Stephen Crane By Cady Rdwin H

George Monteiro

Stephen Crane By Cady Rdwin H:

My Stephen Crane. Edited with an Introduction by Edwin H. Cady. [With Portraits.]. Corwin Knapp LINSON, 1958

The University of Virginia Edition of the Works of Stephen Crane Stephen Crane, 1973 Stephen Crane's Blue Badge of Courage George Monteiro, 2000 In considering the whole of Crane's writing Monteiro interrelates the various texts and vividly presents their cultural contexts structuring his study around the primary natural and social settings that uniquely characterize Crane: the city, warfare, the frontier, and shipwreck at sea. By taking an unprecedented inventory of those religious readings, songs, and recitations the young Crane imbibed and tracing their permeation of his writerly imagination, Monteiro deepens our understanding of the meaning and purpose of Crane's work and fosters new appreciation for his immense but short-lived creative faculty. Jacket

Student Companion to Stephen Crane Paul M. Sorrentino, 2005-11-30 Born into a family of writers, Stephen Crane wrote his first poem "I'd Rather Have" when he was eight and his first short story "Uncle Jake and the Bell Handle" at around the age of 13. Despite never having completed a course of study at any of the colleges he attended, Crane decided in the spring of 1891 to pursue a career as a writer. While working as a journalist, he penned "Maggie: A Girl of the Streets," a novella written in the Naturalist style that depicted the seaminess of urban tenement life. Enduring his own poverty and taking temporary reporting jobs, Crane completed his literary masterpiece "The Red Badge of Courage," a dramatic depiction of a soldier's inner life during the American Civil War, in April 1894. The author, who continued to write both journalistic pieces and short stories until his death in June 1900, is one of the most highly regarded and popularly taught American authors today. Stephen Crane pursued his writing career during a time when the literary world was moving from Romanticism to Realism and Naturalism, and later in his life, Impressionism and Modernism. Sorrentino examines each of Crane's works, identifying the influence of these literary movements and world events on his novels, short stories, and poetry, including "Maggie: A Girl of the Streets," "New York City Stories and Sketches," "The Red Badge of Courage," "War Stories," "Western Stories," and "Tales of Whilomville."

A Study Guide for Stephen Crane's "War Is Kind" Gale, Cengage Learning, 2016 A Study Guide for Stephen Crane's "War Is Kind" excerpted from Gale's acclaimed "Poetry for Students." This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust "Poetry for Students" for all of your research needs.

Stephen Crane Jean Cazemajou, 1969 Surveys the life and literary career of the American author, focusing on his religious imagery, linguistic styles, and thematic innovations.

Stephen Crane, Journalism, and the Making of Modern American Literature Michael Robertson, 1997 This critical study of Stephen Crane's journalism examines the climate of change that had begun to blur the line between non-fiction writing and fiction in Crane's era and provides insight into the masculine aesthetic Crane championed in his urban reportage, travel writing, and war correspondence.

A Stephen Crane Encyclopedia Stanley Wertheim, 1997-10-28 The publication of "The Red Badge of Courage" in 1895 brought Stephen Crane

instant fame at age 23 At 28 he was dead In the brief span of his literary career Crane enjoyed a significant measure of renown as well as notoriety but his reputation rested almost entirely upon his war novel and he felt that his talent had ultimately been misjudged From his adolescence until his death Crane was a professional journalist To this day most educated American readers know him only as the author of the most realistic Civil War novel ever written three or four action packed short stories and a handful of iconoclastic free verse poems Crane was befriended and admired by some of the most important literary figures of his time such as William Dean Howells Willa Cather Joseph Conrad Henry James and H G Wells He has also been called a realist a naturalist an impressionist a symbolist and an existentialist This reference book provides a more complete picture of Crane s short but furiously creative life and encourages a more extensive appreciation of his works The volume includes hundreds of entries for members of Crane s immediate and extended family close friends and associates educational institutions that he attended places where he resided publishers and syndicates by whom he was employed literary movements with which he is usually associated and the works of fiction poetry and journalism that he wrote Thus the book shows that he was a pioneer in the development of a number of genres in modern American fiction and poetry that he was the first literary chronicler of the burgeoning slums of urban America who refused to sentimentalize his materials that his Western stories reveal the steady retreat of the American frontier before the encroachments of a modern Europeanized civilization and that his short stories and poems engage a number of enduring themes Many of the entries cite works for further reading and the volume includes a chronology and a bibliography of the most important studies of his life and writing

The Pluralistic Philosophy of Stephen Crane Patrick Kiaran Dooley, 1993 In spite of an extensive secondary literature that bristles with philosophical labels concerning his outlook Stephen Crane s philosophy has been virtually ignored Patrick Dooley s systematic examination of all Crane s writings novels sketches short stories news dispatches and poems whether famous or previously ignored discloses coherent but subtle metaphysical epistemological social and ethical positions Dooley provides a sustained direct discussion of Crane s philosophy and offers vivid depictions of fundamental philosophical issues

The Virtues of the Vicious Keith Gandal, 1997-10-23 In this compelling work Keith Gandal reveals how the slum in nineteenth century America long a topic for sober moral analysis became in the 1890s an unprecedented source of spectacle captured in novels newspapers documentary accounts and photographs Reflecting a change in the middle class vision of the poor the slum no longer drew attention simply as a problem of social conditions and vice but emerged as a subject for aesthetic ethnographic and psychological description From this period dates the fascination with the colorful alternative customs and ethics of slum residents and an emphasis on nurturing their self esteem Middle class portrayals of slum life as strange and dangerous formed part of a broad turn of the century quest for masculinity Gandal argues a response to a sentimental Victorian respectability perceived as stifling These changes in middle class styles for representing the urban poor signalled a transformation in middle class ethics and a reconception of subjectivity Developing a broad cultural context

for the 1890s interest in the poor Gandal also offers close groundbreaking analysis of two of the period's crucial texts Looking at Jacob Riis's *How the Other Half Lives* 1890 Gandal documents how Riis's use of ethnographic and psychological details challenged traditional moralist accounts and helped to invent a spectacular style of documentation that still frames our approach as well as our solutions to urban problems Stephen Crane's *Maggie A Girl of the Streets* 1893 pushed ethnographic and psychological analysis even farther representing a human interiority centered around self image as opposed to character and exploring not only different customs but a radically different ethics in New York's Bowery what we would call today a culture of poverty Gandal meanwhile demonstrates how both Riis's innovative touristic approach and Crane's bohemianism bespeak a romanticization of slum life and an emerging middle class unease with its own values and virility With framing discussion that relates slum representations of the 1890s to those of today and featuring a new account of the Progressive Era response to slum life *The Virtues of the Vicious* makes fresh provocative reading for Americanists and those interested in the 1890s issues of urban representation and reform and the history of New York City **Through the Negative** Megan Williams, 2003-11-12 Examines how key nineteenth century American writers attempted to combat understand and incorporate the advent of photography in their fiction and analyzes the impact of photography on narrative histories of the nineteenth century Facing Facts David E. Shi, 1996 Shi provides the most comprehensive history to date of the rise of realism in American culture vividly capturing the character and sweep of this all encompassing movement that ranges from Winslow Homer to the rise of the Ash Can school from Whitman to Henry James to Theodore Dreiser *New Essays on The Red Badge of Courage* Lee Clark Mitchell, 1986-11-28 First published in 1895 *The Red Badge of Courage* found immediate success and brought its author immediate fame In his introduction to this volume Lee Clark Mitchell discusses how Crane broke with the conventions of both fiction and journalism to create a uniquely disruptive prose style The five essays that follow each explore different aspects of the novel One studies the problem of establishing the authentic text another examines it as a war novel a third considers it as a critique of the rising mood of militant imperialism in the 1890s a fourth focuses on the double perspective of the novel its shift between the hero's perspective and a larger cosmic one and the final essay examines the novel's deconstruction of courage cowardice Written in a highly accessible style these essays represent the best of recent scholarship and provide students with a useful introduction to this major novel A Man's Game John Dudley, 2004-04-08 Demonstrates how concepts of masculinity shaped the aesthetic foundations of literary naturalism *A Man's Game* explores the development of American literary naturalism as it relates to definitions of manhood in many of the movement's key texts and the aesthetic goals of writers such as Stephen Crane Jack London Frank Norris Edith Wharton Charles Chestnutt and James Weldon Johnson John Dudley argues that in the climate of the late 19th century when these authors were penning their major works literary endeavors were widely viewed as frivolous the work of ladies for ladies who comprised the vast majority of the dependable reading public Male writers such as Crane and Norris defined themselves

and their work in contrast to this perception of literature Women like Wharton on the other hand wrote out of a skeptical or hostile reaction to the expectations of them as woman writers Dudley explores a number of social historical and cultural developments that catalyzed the masculine impulse underlying literary naturalism the rise of spectator sports and masculine athleticism the professional role of the journalist adopted by many male writers allowing them to camouflage their primary role as artist and post Darwinian interest in the sexual component of natural selection A Man s Game also explores the surprising adoption of a masculine literary naturalism by African American writers at the beginning of the 20th century a strategy despite naturalism s emphasis on heredity and genetic determinism that helped define the black struggle for racial equality *Stephen Crane* Harold Bloom,2007 Stephen Crane is widely recognized as a master of literary naturalism His best known works include the classic novel *The Red Badge of Courage* the short stories *The Open Boat* *The Bride Comes to Yellow Sky* and *The Blue Hotel* and some of the nineteenth century s most innovative lyric poems The essays gathered in this updated volume offer a wealth of critical information and analysis that speaks to Crane s relevance and far ranging influence Book jacket [WLA](#) ,1999 **Americana Norvegica, Volume 1** Sigmund Skard, Henry H. Wasser, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas

Philip Roth and World Literature: Transatlantic Perspectives and Uneasy Passages Velichka D.

Ivanova, 2014-03-18 A book like this is long overdue because not many are aware of the numerous intersections between Philip Roth s fiction and world literature In highlighting these intersections and uneasy passages this comparative approach offers an important contribution to Philip Roth studies as well as to comparative literary study in general The fourteen chapters on this book summon Roth s intertextual links to authors ranging from the anonymous writer of the medieval play *Everyman* through Thoreau Hawthorne Crane Ellison Coover and the New York intellectuals in the United States to Swift Chekhov Svevo Kafka Schulz Gombrowicz Camus and Kierkegaard in Europe and on to Coetzee in South Africa The book does not deal with all the works in Roth s canon but it offers a selection of works representing the different stages of Roth s development as a writer By offering new readings of both well studied and lesser studied works sometimes in unexpected company the book discloses the critical difference that comparative scholarship can affect The uneasy passages the book opens will not exhaust the numerous intersections between Roth and the work of other writers The book s contribution is to place Roth s fiction firmly in a larger transnational context Far from insular Roth s work appears as deeply rooted in the American canon while at the same time showing a remarkable openness a persistent need for contact with his European forebears and true engagement with contemporary world literature The transnational perspective of the book makes it important for the rapidly growing field of transatlantic and transnational American studies The book will be value to

collections in American literature and Jewish studies comparative literature and criticism and transatlantic and transnational American studies **Maggie** Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2009 Stephen Crane's first novel Maggie A Girl of the Streets is a dark tale of a pretty yet destitute girl who struggles to emerge from a rough tenement district in New York during the Industrial Revolution Strange Talk Gavin Jones, 1999-10-19 Jones links obscure forays into dialectology with familiar canonical works of literature in surprising and innovative ways He also has some astute insights into the politics of language in this country a topic as current now as it was during the period about which he writes Shelly Fisher Fishkin University of Texas Austin

Stephen Crane By Cady Rdwin H: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Stephen Crane By Cady Rdwin H : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
