Miracle from the Heart Irene Sonja Fanane, 2012-07-03 Miracle from the Heart shares the story of author Irene Sonja Fananes journey from a state of religious confusion to one of spiritual awakening and self empowerment This illuminating discovery of personal divinity and God unfolds as Irene Sonja opens herself up to telepathic communication with the Voice from beyond and the presence of guides and angels The book recounts a mystical adventure filled with metaphysical insights realizations and descriptions of countless experiences with the other side It is an inspirational story for those who seek spiritual enlightenment at levels beyond the conventional The inspired messages of spiritual awakening flow generously from the nonphysical world of unconditional love They reference the Bible including the apocalyptic prophecies and other prophetic sources from around the world They explain the ever growing awareness of Christ Consciousness the recognition and blending of the human mind with the Christ within that is the source of human happiness and fulfillment Miracle from the Heart offers an urgent message for the current planetary crisis and stresses the importance of understanding universal oneness as the only way to peace

A Gift from the Heart Mary Greeley, 2006-11 In America we have so many freedoms that we daily take for granted We go about our days never thinking of those men and women who serve in our military We never think of the sacrifices they make for us or that their families make for us Unless you are familiar with a member of the military you may not understand just how much they give After a war or even during one military personnel and their families do their best to make sure that those freedoms stay in place Time together is often sacrificed for training missions or when orders come through for their services away from family Bravely they step forward and follow orders they receive They do their duty with honor and with the courage they each have to make sure that we who live here and the generations to come may have the same freedoms they grew up with and enjoyed It is simply their daily gift to us This book not only shares what life is like in many ways for those who have ever served but it is also a way to say thank you We owe them all so much and hopefully this book will lovingly explain why their simple gift to all of us is given so freely

Poetry from the Heart Violet M. Laasch, 2011-01-11 Each poem a reflection of that which God gave me in dreams and while in storms All through my life the most important things to me was and are still today my faith in God and family I know without God I'd not be who I am today All my praise and glory go to God and God alone Yes my familys backing me in all I do but Gods strength in my life keeps me pressing on and helps me to do that which I believe is my calling in life So as you read

each poem you'll be reading a piece of my life in which I wrote while going through a storm in which God saw me through So I hope through my words you too will find strength and encouragement in your lives as well when in storms *How could he help it?
