Many Many Many Gods of Hinduism Swami Achuthananda, 2013-07-02 Religion is the opium of the people said Karl Marx many centuries ago For more than a billion people living in India and abroad Hinduism is the religion and a way of life In this multi award winning book Swami Achuthananda cracks open the opium poppy pods analyzes the causes for euphoria and comes away with a deeper understanding of the people and their religion Winner 2014 Next Generation Indie Book Awards Religious Non fiction This is a comprehensive book on Hinduism It tells you why Hindus do the things they do and don't Written in a casual style the book guides you through the fundamentals of the religion It then goes further and debunks a number of long standing myths some of them coming from the academia of all places While most books shy away from contentious issues this book plunges headlong by taking on controversies like the Aryan Invasion Theory idol worship RISA scholarship and many more In fact one third of the book is just on controversies that you rarely find in any other literature Other Awards Finalist 2014 Pacific Book Awards Religion Bronze 2014 IPPY Award Religion

House of Many Gods Kiana Davenport, 2008-09-30 From Kiana Davenport the bestselling author of Song of the Exile and Shark Dialogues comes another mesmerizing novel about her people and her islands Told in spellbinding and mythic prose House of Many Gods is a deeply complex and provocative love story set against the background of Hawaii and Russia Interwoven throughout with the indelible portrait of a native Hawaiian family struggling against poverty drug wars and the increasing military occupation of their sacred lands Progressing from the 1960s to the turbulent present the novel begins on the island of Oahu and centers on Ana abandoned by her mother as a child Raised by her extended family on the lawless Wai'anae coast west of Honolulu Ana against all odds becomes a physician While tending victims of Hurricane Iniki on the neighboring island of Kauai she meets Nikolai a Russian filmmaker with a violent and tragic past who can confront reality only through his unique prism of lies Yet he is dedicated to recording the ecological horrors in his motherland and across the Pacific As their lives slowly and inextricably intertwine Ana and Nikolai's story becomes an odyssey that spans decades and sweeps the reader from rural Hawaii to the forbidding Arctic wastes of Russia from the poverty stricken Wai'anae coast to the glittering harshness of new Moscow and the haunting faded beauty of St Petersburg With stunning narrative inventiveness Davenport has created a timeless epic of loss and remembrance of the search for family and identity and ultimately of the redemptive power of love

Walking in the Land of Many Gods A. James Wohlpert, 2013-04-01 How are we placed on Earth What is our relationship to the world around us and how Walking in the Land of Many Gods envisions a new way of thinking about the world one grounded in a moral imagination reconnected to Earth Insightful readings of three contemporary classics of nature writing Janisse Ray's Ecology of a Cracker Childhood Terry Tempest Williams's Refuge An Unnatural History of Family and Place and Linda Hogan's Dwellings A Spiritual History of the Living World are at the heart of Wohlpert's endeavor Powerful and affecting works like these reveal a pathway to a deeper remembering one that reconnects us with the primal forces of

creation and acknowledges the sacredness of the world We have forgotten that the world around us is rich and fertile and generative says Wohlpart His exploration of these literary works based on deep anthropology and Native American philosophy opens a pathway into a new way of thinking called sacred reason Founded on interdependence and interrelationship and on care and compassion sacred reason reminds us that divinity exists around us at all times We are invited to walk once again in a land filled with many gods **From Many Gods to One** Tobias Gregory,2024-05-31 Epic poets of the Renaissance looked to emulate the poems of Greco Roman antiquity but doing so presented a dilemma what to do about the gods Divine intervention plays a major part in the epics of Homer and Virgil indeed quarrels within the family of Olympian gods are essential to the narrative structure of those poems yet poets of the Renaissance recognized that the cantankerous Olympians could not be imitated too closely The divine action of their classical models had to be transformed to accord with contemporary tastes and Christian belief From Many Gods to One offers the first comparative study of poetic approaches to the problem of epic divine action Through readings of Petrarch Vida Ariosto Tasso and Milton Tobias Gregorydescribes the narrative and ideological consequences of the epic s turn from pagan to Christian Drawing on scholarship in several disciplines religious studies classics history and philosophy as well as literature From Many Gods to One sheds new light on two subjects of enduring importance in Renaissance studies the precarious balance between classical literary models and Christian religious norms and the role of religion in drawing lines between allies and others A Third Collection of Tracts, Proving the God and Father of Our Lord Jesus Christ, the Only True God; and Jesus Christ the Son of God, Him Whom the Father Sanctified and Sent, Raised from the Dead and Exalted. And Disproving the Doctrine of Three Almighty Real Subsisting Persons, Minds Or Spirits. Giving Also an Account of the Nominal Trinity ... Called by Schoolmen Persons; and of the Judgment of the Fathers and Catholick Church for the First 150 Years ,1695 In My Own Image Ivan Pasztor,2011-02-25 I have always wondered at the nature of God Why are we the way we are Why are there so many different types of people both in culture and physical appearance Why can the world seem so beautiful and harmonious and yet so like a garbled complex of organized inadequacies Why have there been so many gods Why did people once believe in a polytheistic deity and now so many in a single God Why do so many cultures have so many ideas as to what that one true God is Why is it essential that our one idea of God be the correct one Why can t each person s perception of God be unique and yet tolerable to all other people Why are some people sure there is a God Why do some people doubt And why are others very sure a God couldn t possibly exist If there is really a God did he truly create us in His image What exactly does it mean to be created in His image Do we mean physical appearance Or intellect Or free will *God and Evolution: Creativity In Action* Jock Abra,2015-01-20 Atheism this book argues is unbelievable The universe s wonders couldn t have come about by chance Natural selection alone doesn t produce evolution Therefore since evolution resembles the creative process especially in using trial and error God s creative activity is responsible and human creators reveal much about him However that process

is goal directed so evolution must be as well But the goal a Picasso or Darwin pursues is vague They don't know exactly where they're going and make mistakes and so therefore must God Thus Abra rejects the perfect God assumed by many religions and Intelligent Design Why bring back God To restore meaning and purpose to existence and faith's many benefits To better explain how the universe scientific laws and life itself came about and living things attractive but useless properties Other discussions clarify both creativity and the creative God Is there one kind of creativity or many A sex difference Are creators neurotic *The Workes of Iohn Boys, Etc* John BOYS (Dean of Canterbury.),1622 **MATTERS OF THE HEART** Patrick J Vaughan,2010-02-19 We need to learn to concentrate on our spiritual heart even more than we concentrate on our physical heart We need to learn to release and dig up the pain and sorrows that have cast away the person we were or the person we were to become There are over 900 specific scriptures in the Bible according to the Strong's Concordance dealing with the word heart The Bible talks a lot about the condition of the heart We are going to look at many conditions many insights and many examples of people of scripture that have dealt with and changed their hearts through faith and truth There is a spiritual battle going on right now for your spiritual heart There is a battle for your affection and your intimacy We are going to learn about the spiritual heart and how God can make us new whole and complete the way we are meant to be There are many matters of the heart spoke about in the Bible because the state of my heart and your heart really does matter
