Snare Drum Solos Seven Pieces For Concert Performance:

Snare Drum Solos Sperie Karas, 2003-10 Miscellaneous Percussion Music Mixed Levels Percussive Notes, 2008

The Instrumentalist Traugott Rohner, 2009 The magazine for school band and orchestra directors *The Modern Percussion Revolution* Kevin Lewis, Gustavo Aguilar, 2014-07-17 More than eighty years have passed since Edgard Varèse's catalytic work for percussion ensemble *Ionisation* was heard in its New York premiere. A flurry of pieces for this new medium dawned soon after challenging the established truths and preferences of the European musical tradition while setting the stage for percussion to become one of the most significant musical advances of the twentieth century. This revolution, as John Cage termed it, was a quintessentially modernist movement: an exploration of previously undiscovered sounds, forms, textures, and styles. However, as percussion music has progressed and become woven into the fabric of Western musical culture, several divergent paths comprised of various traditions and a multiplicity of aesthetic sensibilities have since emerged for the percussionist to pursue. This edited collection highlights the progressive developments that continue to investigate uncharted musical grounds. Using historical studies, philosophical insights, analyses of performance practice, and anecdotal reflections authored by some of today's most engaged performers, composers, and scholars, this book aims to illuminate the unique destinations found in the artistic journey of the modern percussionist. *40 Intermediate Snare Drum Solos (Music Instruction)*, 2002-11-01 Percussion This book provides the advancing percussionist with interesting solo material in all musical styles. It is designed as a lesson supplement or as performance material for recitals and solo competitions. Includes 40 intermediate snare drum solos presented in easy-to-read notation, a music glossary, Percussive Arts Society rudiment chart, suggested sticking, dynamics, and articulation markings, and much more. **Stuff! Good Drummers Should Know** Ed Roscetti, 2008 Valuable tips on performing, recording, the music business, instruments, and equipment, including electronics, beats, fills, soloing techniques, care and maintenance, and more. Styles such as rock, jazz, hip hop, and Latin are represented through demonstrations of authentic grooves and instruments appropriate for each genre. Page 4 of cover *40 Intermediate Snare Drum Solos* Ben Hans, 2002 Miscellaneous Percussion Music Mixed Levels *Yamaha Performance Folio* Frank Erickson, John Kinyon, John O'Reilly, 1994-08 Composed or arranged by Frank Erickson, John Kinyon, and John O'Reilly, this exciting collection includes 14 never-before-published selections correlated to specific pages in the Yamaha Band Student Book 1. Presented in a variety of styles, these full-band pieces will captivate students and audiences alike and will continue to motivate young bands year after year. Dance rhythms 1 G. Allan O'Connor, 1971 Kick it Matt Brennan, 2020 The drum kit has provided the pulse of popular music from before the dawn of jazz up to the present-day pop charts. *Kick It*, a provocative social history of the instrument, looks closely at key innovators in the development of the drum kit, inventors and manufacturers like the Ludwig and Zildjian dynasties, jazz icons like Gene Krupa and Max Roach, rock stars from Ringo Starr to Keith Moon, and popular artists who haven't always got their dues as drummers such as Karen Carpenter.

and J Dilla Tackling the history of race relations global migration and the changing tension between high and low culture author Matt Brennan makes the case for the drum kit s role as one of the most transformative musical inventions of the modern era Kick It shows how the drum kit and drummers helped change modern music and society as a whole from the bottom up

Catalogue of Music for Organ and Instruments James Laster,2005 This book presents music titles in which the organ is part of a chamber ensemble Alphabetized by composer entries contain the bibliographical information for each title and a brief commentary or description as well as information on the level of difficulty timing mood fingerings pedalings and other performance aids The selections are suitable for concerts and religious services and are written in a variety of styles from Baroque to contemporary This catalogue will be of interest to church organists searching for a piece for organ and brass appropriate for Easter visiting instrumentalists choosing music for a Sunday service teachers introducing their organ students to the experience of accompanying a violin and instrumentalists seeking a composition to play with the organ among many others
