Ecologies of Invention Andy Dong, John Conomos, Brad Buckley, 2018-08-30 Ecologies of Invention is the first collection of essays that brings together writers and scholars of international standing to examine assumptions underlying notions of inventiveness The writers explain how inventiveness borne out of aesthetic ambitions is impacting on and changing our culture and society describing the articulation of inventive capacities across disciplines and across multiple scales from personal capacities to the social spatial and network configurations that drive people to produce inventions

J.M. Coetzee and the Novel Patrick Hayes, 2010-08-12 Anti illusionism is I suspect only a marking of time a phase of recuperation in the history of the novel The question is what next J M Coetzee Patrick Hayes argues that the significance of Coetzee's fiction lies in the acuity with which it both explores and develops the tradition of the novel ranging from Cervantes Defoe and Richardson to Dostoevsky Kafka and Beckett's part of a sustained attempt to rethink the relationship between writing and politics For Coetzee questions about the future of the novel are closely related to what it means to write after Beckett and J M Coetzee and the Novel examines the ways in which his fiction discerningly assimilates the techniques of literary modernism to engage with some of the most troubling aspects of late twentieth century cultural and political life While Coetzee is rightly known as an intensely serious writer Hayes shows that the true seriousness of his writing is intimately bound up with comedy or to use the word Coetzee borrows from Joyce the

jocoserious Opening up a range of new approaches to this major contemporary author J M Coetzee and the Novel argues that it is only by paying especially close attention to the experience of reading Coetzee's finely nuanced prose that his distinctive impact on longstanding questions about identity community and the nature of political modernity can be appreciated 50
