Skills & Strategies for Coaching Soccer Alan Hargreaves,2009-09-28 The key to successful coaching is preparing your players to make intelligent decisions on the field For years the best selling Skills Strategies for Coaching Soccer has helped coaches of every level do just that Now soccer s premier coaching resource has been updated and expanded to provide you with more insights into developing individual talent team tactics and winning play Skills Strategies for Coaching Soccer provides you with over 125 drills for teaching skills and techniques You ll also learn how to develop these skills in realistic game situations with beginning intermediate advanced and all star players Essential skills are presented including collecting and controlling passing dribbling kicking heading and goalkeeping You ll then apply those individual skills with attacking and defensive tactics team formations and set pieces With Skills Strategies for Coaching Soccer you ll learn the what how and why of soccer through these essentials Over 125 drills for beginning intermediate advanced and all star players Progressing basic drills into realistic competitive situations Tactics in attack and defense Tactics in set plays Team management Mental and physical preparation for games Handling problem players and parents Fitness and conditioning Preparing and developing coaching sessions Establishing a coaching philosophy Skills Strategies for Coaching Soccer is an invaluable guide for coaching any team in any setting The best team doesn t always win but it usually does *Intelligent Soccer Training* Fabian Seeger,Andree Fincke,2020 Intelligent Soccer Training is the follow up book to the Soccer Games and Drills Compendium 350 Smart and Practical Games to Form Intelligent Players In this companion you will find 150 training exercises that teach the basic tactical and technical skills of modern soccer including running behavior running chasing and catching ball techniques ball control dribbling first touch control passing and shooting group tactics various games entries as well as how to improve action speed and game intelligence With its wide range of information the book is useful for all playing ages and performance levels **Rondo Soccer Drills** Chest Dugger,2021-06-12 Have you wondered how Pep Guardiola s teams have dominated European leagues for the last two decades Not only is the answer simple it s something that you can use to take your game and your team s game leagues above your opposition The key to Pep s success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they ve helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved

the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book
