**The Iranian Revolution of 1978/1979 and how Western Newspapers Reported it** Edgar Klüsener, 2007-07 Bachelor Thesis from the year 2006 in the subject History Europe Other Countries Newer History European Unification grade 1 0 University of Manchester School of Languages Linguistics and Cultures 55 entries in the bibliography language English abstract The Iranian revolution of 1978 1979 did in many respects not fit the stereotypes of a Third World revolution What drove and held together the unique alliance between religious leaders nationalists and other groups of society including the radical left was therefore hard to understand for westerners It was even harder to understand that an Islamic cleric whom many saw as a backwards religious zealot could in the end overthrow the authoritarian regime of Shah Reza Pahlevi although it had the most powerful army of the region and the ubiquitous secret service SAVAK at its disposal In this background the role of the media was crucial in making events in Iran transparent to the public in the United Kingdom and in Germany This study will look at how particular newspapers the Guardian and the Sddeutsche Zeitung have understood and reported the events It will also investigate what sources they used and how important the influence of news agencies was Finally it will analyse to what extent cultural misconceptions and prejudices have or have not tainted the reporting

Citizen Media and Practice Hilde Stephansen, Emiliano Treré, 2019-10-28 This groundbreaking collection advances understanding of the concept of media practices by critically interrogating its relevance for the study of citizen and activist media Media as practice has emerged as a powerful approach to understanding the media s significance in contemporary society Bringing together contributions from leading scholars in sociology media and communication social movement and critical data studies this book stimulates dialogue across previously separate traditions of research on citizen and activist media practices and stakes out future directions for research in this burgeoning interdisciplinary field Framed by a foreword by Nick Couldry and a substantial introductory chapter by the editors contributions to the volume trace the roots and appropriations of the concept of media practice in Latin American communication theory reflect on the relationship between activist agency and technological affordances explore the relevance of the media practice approach for the study of media activism including activism that takes media as its central object of struggle and demonstrate the significance of the media practice approach for understanding processes of mediatization and datafication Offering both a comprehensive introduction to scholarship on citizen media and practice and a cutting edge exploration of a novel theoretical framework the book is ideal for students and experienced scholars alike

**Key Words in Religion, Media and Culture** David Morgan, 2008-06-30 From The Passion of the Christ to the presumed clash of civilizations religion s role in culture is increasingly contested and mediated Key Words in

Religion Media and Culture is a welcome and interdisciplinary contribution that maps the territory for those who aim to make sense of it all Highlighting the important concepts guiding state of the art research into religion media and culture this book is bound to become an important and frequently consulted resource among scholars both seasoned and new to the field Lynn Schofield Clark David Morgan has assembled here a fine team of scholars to prove beyond a doubt that the intersections of religion media and culture constitute one of the most stimulating fields of inquiry around today This highly useful and theoretically sophisticated text will likely assume ritual status in this emergent field Rosalind I J Hackett University of Tennessee US This volume is a major intervention in the literature on religion media and culture Drawing together leading international scholars it offers a conceptual map of the field to which students teachers and researchers will refer for many years to come The publication of Key Words in Religion Media and Culture is a significant moment in the formation of this area of study and sets a standard for cross disciplinary collaboration and theoretical and methodological sophistication for future work in this area to follow Gordon Lynch Birkbeck College University of London UK This book offers a range of refreshing essays on the relationships between media and religion Its selected keywords open doors to understanding contemporary society The cultural perspectives on mediation and religious practices give some illuminating and surprising analyses Knut Lundby University of Oslo Norway      Encyclopedia of Social Movement Media John D. H. Downing, John Derek Hall Downing, 2011 The entries are designed to be relatively brief with clear accessible and current information

*Hamas and the Media* Wael Abdelal, 2016-06-10 The Islamic resistance movement Hamas is arguably one of the most important Palestinian organizations in recent decades Since Hamas establishment it has extensively utilized media as a means of mobilization for its political and ideological agendas and its tactics have undergone a remarkable evolution from graffiti art to satellite broadcasting This book presents the first systematic and historical contextualization of the development of Hamas media strategy It determines three key phases in Hamas development and explores the complex and important relationship at work between its politics and use of media Assessing four elements of the Hamas media strategy the media message discourse the media objectives the infrastructure and the target audience this book tracks how Hamas grew its media infrastructure and looks at how the idea of resistance has permeated the media discourse Determining both tactical and strategic objectives and detailing the various layers to the target audience it offers the first in depth academic study of the Hamas media strategy This book s exploration of the key role the media plays in the Palestinian issue makes it a timely and relevant contribution to the study of the Israeli Palestinian Conflict and a valuable resource for students scholars and policymakers working in Middle Eastern studies      *Occidentalism in Iran* Ehsan Bakhshandeh, 2016-09-29 Negative portrayals of the West in Iran are often centred around the CIA engineered coup of 1953 which overthrew Prime Minister Mohammad Mosaddeq or the hostage taking crisis in 1979 following the attack on the US embassy in Tehran Looking past these iconic events Ehsan Bakhshandeh explores the deeper anti imperialistic and anti hegemonic roots of the hostility to

Westernism that is evident in the Iranian press Distinguishing between negative and outright hostile perceptions of the West which also encompasses Britain France and Germany the book traces how the West is represented as the Occident in the country's media From the Qajar period and the Tobacco protests of the late nineteenth century to the ill fated Anglo Persian Treaty of 1919 through to the 1953 coup and 1979 hostage crisis Bakshandeh highlights the various points in history when misinterpretations and conflicts led to a demonisation of the other in the Iranian media The major recent source of contention between the West and Iran has of course been the nuclear issue and the resultant regime of sanctions By examining how this and other issues have been represented by the Iranian press Bakshandeh offers a crucial and often overlooked aspect of the key relationship between Iran and the West

**Iranian Culture** Nasrin Rahimieh, 2015-08-27 Throughout modern Iranian history culture has served as a means of imposing unity and cohesion onto society The Pahlavi monarchs used it to project an image of Iran as an ancient civilisation re emerging as an equal to Western nations while the revolutionaries deployed it to remake the country into an Islamic nation Just as Iranian culture has been continually re interpreted the representations and avocations of Iranian identity vary amongst Iranians across the world Iranian Culture Representation and Identity demonstrates these fissures and the incompatibilities that refuse to be written out of national culture analysing works of literature popular music graphic art and film as well as oral narratives Using works produced before and after the 1979 revolution created both inside and outside of Iran this study reveals neglected complexities and contradictions in the field of Iranian cultural production It considers how contested claims to culture whether they originated in Iran or the Iranian diaspora shape our understanding of this culture and what spaces they create for new articulations of it and in doing so offers an important re examination of our collective concept of culture This book would be an excellent resource for students and scholars of Middle East Studies and Iranian Studies specifically Iranian culture including film and contemporary literature and the Iranian diaspora

**Culture and Cultural Politics Under Reza Shah** Bianca Devos, Christoph Werner, 2013-08-22 Culture and Cultural Politics Under Reza Shah presents a collection of innovative research on the interaction of culture and politics accompanying the vigorous modernization programme of the first Pahlavi ruler Examining a broad spectrum of this multifaceted interaction it makes an important contribution to the cultural history of the 1920s and 1930s in Iran when under the rule of Reza Shah Pahlavi dramatic changes took place inside Iranian society With special reference to the practical implementation of specific reform endeavours the various contributions critically analyze different facets of the relationship between cultural politics individual reformers and the everyday life of modernist Iranians Interpreting culture in its broadest sense this book brings together contributions from different disciplines such as literary history social history ethnomusicology art history and Middle Eastern politics In this way it combines for the first time the cultural history of Iran s modernity with the politics of the Reza Shah period Challenging a limited understanding of authoritarian rule under Reza Shah this book is a useful contribution to existing literature for

students and scholars of Middle Eastern History Iranian History and Iranian Culture      *Media Perspectives for the 21st Century* Stylianos Papathanassopoulos, 2011-03-17 *Media Perspectives for the 21st Century* brings together key international scholars to explore concepts topics and issues concerning the communication environment in contemporary democratic societies It combines qualitative and quantitative approaches to provide an interdisciplinary and truly global perspective that reflects the trends theories and issues in current media and communication research The collection raises significant questions about the study of the media by challenging approaches to major media and societal issues and analyses in more depth the range of concerns that shape both the present and the future media landscape and the issues these can create for communication It also investigates the main effects of technological developments on the domain of the news media and journalism Divided into two main sections Part I provides accounts of the role of the media in society and deals with agendas that affect the field of communications studies Part II goes on to examine the world of new media and offers analyses on the developments of the 21st century Chapters deal with various dimensions of media from a number of different perspectives and socio political contexts covering a wide range of topics including Social Networking Political Communication Public Journalism Global Infotainment and Consumer Culture *Media Perspectives for the 21st Century* will be highly useful to undergraduate and postgraduate students as well as researchers and academics in the fields of media and communication studies mass communication journalism and new media      *Radical Media* John D. H. Downing, 2000-08-18 This is an entirely new edition of the author's 1984 study originally published by South End Press of radical media and movements The first and second sections are original to this new edition The first section explores social and cultural theory in order to argue that radical media should be a central part of our understanding of media in history The second section weaves an historical and international tapestry of radical media to illustrate their centrality and diversity from dance and graffiti to video and the internet and from satirical prints and street theatre to culture jamming subversive song performance art and underground radio The section also includes consideration of ultra rightist media as a key contrast case The book's third section provides detailed case studies of the anti fascist media explosion of 1974-75 in Portugal Italy's long running radical media radio and access video in the USA and illegal media in the dissolution of the former Soviet bloc dictatorships      **Discourses of Ideology and Identity** Chris Featherman, 2015-03-24 In this monograph Chris Featherman adopts a discourse analytical approach to explore the ways in which social movement ideologies and identities are discursively constructed in new and old media In the context of his argument Featherman also considers current debates surrounding the role that technologies play in democracy building and global activist networks He engages these critical issues through a case study of the 2009 Iranian presidential election protests looking at both US legacy media coverage of the protests as well as activists use of social media Through qualitative analysis of a corpus of activists Twitter tweets and Flickr uploads Featherman argues that activists social media discourses and protesters symbolic and tactical borrowing of global English contribute to micronarratives of

globalization while also calling into question master narratives about Iran commonly found in mainstream Western media accounts This volume makes a timely contribution to discussions regarding the relationship between cyber rhetoric and democracy and provides new directions for researchers engaging with the influence of new media on globalized vernaculars of English

*The State of Resistance* Assal Rad, 2022-08-25 Explores national identity formation and popular culture in post revolutionary Iran to enable a better understanding of contemporary Iran

*Media Discourse* Mary Talbot, 2007-09-15 This lively and accessible study of media and discourse combines theoretical reflection with empirical engagement and brings together insights from a range of disciplines Within media and cultural studies the study of media texts is dominated by an exclusive focus on representation This book adds long overdue attention to social interaction The book is divided into two sections The first outlines key theoretical issues and concepts including informalisation genre hybridisation positioning dialogism and discourse The second is a sustained interrogation of social interaction in and around media Re examining issues of representation and interaction it critically assesses work on the para social and broadcast sociability then explores distinct sites of interaction production communities audience communities and interactivity with audiences

**Journalistic Practices in Restrictive Contexts** Banafsheh Ranji, 2022-09-01 Based on fieldwork conducted in Iran this book discusses how it is possible for journalism to exist and function in a restrictive context The book brings together a range of structural macro organizational meso and individual micro processes to analyze journalistic practice in a politically restrictive setting a context thus far dominated by structural explanations Using Pierre Bourdieu's work as a starting point Banafsheh Ranji develops an explanatory framework for how Iranian journalists navigate the daily minefield of their professional environment The analysis sheds light on the everyday reality of journalism in Iran addressing factors that hinder journalists work while also showing how journalists use a set of double game strategies to simultaneously circumvent constraints and avoid retaliation Moving beyond notions of censorship and repression that accompany discussions of journalism in such settings the book instead focuses on how we may think of critical journalism professionalism and journalistic power agency and autonomy in restrictive contexts Offering powerful insights into the realities of journalism in a tightly controlled environment this book will be a key resource for scholars and students of journalism media and communication studies political science sociology Iranian studies and Middle East studies

*Women and Media in the Middle East* Naomi Sakr, 2004-09-24 Is today's changing media landscape in the Middle East empowering women This is the first book to address the dynamics of media ecology and women's advancement in the contemporary Middle East The book spans both the region and media forms from Iran's women's press via Maghrebi women filmmakers and Egyptian political films Palestinian TV and Hezbollah's TV station Al Manar It takes as its starting point the diverse experiences and multi layered identities of women and treats media institutions and practices as part of wider power relations in society By analysing media production consumption and texts it reveals where and how gender boundaries have been erected or crossed
