Canadian Play Carroll Aikins, 2016-04-14 Carroll Aikins s play The God of Gods 1919 has been out of print since its first and only edition in 1927 This critical edition not only revives the work for readers and scholars alike it also provides historical context for Aikins s often overlooked contributions to theatre in the 1920s and presents research on the different staging techniques in the play s productions Much of the play s historical significance lies in Aikins s vital role in Canadian theatre as director of the Home Theatre in British Columbia 1920 22 and artistic director of Toronto s Hart House Theatre 1927 29 Wright reveals The God of Gods as a modernist Canadian work with overt influences from European and American modernisms Aikins s work has been compared to European modernists Gordon Craig Adolphe Appia and Jacques Copeau Importantly he was also intimately connected with modernist Canadian artists and the Group of Seven who painted the scenery for Hart House Theatre The God of Gods contributes to current studies of theatrical modernism by exposing the primitivist aesthetics and theosophical beliefs promoted by some of Canada s art circles at the turn of the twentieth century Whereas Aikins is clearly progressive in his political critique of materialism and organized religion he presents a conservative dramatization of the noble savage as hero The critical introduction examines how The God of Gods engages with Nietzschean and theosophical philosophies in order to dramatize an Aboriginal lover artist figure that critiques religious idols materialism and violence Ultimately The God of Gods offers a look into how English and Canadian theatre audiences responded to primitivism theatrical modernism and theosophical tenets during the 1920s *Take Me Home* Beth Moran, 2023-10-13

Victorious Living in Christ Riaan Engelbrecht, 2023-01-26 In this study we will explore how to walk in the victorious life of Christ. 1 John 5:4 NKJV says for whatever is born of God overcomes the world. And this is the victory that has overcome the world: our faith in Christ. We can lead a victorious life and a life of overcoming fear, uncertainty, strife, and hopelessness. For Christ is our hope of glory, and in Him we do not have to fear, for the battle belongs to God. He is the Light, the Way, and Life. The Language of Argumentation Ronny Boogaart, Henrike Jansen, Maarten van Leeuwen, 2021-01-20 Bringing together scholars from a broad range of theoretical perspectives, *The Language of Argumentation* offers a unique overview of research at the crossroads of linguistics and theories of argumentation. In addition to theoretical and methodological reflections by leading scholars in their fields, the book contains studies of the relationship between language and argumentation from two different viewpoints. While some chapters take a specific argumentative move as their point of departure and investigate the ways in which it is linguistically manifested in discourse, other chapters start off from a linguistic construction, trying to determine its argumentative function and rhetorical potential. *The Language of Argumentation* documents the currently prominent research on stylistic aspects of argumentation and illustrates how the study of argumentation benefits from insights from linguistic models ranging from theoretical pragmatics, politeness theory, and metaphor studies to models of discourse coherence and construction grammar. **People of the Mist** Kathleen O'Neal Gear, W. Michael Gear, 2010-12-28 With *People of the Mist*, bestselling authors W. Michael Gear and Kathleen O'Neal Gear take us to the Chesapeake Bay of six hundred years ago, when the unprovoked and brutal murder of a young woman on the eve of her wedding threatens to turn the entire Algonquin Nation against itself in a brutal war that could destroy them as a people. No ordinary woman, Red Knot was the heir to the Greenstone Clan and the future leader of the independent villages. Her death has shattered all alliances and left a power void that several ambitious clan chiefs see as their destiny to fill. The very air vibrates with the drums and war cries of the rallying warriors. Into the eye of this brewing storm steps the bitter old man they call The Panther. Feared as a sorcerer, The Panther is the only one with the power to demand to be heard by all. But as he digs deeper into the ever-thickening web of lies surrounding the murder and uncovers darker, more deeply rooted secrets, he fears there may be no words to stop the impending bloodshed. Elliott McBride, 1877 My Fellow Americans . . . Donald J. Trump Donald J. Trump, 2020-10-27 Donald J. Trump burst upon the American political landscape in 2015 with his brash, America-first rhetoric. His upbeat, informal style earned him the sobriquet "The Inspirational President." You will discover in this unabridged

and annotated collection of President Trump's most important and pivotal speeches and remarks both the inner workings and the inner beliefs of the man who stunned the world to become the forty fifth president of the United States of America such as Mr Trump's presidential bid announcement The persuasive What Have You Got to Lose speech to black voters President Trump's four State of the Union addresses The inspirational Mount Rushmore speech President Trump's remarks to the UN General Assembly And many others The ABOUT US book series brings to life the exciting and vibrant history of the United States with classic and inspiring books that celebrate the bravery audacity and daring of the men and women who founded and created the nation that is the beacon of freedom to the world The My Fellow Americans series presents in unabridged and annotated form the policy defining and personality revealing orations and speeches of the American presidents for everyone to experience and learn

FOREWORD The president of the United States is the most powerful person in the world This has been true for a very long time perhaps from the very beginning So it is important to know and understand these men who sought and attained this highest office in the land And what better way to understand the presidents than through their own words About US Books and Kallisti Publishing Inc is pleased to present to you the first volume of the My Fellow Americans series a line of books that will present to the ages the important and significant speeches and orations of the presidents of the United States of America This inaugural volume showcases America's inspirational president Donald J Trump the billionaire businessman who rather than taking the traditional route of governor senator president instead leaped straight to the top in a hard fought race against then Secretary of State Hillary Rodham Clinton Some people think President Trump to be brash Others think him to be rude insensitive and even worse Yet others still describe him as inspirational and uplifting What you will discover as you read candidate and President Trump's speeches is a person who ardently believes in the American Dream who looks up to heroes and who sees beyond the horizon to the best that is to come Ultimately his own words are here so you can make your own decision

Choosing which speeches to include in this volume presented some difficulty because President Trump often spoke off script and talked extemporaneously Of course no volume of a president's speeches would be complete without his State of the Union addresses thus all four are presented here Remarks to the UN General Assembly are important declarations of foreign policy so they too are all included That left a lot of speeches through which to sift and what were chosen were Mr Trump's famous presidential bid speech Candidate Trump's plea to black voters President Trump's Inaugural Address the inspirational Mount Rushmore speech and others that highlight President Trump's policy positions vision and goals Please enjoy this deep dive into the mind of Donald J Trump through his speeches and remarks And please look forward to the upcoming volumes in the My Fellow Americans series So as the presidents end their speeches I leave you with a hearty thank you and a strong God bless America Anthony Raymond Michalski Publisher Editor
