Onet,2010-05 Dr George E Onet and his wife Virginia both veterinarians working in Romanian academia managed to escape from an oppressive regime back in 1985 asked for political asylum in the United States and they lived in this country ever since In a succession of extraordinary events the author describes how he and his wife after having been repeatedly denied tourist visas to visit Greece decided to defect to West Europe leaving behind their beloved family members their belongings their reputable social positions In pursuit of freedom and happiness they were confronted with a lot of difficulties unpredictable events and went through many emotionally critical moments *Washington News Letter* ,1905 **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles **365 Level steps Volume 2: Masonic Meditations for Every Day of Another Year** Jonti Marks,2025-01-31

This second compilation of books from the Masonic Meditations series brings together the full texts of Distant Peaks Travelling light and Widow s Sons as well as selections from Blessings of Peace Once again the author has set out to present a work that will accompany every mason through a full year of deep contemplation of the spiritual aspects of our beloved craft and which will be a vehicle for a daily advancement in meaningful and heartfelt knowledge **Friedrich Schiller Poet of Freedom Volume III** Friedrich Schiller, Helga Zepp-LaRouche, Friedrich Schiller the great German classical poet and friend of the American Revolution assigned to art the task of ennobling the spirit of Man especially at those times when political circumstances are most unfavorable men most degraded and when the qualities of genius are most urgently required to find a way to avert political catastrophe Reading Schiller s poetry as well as his historical philosophical and aesthetic works has precisely the effect on the sensitive reader of which Schiller informed us to produce in the reader an ennobling power which then continues to exist long after the reading is done This is volume 3 of the four volume collection of translations Volume 3 includes Schiller Institute English translations of the following The Virgin of Orleans a drama about the life of Joan of Arc Introduction to The History of the Revolt of the Netherlands Against Spanish Rule Homage to the Arts The Diver Philosophical Letters On the Sublime On Naive and Sentimental Poetry *The Rugged Road to Freedom* Joy Brewster, 2006 As Christians we claim to have found freedom in Jesus Christ Yet under the surface most Christians would admit that they still struggle with many negative habits habitual emotional reactions destructive thoughts wrong attitudes addictive behaviors and deeply rooted relational patterns Many suffer with a mounting frustration and a sense of failure wondering if there is truly power to change in the gospel The Rugged Road to Freedom heralds the need to address these habits as they occur in the moments of the day illustrating the transformative power of prayer and the need for a conversational relationship with God In this book Christian counselor Joy Brewster describes her great difficulty in trying to make changes in her own personal habits and also in her efforts as a professional relationship counselor to enable her clients to change After searching prayer she began to develop and practice both personally and professionally a Put Off Put On process she saw in many passages of Scripture developing three steps in each part This process she realized was effective only when she encountered God in very personal relational prayer in each step Relating her own experiences those of her clients and those of her students she seeks to convince the reader that this prayer process can bring about true change mounting freedom and vastly enriched daily fellowship with God I write a lot of these but few with this much enthusiasm I have had the privilege for almost eight years to walk alongside Joy in life and work alongside her in ministry She has been a friend and a mentor and I have both tasted and seen her wisdom I have witnessed her take hundreds of people through the process described in Rugged Road and watched over and over genuine transformation take place the blind see the deaf hear and freedom is proclaimed to the captives I myself have been deeply helped by her Maybe most convincing of all Joy s own life is a work of ongoing transformation She knows that of which she speaks Now her gift is in your hands Mark Buchanan
