The Mau Chronicles : Murder in Manhattan Beth Planten,2011-08-31 When morning came Sandy was awakened by the phone ringing Both Kodie and Miracle bounced up out of bed and ran before Sandy to the phone stand It was David He said Sandy would you be able to meet me at Halls Auto Repair this morning The mechanic found something interesting about the car relating to the accident and he wants to talk to us both Sandy told him Sounds good Let me get a shower and get dressed Is 11 00 this morning a good time to be there David replied Yes that would be great I am very curious about what the mechanic has to show us and I will meet you there As Sandy was taking her shower she was having all kinds of thoughts about what the mechanic had found wrong with the car that may have been a contributor to the car accident why Kim acted the way she did at the hospital with the avoidance of answering the questions Sandy and David were asking her who the young tall dark and handsome cousin named Richard Sharp actually was and why he was hanging around Kim so much flirting with her and making her laugh Sandy remembered Kim getting all upset and flustered during the questioning process though begging off to be allowed to rest because she was too tired to continue Yet from Sandys acute observations upon her and David first arriving there Kim wasnt tired at all when Richard was there which made Sandy think to herself Hmmmmm how weird is that Then there was Brett the small son Kim gave Stephen and Stephen himself in ICU on life support whom she seemed to pay little mind to Sandy found this very odd about the behavior Kim was currently displaying as well since most mothers and wives would be very worried about their children and husbands wondering how they are doing asking about them at every chance they could etc This made Sandy wonder to herself if Kim had even bothered to step out of her hospital room at all away from Richard long enough to check on her husband and son in their own hospital rooms All of these flashback thoughts about the hospital interrogation made Sandys strong intuition tell her that something wasnt co sure at all about anything regarding this case She now understood why the sheriffs department called her and wanted her and David to do a more thorough investigation because they also knew that something wasnt quite matching up with the statements they have gotten from Kim who was the only one awake lucid and could give a testimony With this last thought in mind Sandy got dressed and stepped out the door to meet David at the garage where the car was In the meantime she was praying while driving Lord I hope Im wrong and that

this isnt what Im suspecting that there is wrong with Stephens car that may have been done purposely Even though things didnt end well with us in our divorce I do not wish any ill on him and hope he will be ok soon if for nothing else but his sons sake David waited at Halls on Sandy to arrive and met the mechanic named Jake Foreman who also waited on Sandy to get there Jake had been speaking to David and told him You both are going to be very interested in what I found and I hope it will help your case David replied We want a full report about what you have found after you tell us Jake said Yessir No problem at all Anything I can do to help you to solve the case I am very happy to do David immediately liked Jake Jake seemed to be a hard working honest man who was more than willing to help and David was glad of that because that is what would be needed to get the case resolved When Sandy arrived both of them went inside the garage with Jake who had the car up in the air on the rack Jake said The car is totaled as you may have noticed and cannot be repaired But the most interesting thing I have found is underneath here Jake pointed to a certain place under the bashed in front of the car and said Take a very close
