Cranking Up Rush Adrien Begrand, 2024-10-22 The volume on a standard amp goes to 10 But sometimes that's just not high enough Sometimes you need to rock even harder than that all the way to 11 Goes to 11 books are short opinionated introductions to the catalogs of major musical acts through 11 essential songs Because going over the top is the only answer when it comes to good music From the band's early days in the Toronto music scene to their multiple Grammy wins to the aftermath of drummer Neil Peart's death Rush remains one of the most beloved rock bands of all time Renowned for their stylistic range integrity and legendary technical skill the band's wry sense of humor and humility have also resonated with fans internationally After more than four decades and nineteen studio albums they've produced a rich body of work that continues to enthrall millions of listeners new and old From Xanadu to Time Stand Still and beyond Cranking Up Rush provides a whirlwind tour of 11 essential Rush tracks It covers every era of their output from their teenage years to their final tour in 2015 and highlights what truly makes Rush the Spirit of Radio

Moving Pictures Will Romano, 2023-01-02 There's nothing like it in the Rush catalog or indeed in the entire prog rock canon Stylistically expansive and intellectually ambitious 1981's Moving Pictures was a landmark release one that helped define the progressive genre and that ensured Rush's place in the rock pantheon In this definitive account of the album's creation and legacy author Will Romano explores the rare alchemy behind a record that continues to inspire musicians and listeners even today While Permanent Waves and Hemispheres were important releases in Rush's evolution as a band Moving Pictures marked a turning point for the Canadian trio in more ways than one It was not only a creative triumph but a commercial one with sales and airplay that blasted them into the stratosphere of rock stardom Beyond the individual power of its seven songs however the key to its lasting significance is the distinctive overarching vision that Geddy Lee Alex Lifeson and Neil Peart brought to the album As Romano shows Moving Pictures reconciled opposing creative sensibilities to a remarkable degree giving the record real thematic depth while at the same time rendering it the very antithesis of a concept album Each track was carefully layered with cinematic and multisensory meaning paradoxically using music to evoke experiences beyond the strictly aural Consistently insightful and frequently surprising this book is filled with behind the scenes details based on new research and interviews and it guides readers through the album's dizzying array of allusions and inspirations Newbies and fervent Rush fans alike will find this an illuminating exploration of one of the band's most enduring achievements

Rush: Song by Song Alex Body, 2019-07-06 The Canadian power trio Rush has been called the world's biggest cult band Though critical favor eluded them for many years the band has gained the admiration of legions of fans and sold over forty million albums worldwide In this unique book the reader is guided through each album song by song from the band's eponymous debut in 1974 right up to 2012's Clockwork Angels Every album both live and studio is explored in detail with rare insight into the circumstances in which the band wrote and recorded each song The book also

carefully tracks the band's rise from a small suburb of Toronto to the arena filling giants they would become. This book explores every studio album, every live release, as well as the solo projects of Geddy Lee and Alex Lifeson. Each album is covered in unprecedented detail, and the band's prolific output provides numerous milestones with which to chart the band's progress. From humble beginnings near failure, critical disappointment, international success, and one of the most inspirational come-back stories in Rock, this is a must-have book for any Rush fan. **Poems Written for a Child** Menella Bute

Smedley, 1868 **Dogs** Mike Loades, 2020-12-02 A walk through history with man's best friend with stops in Alaska, the Middle East, and beyond includes over 250 photos of canines at work. Handle various dogs engaged in their traditional tasks. Mike Loades takes us on his adventures in the Jordanian desert where he shares the saddle of his camel with a Saluki and in the green hills of Wales where he works cattle with a Corgi. He mushes Huskies in Alaska, drives carriages with Dalmatians, and flies falcons with Spaniels. Each encounter not only highlights the bond between humans and dogs, it also frames that connection in its historical context. Different types of dogs appear the way they do because at some stage in their development they were bred selectively for a specialist job. The author takes key types on a walk through history. Along the way, he explores the methods and practices of their original occupations. He delves into when, where, and why they were first bred as the types we recognize today. This fascinating and engaging book includes over 250 stunning color photographs of dogs in action, resulting in an illuminating journey through many cultures and time periods and a personal heartfelt tribute to the enduring partnership between humans and dogs. *The Rush Chronology* Patrick Lemieux, 2015-09-16 Rush is one of rock's most influential bands. Ranked third in consecutive gold or platinum albums after the Beatles and the Rolling Stones, the band enjoys a devoted following by legions around the world and is revered by generations of musicians. **Prymzia: Ravager of the Sea** T. L. Sanders, 2017-04-06 Long ago a gift was given to Prymzia. A gift that brought protection and extraordinary skills to the people. But sometimes what is meant for good can cause great grief. For some wanted to use the gift for destruction and conquest. As evil descended upon the island, a mighty hero rose up to battle the beast. He prevailed against the monster, but not without great price. Many years pass, but whispers and shadows from the past yet emerge. And dark foes assemble to awaken the R.
