Smileys Circus A Guide To The Secret World Of John LeCarre:

Smiley's Circus David Monaghan,1986 Smiley's Circus David Monaghan,1986 Smiley's Circus David Monaghan,1986-01-01 A comprehensive catalog of the byzantine operations of the Circus and the details surrounding the life of fictional spy George Smiley **Understanding John Le Carré** John L. Cobbs,1998 John Cobbs establishes that contemporary English novelist John le Carré's fiction transcends the genre of espionage and that le Carré is preeminently a social commentator who writes novels of manners Cobbs analyzes each of le Carré's novels and offers a biographical sketch describing le Carré's often overlooked academic success and reputation as a once member of British Intelligence The Spy Novels of John Le Carré M. Aronoff,1998-12-14 Using espionage as a metaphor for politics John le Carré explores the dilemmas that confront individuals and governments as they act during and in the aftermath of the Cold War His unforgettable characters struggle to maintain personal and professional integrity while facing conflicting personal institutional and ideological loyalties In The Spy Novels of John le Carré author Myron Aronoff interprets the ambiguous ethical and political implications of the work of John le Carré revealing him to be one of the most important political writers of our time Aronoff shows how through his writing le Carré poses the difficult question of to what extent are western governments justified in pursuing raison d'état without undermining the very democratic freedoms that they claim to defend He also draws parallels between the self parody of le Carré and that of the seventeenth century Dutch artist Jan Steen and explains how it expresses a unique form of ambiguous moralism In this volume Aronoff relates le Carré's fictional world to the real world of espionage and demonstrates the need to balance the imperatives of ethics and politics in regard to some of the most pressing issues facing the world today **John le Carré and the Cold War** Toby Manning,2018-01-25 John le Carré and the Cold War explores the historical contexts and political implications of le Carré's major Cold War novels The first in depth study of le Carré this century this book analyses his work in light of key topics in 20th century history including containment of Communism decolonization the Berlin Wall the Cuban missile crisis the Cambridge spy ring the Vietnam War the 70s oil crisis and Thatcherism Examining The Spy Who Came in from the Cold 1963 Tinker Tailor Soldier Spy 1974 Smiley's People 1979 and other novels this book offers an illuminating picture of Cold War Britain while situating le Carré's work alongside that of George Orwell Graham Greene and Ian Fleming Providing a valuable contribution to contemporary understandings of both British spy fiction and post war fiction Toby Manning challenges the critical consensus to reveal a considerably less radical writer than is conventionally presented Le Carré's Landscape Tod Hoffman,2001-09-02 In Le Carré's Landscape Tod Hoffman a former intelligence officer offers a unique perspective on le Carré's work He juxtaposes his own experiences and extensive research with le Carré's fiction shedding light on those dank recesses where spying is done Taking the reader through the countries and continents of le Carré's fiction Hoffman reflects on the political causes and personal effect of spying secrecy manipulation deceit treason Le Carré's Landscape is a unique look at the master of the spy

genre a man who has captured the imaginations of millions of readers and perhaps enticed more than a few into the real world of espionage

Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study

The Oxford Encyclopedia of British Literature David Scott Kastan, 2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/eb1

John le Carré's Post-Cold War Fiction Robert Lance Snyder, 2018-02-28 This is an analysis of the first 10 post Cold War novels of one of the most significant ethicists in contemporary fiction This book challenges distinctions between popular and serious literature by recognizing le Carré as one of the most significant ethicists in contemporary fiction contributing to an overdue reassessment of his literary stature Le Carré's ten post Cold War novels constitute a distinctive subset of his espionage fiction in their response to the momentous changes in geopolitics that began in the 1990s Through a close reading of these novels Snyder traces how amid the War on Terror and transnationalism le Carré weighs what is at stake in this conflict of deeply invested ideologies

The Silent Game David Stafford, 2012-02-01 The Silent Game traces the history of spy writers and their fiction from creator William Le Queux of the Edwardian age to John le Carré of the Cold War era David Stafford reveals the connections between fact and fiction as seen in the lives of writers with experience in intelligence including John Buchan Compton Mackenzie Somerset Maugham Ian Fleming and Graham Greene Le Queux used his spy fiction as xenophobic propaganda before and after World War I and le Carré's novels have provided reflections on the Cold War and the decline of Britain's influence Anxieties about the decline of the American empire have helped stimulate a more vigorous American literature of espionage providing an index of contemporary American concerns about power relations As Stafford suggests the genre of espionage fiction rarely intends to document the real world of intelligence Rather it provides a popular vehicle for exploring themes of imperial decline international crisis and impending war

Spyscreen Toby Miller, 2003 This is a genre study of English language spy fiction film and television between the 1930s and 1960s Taking as his focus many well known films and television series such as James Bond Gilda The Man From U N C L E and The Avengers Toby Miller uses a wide range of critical approaches

including textual interpretation audience studies and cultural history to offer new insights into this popular genre

Historical Dictionary of British Spy Fiction Alan Burton, 2016-04-04 The Historical Dictionary of British Spy Fiction is a detailed overview of the rich history and achievements of the British espionage story in literature cinema and television It provides detailed yet accessible information on numerous individual authors novels films filmmakers television dramas and significant themes within the broader field of the British spy story It contains a wealth of facts insights and perspectives and represents the best single source for the study and appreciation of British spy fiction British spy fiction is widely regarded as the most significant and accomplished in the world and this book is the first attempt to bring together an informed survey of the achievements in the British spy story in literature cinema and television The Historical Dictionary of British Spy Fiction contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on individual authors stories films filmmakers television shows and the various sub genres of the British spy story This book is an excellent access point for students researchers and anyone wanting to know more about British spy fiction

The Guide to United States Popular Culture Ray Broadus Browne, Pat Browne, 2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index

Politics and the British Novel in the 1970s J. Russell Perkin, 2021-06-15 The 1970s in Britain saw a series of industrial disputes a referendum on membership in the European Economic Community conflict about issues of immigration and citizenship and emergent environmental and feminist movements It was also a decade of innovation in the novel and novelists often addressed the state of the nation directly in

their works *In Politics and the British Novel* in the 1970s Russell Perkin looks at social novels by John Fowles and Margaret Drabble the Cold War thrillers of John le Carré Richard Adams's best selling fable *Watership Down* the popular campus novels of Malcolm Bradbury and David Lodge Doris Lessing's dystopian visions and V S Naipaul's explorations of post colonial displacement Many of these highly regarded works sold in large numbers and have enjoyed enduring success a testament to the power of the political novel to explain a nation to itself Perkin explores the connections between the novel and politics situating the works it discusses in the rich context of the history and culture of the decade from party politics to popular television shows *Politics and the British Novel* in the 1970s elucidates a period of literary history now fifty years in the past and offers a balanced perspective on the age revealing that these works not only represented the politics of the time but played a meaningful role in them

A Dictionary of Literary Devices Bernard Marie Dupriez, 1991-01-01 Comprising some 4000 terms defined and illustrated Gradus calls upon the resources of linguistics poetics semiotics socio criticism rhetoric pragmatics combining them in ways which enable readers quickly to comprehend the codes and conventions which together make up literarity

Dove Legend Richard Outram, 2001 *Dove Legend* is a pungent pot pourri for Outram readers It binds together the shorter poem cycles festive holiday broadsheets occasional verses and love poems and a number of highly disguised and thus revealing autobiographical pieces all written over the past ten years roughly since Outram's retirement from stage production at the CBC In a sense these are only the decades leftovers In the same span we have been treated to a series of book length poetry cycles *Hiram* and *Jenny Mogul Recollected* and *Benedict Abroad* A reader of *Dove Legend* cannot help but think of the book's relationship to all the other work Outram has published in these same years if not to his career in general In short to come across this ample inventory is to find yourself wondering as others have before why Outram isn't better known than he is

John Le Carré Lynn Beene, 1992 Although le Carré's thrillers like the work of genre novelists include resourceful agents animated narratives technical espionage devices and entangled political affairs his characters Beene contends are more reminiscent of Charles Dickens's best caricatures their actions remind readers that decency love and the line between betrayal and loyalty are precarious In the tradition of Joseph Conrad Somerset Maugham and Graham Greene le Carré creates largely convincing characters whose often unshakable faith in conspiracy leads uncontrollably to treachery Although often efficient le Carré's people are pawns in an espionage chess game where betrayal is the basic tactic once caught in the game Beene observes their only escapes are betrayal death or worse self realization and angst as is the case with the perennial character George Smiley Le Carré is singular among contemporary writers because Beene argues he exchanges action the mainstay of espionage fiction and that which makes the genre pure entertainment for psychological debate and ethical paralysis Le Carré writes of an our side indistinguishable from theirs we can be incompetent fumbling and mindlessly destructive they can be decent conscientious and dedicated

The Prentice Hall Guide for Student Writers Stephen Reid, Enid Gossin, Susan Stancer, 2002 A comprehensive guide to writing designed for introductory composition

courses This all in one text offers hallmark coverage of the purposes of writing focusing on the importance of a writer's research critical reading skills the ability to organize ideas and a strategy to assess and develop rhetorical contexts While the guide emphasizes traditional writing purpose and process the authors also consider the technological changes that influence and enhance contemporary writing including expanded coverage of researching evaluating and documenting Internet sources The first Canadian edition not only highlights good writing by Canadians but also provides further insights into Canadian culture and ideas [The Spy Who Came in from the Cold by John le Carré \(Book Analysis\)](#) Bright Summaries, 2019-04-08 Unlock the more straightforward side of The Spy Who Came in from the Cold with this concise and insightful summary and analysis This engaging summary presents an analysis of The Spy Who Came in from the Cold by John le Carré which follows Alec Leamas a cynical veteran intelligence agent who embarks on one last mission to entrap the head of the East German intelligence services In its bleak depiction of the deception and betrayal that characterise the world of international espionage and the amorality of the spies themselves the novel stood out from its predecessors and captivated readers with its authentic gritty mood John le Carré is an internationally renowned writer of spy novels His best known works include The Spy Who Came in From the Cold Tinker Tailor Soldier Spy and The Constant Gardener Find out everything you need to know about The Spy Who Came in from the Cold in a fraction of the time This in depth and informative reading guide brings you A complete plot summary Character studies Key themes and symbols Questions for further reflection Why choose BrightSummaries com Available in print and digital format our publications are designed to accompany you on your reading journey The clear and concise style makes for easy understanding providing the perfect opportunity to improve your literary knowledge in no time See the very best of literature in a whole new light with BrightSummaries com
