hot months comes to an end their meetings become more difficult to conceal Stella begins at the end at Stella Petersen's memorial service where Christian relives the memories he shared with his first love There is nothing salacious about their relationship nor is it just a case of a teenager's crush on his teacher Their affair changes both Christian and Stella allows them to expand their views and pushes them out of social and familial constraints Theirs is a tender love story of a time and yet speaks to any time it is actually through death that their love is transformed The sparseness of Siegfried Lenz's narrative is reminiscent of the existential stringency of Ernest Hemingway Only a master stylist of his standing could compose such a story that is equally modest and powerful a work that leaves a lasting authentic impression and that strives to comply with W H Auden's famous request Tell me the truth about love      The American Hereford Record and Hereford Herd Book
