He wrote *So You Want to Start a Nursery* to debunk myths about the ornamental plants nursery business and what it takes to succeed whether you're a backyard hobbyist or a wholesale grower. And he still has a clean arrest record. Assuming that the reader has some basic knowledge about how plants are grown Avent focuses on the business and planning concerns of the nursery owner. While recounting humorous stories of his baptism by fire as a beginning nurseryman Avent also provides a primer on the nursery industry as a whole with discussions of the merits and disadvantages of retail wholesale mail order and liner operations to name just a few. Readers of this book will obtain the tools they need to make a business plan of their own.
