Slow Motion Dani Shapiro,2012-09-05 From one of the most gifted writers of her generation comes the harrowing and exquisitely written true story of how a family tragedy saved her life Dani Shapiro was a young girl from a deeply religious home who became the girlfriend of a famous and flamboyant married attorney her best friend s stepfather The moment Lenny Klein entered her life everything changed she dropped out of college began to drink heavily and became estranged from her family and friends But then the phone call came There had been an accident on a snowy road near her family s home in New Jersey and both her parents lay hospitalized in critical condition This haunting memoir traces her journey back into the world she had left behind At a time when she was barely able to take care of herself she was faced with the terrifying task of taking care of two people who needed her desperately Dani Shapiro charts a riveting emotional course as she retraces her isolated overprotected Orthodox Jewish childhood in an anti Semitic suburb and draws the connections between that childhood and her inevitable rebellion and self destructiveness She tells of a life nearly ruined by the gift of beauty and then saved by the worst thing imaginable This is a beautiful and unforgettable memoir of a life utterly transformed by tragedy

A Cry for Help John Duffield,2009-07 A Cry For Help provides the solution to a very old puzzle Namely why is it that millions of people desperate for happiness can t find it in thousands of self help books Every one of these books has tools in it that can help you and I make our dreams come true So what on earth can be wrong The answer is unbelievably simple but very difficult to believe It s this By far most of us have no idea what our own dreams are To make our dreams come true after all we must know what those dreams are first A Cry For Help reveals that a single sinister fear of being judged is keeping our dreams from us and how to take it away Once this fear is removed our dreams flow back into our lives like water and every single self help book can help make them real John Duffield

[His Love Endures Forever](#) Melanie D., 2024-07-17 *His Love Endures Forever* is an easy to read autobiography Starting at birth it's a compelling sometimes heart wrenching true story about a young girl's journey as she grows into her adolescent years and into womanhood Because she came from a broken home she was trying to find love and validation in all the wrong worldly places Before becoming a Christian she continually jumped into situations without thinking things through or taking into consideration the consequences of her actions She repeatedly made the same mistakes while she was caught up in recurring vicious cycles While becoming a Christian she had so many overwhelming problems in her life that she called a prayer line one day The prayer line partner suggested that she start reading Psalms 91 every day for protection She recommended that Melanie write down a list of her problems and turn it all over to Jesus Melanie took her advice and made the list She surrendered all of her problems over to Jesus She laid her list down at Jesus' feet and turned everything over to him The Lord heard her prayers and removed every problem off of the list one by one *His Love Endures*
