Soccer Ian Plenderleith, 2015-09-22 A Big Hair and Plastic Grass for soccer fans this raucous history recounts the hype and
 chaos surrounding the rapid rise and cataclysmic fall of the NASL **Soccer Circus** , **Soccer in Spain** Timothy J.
 Ashton, 2013-09-12 Soccer has the unique ability to represent and strengthen different cultural identities and ideologies
 throughout the world Perhaps nowhere can this be seen more prominently than in Spain which has surged to the forefront of
 the world s most popular sport The national team has won the last two European Championships and the 2010 World Cup
 while the two preeminent club teams in Spain Real Madrid and FC Barcelona have reached the semifinals of the UEFA
 Champions League in 2011 2012 and 2013 Even before the sport became a global phenomenon soccer had established a
 strong connection with Spanish identity and culture In Soccer in Spain Politics Literature and Film Timothy J Ashton
 examines the sport s association with Spanish culture and society In this volume Ashton demonstrates how Spain s soccer
 clubs reflected the politics of the region they represented and continue to reflect them today The author also explores the
 often tenuous relationship between the intellectual classes and the soccer community in Spain Although some of the country

s most highly praised literary figures had a passion for soccer which was often reflected in their work many intellectuals deemed the topic unsuitable for critical study Ashton also discusses how soccer films faced a similar rebuff from Spanish intellectuals though the popularity of these films has grown in recent years As soccer continues to be one of the modern world s most significant representations of globalization its importance as a cultural touchpoint cannot be ignored For anyone wanting to learn more about the relationship between soccer politics and popular culture this volume offers critical insights Soccer in Spain is a valuable read for students and scholars of Spanish political history literature film and sport
