that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now **Kids Soccer Training** Thomas

Staack,2025-10-23 Learn how coaches can create effective kids soccer training including 50 games and drills and complete sample training sessions **Coaching Under 10s** Tino Stoop,2004-04 These books from the Dutch Soccer Association lay out complete season coaching plans for coaches of U 8s U 10s U 12s Included are characteristics of players at each stage and what to expect in terms of performance and behavior The Dutch method at all levels is based on a Circuit Model which emphasizes small groups repetition and maximum ball contacts *Soccer Drills* David Smith,2014-09-30 Soccer Drills provides a wide variety of training drills for all levels of youth and adult soccer teams Each drill is broken down into step by step diagrams with possible variations on each drill given making the book a valuable resource for coaches The book is structured by drills according to age and skill level providing progressive training for teams A comprehensive resource this collection of 190 soccer drills practices and games is one of the most extensive ever produced covering all age groups and skills required Each drill has been rehearsed and refined over a period of many years and they are proven to work in developing skills and teamwork with players of all levels of ability Superbly illustrated with 582 step by step drill diagrams
