

Dear Fork,

I understand that we haven't spoken
since I ran away with dish, but I thought
you should know that you have a son.
His name is spork. He has your hair.

Sincerely,
Spoon

So That'S How It Is The Commoner, 2018-04-11 The first chapter is an annotated autobiography of the author to introduce the reader to the background that the author is drawing from for his conclusions He is a working class a commoner no silver spoon here He spent most of his life struggling to make ends meet while working in the private sector and then in the final years of his work life he worked in the public sector and got involved in the labor movement and politics where the political work was done The revelations of his findings will probably not going to win him any friends within either party because as the book discloses nobody has clean hands including the people that go to the polls or sit at home and throw stones at the gladiators The book throws stones at everybody including himself The books suggests where we as a people began to go wrong and stray from the path our ancestors laid out for us It is the books assertion that our nation is in decline because our culture has been compromised and is in decline Its purpose is to strike a note toward fixing our problems starting in the home
