Social Budgeting Quantitative Methods In Social Protection S:

Financing Social Protection Michael Cichon, International Labour Office, International Social Security Association, 2004
This publication considers the range of financing options available for the design of cost effective and equitable social welfare systems giving a thorough analysis of their advantages and disadvantages and their financial and economic implications Written by practitioners for practitioners the book discusses the design and maintenance of national social protection systems that seek to ensure effective and efficient use of available resources at the community national and international levels while supporting long term economic development The book explores theoretical and practical policy questions as well as looking at the policy process that determines the affordable levels of and scope of social protection in a given country

Social Budgeting Wolfgang Scholz, Krzysztof Hagemeyer, Michael Cichon, International Labour Office, 2000
The first part of the book provides designing a social accounting system The second part shows how the relationships between the economy and the social protection system can be translated into a quantitative model which permits projections and simulations to be carried out Includes two concrete country applications

The Social Budget of Germany Wolfgang Scholz, 2009
Addresses core issues of the future financial affordability of the German welfare state Considers the public retirement system public health and long term care insurance unemployment insurance and subsistence allowances and family benefits Includes developments since 1960 and projections of the population situation to the year 2070

Activities of the ILO, 1998-99 International Labour Office, 2000
Sixth European Regional Meeting, Geneva, December 2000: Decent work in Europe and Central Asia : ILO activities 1995-2000, 2000
Transition in Central and Eastern Europe has led to more varied results and in most countries political transition is well ahead of economic restructuring The consolidation of democratic institutions by no means generated rapid economic gains and some of the expectations at the beginning of the 1990s were far too optimistic

Handbook on Social Protection Systems Schüring, Esther, Loewe, Markus, 2021-08-27
This exciting and innovative Handbook provides readers with a comprehensive and globally relevant overview of the instruments actors and design features of social protection systems as well as their application and impacts in practice It is the first book that centres around system building globally a theme that has gained political importance yet has received relatively little attention in academia

Actuarial Practice in Social Security Pierre Plamondon, 2002
The actuarial analysis of social protection schemes is a challenge that requires a balancing act between the demographic economic financial and actuarial fields This text provides a practical tool to enhance and modernize social protection systems while maintaining this balance
