Longman Language Activator Della Summers,1993 Presents linguistic as well as lexical information **Start Your Own Online Coupon or Daily Deal Business** Rich Mintzer,/ Entrepreneur magazine,2013-09-17 The online coupon and daily deal industries are booming as people from all socio economic groups are seeking deals and discounts in these trying economic times The experts at Entrepreneur deliver the startup details behind this hot opportunity and show eager entrepreneurs how to cash in on internet savvy savers Unlike old school design your own coupon book titles this book moves straight into computer technology and proceeds to the latest trend in couponing apps which provide deals to mobile users in

any location Many daily deal businesses do not work to enhance the experience for their merchants Readers however can learn how to do so Experts in the industry are also included such as Marc Horne co creator of Daily Deal Builder who discusses what it takes to build a daily deal site David Teichner CEO of Yowza who brought deal apps to iPhones and several business owners who have tried their luck at running daily deal They discuss what they have learned from the process Currently there are few if any other books on how to start a daily deal business and the coupon books focus on how to use coupons and even on extreme couponing but not on running an online coupon business This is a unique title which provides those who enjoy offering deals and discounts to get started in an industry that is still growing *The English Sentence Up Close* Peter Beaven,Nikhil Deliwala,2017-08-03 The enlightened notion of displaying the decomposed elements of a sentence pictorially has had a long history in the U S The pedagogical idea was developed by Stephen Watkins Clark in his 1847 book with the mouthful of a title A Practical Grammar In Which Words Phrases Sentences are Classified According to Their Offices and Their Various Relationships to Each Another a true sentence diagramming challenge Clark s scheme of deploying the parts of a sentence into stacked and adjacent cartoon like balloons or bubbles was improved upon in Higher Lessons in English Grammar first edition 1877 by Alonzo Reed and Brainerd Kellogg of Brooklyn Polytechnic Institute Their geometry of grammar as it has been called is predicated on the idea that students would better learn how to structure sentences if they could see them drawn as linear graphic structures *The Possessor and the Possessed* Peter Kivy,2008-10-01 The concept of genius intrigues us Artistic geniuses have something other people don t have In some cases that something seems to be a remarkable kind of inspiration that permits the artist to exceed his own abilities It is as if the artist is suddenly possessed as if some outside force flows through him at the moment of creation In other cases genius seems best explained as a natural gift The artist is the possessor of an extra talent that enables the production of masterpiece after masterpiece This book explores the concept of artistic genius and how it came to be symbolized by three great composers of the modern era Handel Mozart and Beethoven Peter Kivy a leading thinker in musical aesthetics delineates the two concepts of genius that were already well formed in the ancient world Kivy then develops the argument that these concepts have alternately held sway in Western thought since the beginning of the eighteenth century He explores why this pendulum swing from the concept of the possessor to the concept of the possessed has occurred and how the concepts were given philosophical reformulations as views toward Handel Mozart and Beethoven as geniuses changed in the eighteenth nineteenth and twentieth centuries
