worldwide album sales in excess of 40 million copies the durability of their songs has made Becker and Fagen one of the most celebrated writing partnerships in popular music With Walter Becker's untimely death in 2017 Donald Fagen continues to keep the band's flame burning on stages around the world Steely Dan on track gives an overview of the band's career while investigating every track recorded across the nine Steely Dan studio albums It also covers Becker and Fagen's six solo records plus the official live albums and joint collaborations The book also delves into duo's early largely unreleased recordings and other tracks recorded under the Steely Dan name making this a comprehensive guide for both fans of the band's work or newcomers to the fascinating world of this unique partnership A music fan for as long as he can remember Jez Rowden worked in record shops for many years absorbing music of all kinds He enjoys many genres and has been involved in writing album and concert reviews mostly within the progressive rock field for nearly fifteen years He also acted as editor for the Dutch Progressive Rock Pages website and more latterly The Progressive Aspect which he helped found in 2013 The music of Steely Dan fascinated him from first hearing the appeal growing stronger as the years go by An avid concert goer he lives in Swansea UK

Encyclopedia of Classic Rock David Lührssen, Michael Larson, 2017-02-24
Examining one of the most popular and enduring genres of American music this encyclopedia of classic rock from 1965 to 1975 provides an indispensable resource for cultural historians and music fans More than movies literature television or theater rock music set the stage for the cultural shifts that occurred from 1965 to 1975 Led by The Beatles and Bob Dylan rock became a self-conscious art form during these years daring to go places unimaginable to earlier rock and roll musicians The music and outspokenness of classic rock artists inspired and moved the era's social cultural and political developments with a power once possessed by authors and playwrights and influenced many artists in younger generations of rock musicians This single volume work tracks the careers of well-known as well as many lesser-known but influential rock artists from the period providing readers with a handy reference to the music from a critical groundbreaking period in popular culture and its enduring importance The book covers rock artists who emerged or came to prominence in the period ranging 1965-1975 and follows their careers through the present It also specifically defines the term classic rock and identifies the criteria that a song must meet in order to be considered as within the genre While the coverage naturally includes the cultural importance and legacy of most well-known American and British bands of the era it also addresses the influence of artists from Western and Eastern Europe Africa Asia and Latin America Readers will grasp how the music of the classic rock era was notably more sophisticated than what preceded it an artistic peak from which most of contemporary rock has descended
