So Sieht Es Lurie 19701980:

Dictionary of British Cartoonists and Caricaturists Mark Bryant, Simon Heneage, 2022-01-25 Originally published in 1994 this dictionary provides a unique who's who of the major figures in the world of British cartoons and caricatures. It was the first book to encompass the entire field from c 1730 when Hogarth published the first of his modern moral pictures to 1980. In addition to describing the careers and achievements of the artists and the characteristics of their styles more than 500 entries give details of their publications, their illustrations to books and periodicals, exhibitions of their work, public collections in which their work is represented and literature on or referring to them. More than 150 illustrations are included. This is a comprehensive reference work and will be of interest to social and political historians as well as cartoon and caricature enthusiasts.

Dictionary of Twentieth-Century British Cartoonists and Caricaturists Mark Bryant, 2022-07-08 British cartoonists and caricaturists are renowned worldwide. Originally published in 2000, this indispensable handbook offers a unique who's who of all the major artists working in Britain in the twentieth century and contains nearly 500 entries. Extensively illustrated, the book provides information on the work of artists such as Steve Bell, Gerald Scarfe, Posy Simmonds, Ronald Searle, Trog Mac and Larry, as well as such past masters as David Low, Vicky, H. M. Bateman, Illingworth Heath Robinson, and more. The dictionary concentrates primarily on political cartoonists, caricaturists, and joke or gag cartoonists actively working for the main Fleet Street national dailies and weeklies from 1900 to 1995. Each entry is cross-referenced and provides a concise biographical outline with an account of the artist's style, influences, and preferred medium. Where relevant, the entry includes suggestions for further reading and notes solo exhibitions, books illustrated, and works held in public collections. The *Dictionary of Twentieth-Century British Cartoonists and Caricaturists* offers an insight into the lives of satirical artists working during a century that provoked cartoonists and caricaturists to a pitch of comic and artistic invention that has rarely been matched.
