-01 Five years ago three young victims were found murdered posed like little angels No witnesses no evidence left behind The Sleeping Angel Killer called his despicable acts the perfect crimes The case nearly destroyed homicide detective Kitt Lundgren's career because she let the killer get away Now the Sleeping Angel Killer is back But Kitt notices something different about this new rash of killings a tiny variation that suggests a copycat killer may be re-creating the original perfect crimes Then the unthinkable happens The Sleeping Angel Killer himself approaches Kitt with a bizarre offer he will help her catch his copycat Kitt must decide whether to place her trust in a murderer or risk falling victim to a fiend who has taken the art of the perfect murder to horrific new heights **Border Town Blood** Curt Collier, 2009-02 Border Town Blood is a contemporary horror novel in three acts But I'm not really into horror you may say Well Border Town Blood is like an excellent submarine sandwich or a po boy for my friends in the Deep South there is something in it for everyone horror fantasy romance inspiration and even a little comic relief tossed in for good measure Border Town Blood is set in a geographically accurate Fort Smith I have always believed that fear thrives on the familiar Television programs like The Twilight Zone were much more frightening and disturbing for their real world setting Sure having a homicidal alien chasing someone around a spaceship is scary but having a horde of zombies rise from the cemetery you drive past every day at dusk is terrifying In Border Town Blood I have taken great pains to describe local geography and local businesses exactly where they are To paraphrase the great American storyteller Louis L Amour if I tell you there's a water hole somewhere if you follow my directions you will end up with a cool drink Of course it has been necessary to fictionalize most of the names of the businesses and people but there is still a barbecue place where Nealson's stands a record storage business where Centralized Record Storage stands and as of January 2009 the Mallalieu Church still stands right where Ellis left it I am confident that Mayor Ray Baker would love to have the fans of Border Town Blood visit Fort Smith and spend a day or two driving around on a Border Town Blood tour Border Town Blood is based on actual historic events and authentic Native American mythology Many of today's most successful television programs brag that their stories are ripped from the headlines Border Town Blood takes that premise and stands it on its head The stories in Border Town Blood are ripped from the history books The Trail of Tears is one of the most shameful events in our country's history The carnival atmosphere of the public hangings in 19th Century Fort Smith were probably more raucous than I portray them The multiple waves of refugees and displaced persons referenced by Alice Harvey were actual events In the forties Camp Chaffee was a German prisoner of war camp Fort Chaffee was the Middle American staging ground for fifty one thousand Hmong Indochinese and Vietnamese men women and children in the seventies and in the eighties over twenty five thousand Cuban refugees passed through Fort Smith Over ten thousand refugees from Hurricane Katrina were housed in Fort Chaffee in 2005 What is so special about Fort Smith that time and again the disenfranchised and the footloose end up here Border Town Blood poses an answer to that and many other questions Native American mythology is a rich and largely untapped seedbed

of tales and legends Border Town Blood borrows a few of these myths and weaves them into a tapestry that is rooted in history and flies high in the firmament of modern imagination Tsul Kalu and Jumlin are genuine figures in Native American pantheons Shapeshifters dreamwalkers and warriors mighty enough to slay gods are part and parcel of Native American oral tradition Border Town Blood tells its story through the eyes of those experiencing the action Unlike the bird's eye view of many third person novels or the solo inside out view of a first person narrative Border Town Blood puts you the reader inside the heads and hearts of the stories characters You get to know the characters their feelings and their motivations through their own eyes unvarn
