Social Capital A Multifaceted Perspective

John D. Montgomery, Alex Inkeles

Social Capital A Multifaceted Perspective:

Social Capital Partha Dasgupta, Ismail Serageldin, 2000 This book contains a number of papers presented at a workshop organised by the World Bank in 1997 on the theme of Social Capital Integrating the Economists and the Sociologists Perspectives The concept of social capital is considered through a number of theoretical and empirical studies which discuss its analytical foundations as well as institutional and statistical analyses of the concept It includes the classic 1987 article by the late James Coleman Social Capital in the Creation of Human Capital which formed the basis for the development of social capital as an organising concept in the social sciences *Social Capital* Partha Dasgupta, Ismail Serageldin, 2000 It is an outgrowth of a workshop held at the World Bank in April 1997 which was devoted to exploring the concept of social capital through a multidisciplinary forum **BOOK JACKET** **Social Capital** Viva Ona Bartkus, James H. Davis, 2010-01-01 For this book Bartkus and Davis assembled the social capital equivalent of the New York Yankees slugger's row of the 1950s recruiting some of the best Hall of Fame hitters around along with a number of future stars still early in their careers The result is a good reflection of the current state of the literature on social capital Robert D Putnam Harvard University US Social capital is widely used and sometimes mis used by scholars policymakers and the general public The time has come for thoughtful reflection synthesis and informed criticism regarding this important concept Bartkus and Davis have developed a ground breaking collection of essays exploring the ideas and evidence underpinning social capital Denise M Rousseau Carnegie Mellon University US At heart social capital is a simple concept that relationships matter Bartkus and Davis foster a vibrant debate among leading scholars as to the critical definition creation and consequences of social capital I commend Bartkus and Davis for their interdisciplinary efforts for there is no more important challenge facing the social sciences today than the exploration of trust and social capital in our society Father Theodore Hesburgh University of Notre Dame US Social capital has taken the social sciences by storm yet remains fraught with controversy Despite its complexity and conceptual difficulties the persistent interest in social capital arises from the fact that it helps us make sense of why people do what they do This book showcases new innovative research in economics politics sociology and management regarding the topic Leading scholars from a variety of disciplines present ground breaking new research exploring the still undiscovered value of social capital The book employs a self consciously multi disciplinary approach to address two objectives reaching out and reaching in Through theoretical and empirical scholarship the authors explore the many contexts in which the phenomenon can have impact In effect social capital research reaches out to issues of economic well being civic participation educational achievement knowledge and norm formation and competitive advantage Further the authors investigate the many connections between the core themes of social capital and the pillars on which it rests including structural networks cognition relationships and trust This book is fundamentally about bridging bridging across disciplines units of analysis and themes Scholars students and other interested readers from the social sciences and management will find this book

challenging and illuminating *Understanding and Measuring Social Capital* Christiaan Grootaert,Thierry Van Bastelaer,2002 This work details various methods of gauging social capital and provides illustrative case studies from Mali and India It also offers a measuring instrument the Social Capital Assessment Tool that combines quantitative and qualitative approaches *Assessing Social Capital* Rosalind Edwards,Jane Franklin,Janet Holland,2009-01-23 Social capital is a key concept in academic research and policymaking internationally It focuses attention on social relationships values and access to resources in families communities regions and nations But does the concept with its focus on particular aspects of social life and the thrust of its influence on policy initiatives hide more than it illuminates Is it even harmful Can social capital ideas be amended or adapted to bring other issues into view or are there alternative concepts that are better able to address contemporary social economic and political life This edited collection brings together contributions including from internationally renowned researchers that assess social capital as a theoretical concept its shaping of policy development and its practices in research and everyday life Some reveal the conceptual lacks and policy drawbacks of social capital and put forward alternatives Others pursue mainstream models and their adaptation *Creation and Returns of Social Capital* Henk Flap,Beate Völker,2004-08-02 The idea of a social capital research program has become increasingly significant within the social sciences This collection of essays contributes to a theoretical integration as well as standardization of measurement instruments and co ordination of empirical research on the significance of social capital *Social Capital in Hong Kong* Sik Hung NG,Stephen Yan-leung CHEUNG,Brahm PRAKASH,2011-01-01 Given the rapid pace at which the Hong Kong Special Administrative Region HKSAR and other Asian economies are growing and the global volatility that these societies are experiencing social capital and its divers connectivities can furnish useful anchoring to communities neighbourhoods local governments and social protection networks This book provides a critical analysis of social capital its indigenous evolution and spread in HKSAR Some of the experiments and activities narrated in this book indicate the ingenious blending of the local ethos and culture with modern organisational forms and information networks BACK COVER *Beyond Social Capital* Irene van Staveren,Peter Knorringa,2007-12-13 China is poised to gain global importance as a growth engine for the world economy on a par with Europe and the USA Japanese multinational enterprises are increasingly active in relocating to China their R D and capital and knowledge intensive production for both export platform and target market reasons It is at the juncture of the growing **The Handbook of Social Capital** Dario Castiglione,Jan W. van Deth,Guglielmo Wolleb,2008-04-17 Social capital is a relatively new concept in the social sciences In the last twenty or so years it has come to indicate that networks of social relationships represent a resource for both the individual and society since they provide support for the individual and facilitate collective action Although this is not an entirely new idea the more systematic way in which social capital captures such an intuition has created a new theoretical paradigm and helped to develop a series of innovative research programmes in politics economics and the study of human well being The concept has gained currency

beyond academia extending its influence to political and policy making circles at local national and international levels It has also affected the way in which social surveys are conceived and public policies assessed As the idea of social capital has spread the literature about it has increased exponentially After twenty years of rapid expansion it is time for a more considered and critical assessment of how the original concept has been adapted and refined and how successful its application has been The Handbook of Social Capital intends to do precisely that It offers a state of the art view of discussions about the concept of social capital and the way in which it has been applied in empirical research The organization of the Handbook reflects this intention by focusing on conceptual development and analysis in the first part by identifying two main areas of research in which social capital has favoured the development of new and influential research programmes political participation in democratic societies and economic development and by exploring the more normative and policy oriented consequences of social capital All chapters comprising the volume were specifically written for the Handbook by some of the main experts in the fields The book provides authoritative and innovative introduction to the study of social capital

Global Perspectives on Social Capital and Health Ichiro Kawachi, Soshi Takao, S.V. Subramanian, 2013-07-06 This book is a follow up to Social Capital and Health 2008 edited by Kawachi Subramanian c cutting edge directions for social capital research including studies of the origins of community social capital the use of social network analysis to investigate social capital and novel methods for investigating the link between social capital and crime Part 2 Social capital and health policy The three chapters in this section highlight implications of social capital for interventions and health policy Part 3 Social capital and health in global perspective The four chapters in this section look at research on social capital and health from a global perspective The authors summarize the empirical studies on social capital and health conducted in each country region or each population group discuss how the concept of social capital translates across different cultures and identify challenges and future directions for research

Social capital and cooperation Wendy Janssens, 2007 *Social Capital as a Policy Resource* John D. Montgomery, Alex Inkeles, 2013-03-14 Social Capital, Resilience and Adaptation on Small Islands Jan Petzold, 2017-03-24 The book deals with the role of social capital regarding its potential to increase small islands adaptive capacity to climate change The case study of the Isles of Scilly UK shows how social structures can play a very important role for climate change adaptation It is argued that social features have to be understood in a non deterministic and potentially ambivalent manner according to their place specific geographical cultural and historical context Only then risk management and adaptation strategies can succeed and function in a sustainable way The findings have relevance for the further refinement of social capital theory and social emergence Combined with the perspective of resilience this approach is also relevant from a policy standpoint given that small islands have been identified as hotspots not only due to their vulnerability but also because they serve as examples for media and politics to advance the agenda of environmental protection

Social Capital and Local Water Management in Egypt Dalia

M. Gouda,2016-11-02 From the 1980s onward billions of dollars were poured into irrigation improvement programs in Egypt These aimed at improving local Nile water management through the introduction of more water efficient technology and by placing management of the improved systems in the hands of local water user associations The central premise of most of these programs was that the functioning of such associations could rely on the revival of traditional forms of social capital social networks norms and trust for their success Social Capital and Local Water Management in Egypt shows how the far reaching social changes wrought at the village level in Egypt through the twentieth century rendered such a premise implausible at best and invalid at worst Dalia Gouda examines networks of social relationships and their impact on the exercise of social control and the formation of collective action at the local level and their change over time in four villages in the Delta and Fayoum governorates Outlining three time frames pre 1952 1952 73 and 1973 to the present and moving between multiple actors farmers government officials and donor agencies Gouda shows how institutional and technological changes during each period and the social changes that coincided with them yielded mixed successes for the water user associations in respect of water management Social Capital and Local Water Management in Egypt is essential reading for anyone working in the field of community based natural resource management in Egypt including policymakers and practitioners donor agencies and civil society organizations as well as anthropologists and sociologists **Social Capital, Corporate Social Responsibility, Economic Behaviour and Performance** L. Sacconi,G. Antoni,2010-12-13 This book focuses on the concepts of social capital corporate social responsibility and economic development in relation to economic theory of institutions and behavioural economics It also takes a macroeconomic and empirical approach on the relationship between social capital ethical behaviour and economic development **Social Capital** John Field,2004-06-02 The term social capital is a way of conceptualizing the intangible resources of community shared values and trust upon which we draw in daily life It has achieved considerable currency in the social sciences through the very different work of Bourdieu in France and James Coleman and Robert Putnam in the States and has been taken up within politics and sociology as a means of explaining the decline of social cohesion and community values in many Western societies This concise introduction the only one currently available explains the theoretical underpinning of the subject the empirical work that has been done to explore its operation and the effect that it has had on policy making particularly within such international governmental bodies as the World Bank and the European Commission With genuine cross disciplinary appeal this exceptional book will be of great interest to students of sociology politics and social policy *Social Capital and Economic Development* Jonathan Isham,Thomas Kelly,Sunder Ramaswamy,2002-01-01 The chapters in this volume explore the challenges and opportunities raised by this concept for researchers practitioners and teachers Social Capital and Economic Development is based upon a consistent policy based vision of how social capital affects well being in developing countries **Modern Developments In Behavioral Economics: Social Science Perspectives On Choice And Decision Making** John Malcolm Dowling,Chin-fang

Yap,2007-09-04 This book examines the field of behavioral economics and provides insights into the following questions The book looks at decision making and behavior from the point of view of i individual behavior and choice ii group and interactive choice and iii collective choices and decision making In particular it covers the following aspects instances when bounded rationality leads to decisions inconsistent with standard economic assumptions risk and the processes by which investors and consumers make decisions altruistic and cooperative behavior as alternatives to competition game theory as a way to explore motives of cooperation versus competition the determinants of happiness and the relationship between utility and well being the concept of social capital including motivations for charity and being a responsible citizen how trust and fairness relate to economic actions and the motivation to cooperate rather than compete behavior such as crime corruption and bribery from ethical social and economic viewpoints and finally the decision making process of collective choice and how societies develop rules for governing themselves This is the first book to bridge economics psychology sociology and political sciences and explain the nuanced subtleties of decision making Cross-Driven Institutional Resilience Throstur Olaf Sigurjonsson, José

M. Ruano, Alina Georgiana Profireoiu, Saule Maciukaite-Zvinienė, Kosjenka Dumančić, 2023-08-01 This book presents a series of studies on organizations across Europe displaying new perspectives on institutional resilience of affected governance structures during crisis Such an approach to governance studies not only aims to provide readers with conceptual and practical knowledge on crisis experience of organizations but also to equip them with necessary cognitive tools to perform well in a similar crisis context in the future The book highlights knowledge on institutional resilience and delivers an enduring resource for researchers and students on a time of unprecedented crisis Cross national sectorial interdependences in Europe are multiplying while institutional reaction and international collaboration mechanisms are falling behind The studies presented here aim to shape a conceptual understanding of students academics and practitioners considering these contemporary challenges and opportunities They provide a valuable resource in the field of governance sustainability crisis management innovation and leadership *Ethics and the Market* Betsy Jane Clary, Wilfred Dolfsma, Deborah M.

Figart, 2006-09-27 Comprising cutting edge work on the state of social economics today this theoretically diverse book includes strong emphasis on the role of ethics morality identity and society in economic theorizing Much existing economic theory overlooks ethics Rather than situating the market and values at separate extremes of a continuum *Ethics and the Market* contends that the two are necessarily and intimately related This volume brings together some of the best work in the social economics tradition with strong contributions and pedagogy and a cross national blend of economics philosophy and policy The contributors embed the economic within the social rather than viewing the economy and society as separable spheres of life activity and in so doing three key themes are illuminated corresponding to the volume's tripartite structure *Morality and Markets Redefining the Boundaries of Economics* Social Economics in Transition *Ethics and the Market* illuminates the diverse and dynamic theoretical approaches that are employed in social economics reflecting on their

continuously evolving relationship with neoclassical economics Taking an innovative approach this integrative book challenges traditional ways of thinking and will prove vital reading for students and academics in the fields of Economics Sociology Gender Studies and Public Policy

This is likewise one of the factors by obtaining the soft documents of this **Social Capital A Multifaceted Perspective** by online.
