Grigsby, 1937 *Life for Us Is What We Make It* Richard W. Thomas, 1992-08-22 Thomas s ground breaking study should occupy a central place in the literature of American urban history Choice path breaking a fine community study Journal of American Studies Thomas s work is essential reading succeeds in providing a bridge of information on the social political legal and economic development of the Detroit black community between the turn of the century and 1945 Michigan Historical Review The black community in Detroit developed into one of the major centers of black progress Richard Thomas traces the building of this community from its roots in the 19th century through the key period 1915 1945 by focusing on how industrial workers ministers politicians business leaders youth and community activists contributed to the process Doggy Bag Ronald Sukenick, 1994 Stories that poke fun at what passes for culture from obligatory books to obligatory museums The moral doing your own thing is more culturally enriching than doing the required thing **The Penn Commentary on Piers Plowman, Volume 4** Traugott Lawler, 2018-04-04 The detailed and wide ranging Penn Commentary on Piers Plowman places the allegorical dream vision of the poem within the literary historical social and intellectual contexts of late medieval England and within the long history of critical interpretation of the work assessing past scholarship while offering original materials and insights throughout The authors line by line section by section and passus by passus commentary on all three versions of the poem and on the stages of its multiple revisions reveals new aspects of the poem s meaning while assessing and summarizing a complex and often divisive scholarly tradition The volumes offer an up to date original and open ended guide to a poem whose engagement with its social world is unrivaled in English literature and whose literary religious and intellectual accomplishments are uniquely powerful The Penn Commentary is designed to be equally useful to readers of the A B or C texts of the poem It is geared to readers eager to have detailed experience of Piers Plowman and other medieval literature possessing some basic knowledge of Middle English language and literature and interested in pondering further the particularly difficult relationships to both that this poem possesses Others with interest in poetry of all periods will find the extended and detailed commentary useful precisely because it does not seek to avoid the poem s challenges but seeks instead to provoke thought about its intricacy and poetic
