**Stephen Leacock**

## **Stephen Leacock The Sage Of Orillia:**

**Stephen Leacock** James Doyle,1992 Stephen Leacock Canada's foremost literary humorist enjoyed a huge popular success in his time and a number of his comic works especially *Sunshine Sketches of a Little Town* still have the power to delight today's readers But Leacock accomplished much more He was also a professor of political science and economics he produced 61 works in several fields he wrote more than 90 scholarly articles James Doyle explores both the private and public lives of this prominent and prolific writer Highlights of this illustrated biography include Leacock's hardworking life as a child growing up on a farm in a lost corner of Ontario the university years which resulted in a PhD in economics and political science from the University of Chicago the motivations behind Leacock's dual commitment to social commentary and comic writing and his conservatism his ardent belief in the British empire and how it affected his increasingly active career on the international lecture circuit *Extraordinary Canadians:Stephen Leacock* Margaret MacMillan,2009-03-31 Stephen Leacock's satiric masterpiece *Sunshine Sketches of a Little Town* captures the Empire forever mentality that marked Anglo Canadian life in the early decades of the twentieth century Historian Margaret Macmillan whose books *Women of the Raj* and *Paris 1919* cast fresh light on the colonial legacy has great affection for Leacock's gentle wit and sharp eyed insight The renowned historian examines Leacock's life as a poor but ambitious student who rose to become an economist celebrated academic and most importantly the beloved humorist who taught Canadians to laugh at themselves **Sunshine Sketches of a Little Town** Stephen Leacock,2002-08-12 Set in the fictional landscape of Mariposa on the shores of Lake Wissanotti in Missinaba County Leacock's *Sunshine Sketches of a Little Town* is an affectionate satire of small town life This series of humorous connected sketches about graft high finance religion love and romance is on one level an intimate comic portrait of town life and local politics On another level the narrative is a powerful commentary on the workings of community values and on Canada's place within the British Empire The Broadview edition includes a critical introduction thorough annotation a list of textual variants and a range of contextual materials including Leacock's stage adaptation of *Sunshine Sketches* **On the Front Line of Life** Stephen Leacock,2004-11 In the last years of his life Leacock wrote informal essays blending humour with a conversational style about topics like education literature economics Canada's place in the world and the joys and sorrows of his life These passionate personal essays convey the message that only the human spirit can bring social justice peace and progress These essays reveal a personal Leacock conveying the message that only the human spirit can bring social justice peace and progress **The Canadian Short Story** Reingard M. Nischik,2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little

literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany

**Social Criticism** Stephen Leacock, 1973-12-15 Stephen Leacock long celebrated as Canada's foremost humorist and social satirist has received little recognition for his considerable accomplishments as a serious thinker and social critic In fact Leacock was a professor of political economy and more than half of his writings addressed the pressing issues of his day This volume represents the neglected aspect of Leacock's career gathering together his writings on a range of subjects including imperialism education and culture religion and morality feminism prohibition and social justice The collection begins with Greater Canada an appeal which dates from 1907 when Leacock was a popular lecturer advancing the cause of imperialism Bowker points out that for Leacock imperialism was more a spiritual mission than a political agenda representing the opportunity to unite Canadians to inspire allegiance to a lofty tradition and thereby to combat the threat of materialism urbanism fragmentation and continentalism These themes resurface in subsequent essays culminating in The Unsolved Riddle of Social Justice which was published in 1920 Carefully selected and prefaced with an updated introduction to Leacock's life and work these essays contribute to our understanding of Leacock and illuminate his role as a major figure in Canadian intellectual history

**Alan Bowker's Canadian Heritage 2-Book Bundle** Alan Bowker, 2015-12-07 In this two book bundle Alan Bowker sheds new light on two subjects with a surprising connection the great Canadian writer Stephen Leacock and the rise of Canada on the world stage which Leacock profiled with keen wit and observational skill With Bowker as your guide explore what it was really like to live through the great upheaval that pushed Canada to come into its own on the world stage A Time Such as There Never Was Before Ottawa Book Award 2015 Shortlisted The years after World War I were among the most tumultuous in Canadian history a period of unrelenting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade and its end was supposed to bring a world made new But the conflict had cost sixty thousand Canadian lives with many more wounded and had stirred up divisions in the young diverse country With Canada struggling to define itself labour farmers business the church social reformers and minorities all held extravagant hopes irrational fears and contradictory demands Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada

we know today On the Front Line of Life In the last decade of his life Stephen Leacock turned to writing informal essays that blended humour with a conversational style and ripened wisdom to address issues he cared about most education literature economics Canada and its place in the world and to confront the joys and sorrows of his own life With an introduction that sets them in the context of his life thoughts and times these essays reveal a passionate intelligent personal Leacock against a backdrop of Depression and war finding hope and conveying the timeless message that only the human spirit can bring social justice peace and progress *Rudyard Kipling* Andrew Lycett,2015-11-12 Paragon of English virtues or racist imperialist

Andrew Lycett acclaimed biographer of Ian Fleming has returned to primary sources to tell the intricate story of a misunderstood genius who became Britain's most famous and highest earning author Among the many new sources Lycett has discovered previously unpublished letters that illuminate Kipling's crucial years in India his first girlfriend the model for Mrs Hauksbee of Plain Tales from the Hills his parents decision to send him back to England to boarding school and in his adult life his use of opium his frustrating times in London and the brief peace he found in America before the devastating loss of both his young daughter and in the First World War his son Lycett also uncovers the extraordinary story of Kipling's great love for Flo Garrard daughter of the crown jeweller and unravels the complicated yet enthralling saga of the American family the Balestiers and of Carrie Balestier who became Kipling's wife This biography is full of new material on Kipling's financial dealings with Lord Beaverbrook his friendships with T E Lawrence the painter Edward Burne Jones and the Prime Minister Stanley Baldwin who was his cousin *The Mini-Cycle* Allan Weiss,2021-05-06 While scholars have been studying the short story cycle for some time now this book discusses a form that has never before been identified and named let alone analyzed the mini cycle A mini cycle is a short story cycle made up in most cases of only two or three stories This study looks at mini cycles spanning the period from Anton Chekhov's little trilogy 1898 to the Alphinland stories in Margaret Atwood's Stone Mattress 2014 including texts by such authors as Stephen Leacock Alice Munro Robert Olen Butler and Clark Blaise Consideration is also given to marginal examples like Sherwood Anderson's Godliness A Tale in Four Parts 1919 which can be seen as one story or four distinct texts unified under one title and to what is called the exploded mini cycle one whose component stories are published with intervening stories between them rather than consecutively For each mini cycle the analysis is based on close reading of both the linking elements character imagery symbolism and so forth and the rhetorical and aesthetic effects of the mini cycle's being made up of distinct stories rather than constructed as one long narrative

*Biographical Dictionary of North American and European Educationists* Richard Aldrich,Peter Gordon,2023-05-09 This is a guide to the lives and work of more than 500 Americans Canadians and Europeans in the categories subsumed under the term educationists Entries are almost entirely restricted to those with main careers in the 19th and 20th centuries none of the subjects is still living *Literary Celebrity in Canada* Lorraine York,2017-05-08 In recent years Canadian authors have enjoyed tremendous international success writing novels that become Oscar nominated films or achieve coveted success as

selections for the Oprah Winfrey bookclub *Literary Celebrity in Canada* is the first extended study of the dynamics of celebrity in the field of Canadian literature Building on the argument that celebrity is a phenomenon firmly embraced by mainstream culture Lorraine York examines it in relation to various tensions and conflicts within the literary community and beyond Using as examples three contemporary literary celebrities Margaret Atwood Michael Ondaatje and Carol Shields and four earlier popular writers Pauline Johnson Stephen Leacock Mazo de la Roche and L M Montgomery York demonstrates that individual authors respond differently to fame in ways that can be contradictory and complex She casts doubt on the notion of a specifically Canadian response to fame Depending on the public interpretation of a particular writer's life and work different tensions arise in negotiating literary celebrity Privacy versus publicity swift success versus laborious apprenticeship national versus international association or ownership of the celebrity no single version of celebrity applies to all Citizenship however is a remarkably consistent site of tension for stars literary or otherwise Like citizenship celebrity marks an uneasy space wherein the single special individual and the group demographic both meet and separate *Literary Celebrity in Canada* explores that space drawing on current theories of celebrity and questioning their tendency to view fame as an empty phenomenon This study is an innovative attempt to understand the psychology of literary stardom and will influence future research on contemporary literature and popular culture

*Negotiating Disease* Barbara Clow, 2001-09-20 Her detailed analysis of popular beliefs and behaviours reveals the compelling logic of personal decisions about health and healing Experience and expectation not fear and ignorance shaped the health care choices of both cancer sufferers and the healthy public A close examination of three unconventional practitioners in Ontario demonstrates the importance and vitality of alternative medicine By presenting treatment options that were congenial and plausible to cancer sufferers these healers contested the authority of conventional medicine An investigation of government cancer care policy particularly the activities of Ontario's Commission for the Investigation of Cancer Remedies exposes the difficulties of defining legitimate health care and the limits of state support for the medical profession This is ultimately a book about who held power in medical encounters in the past With masterful assurance and a highly readable style Clow portrays the disputes between sufferers and healers practitioners and politicians and legislators and laity that coloured perceptions of medical authority and constrained the power of the profession

**Parkin** William Christian, 2008-09-09 George Parkin born on a New Brunswick farm died a knight of the realm and most famous Canadian in the world As orator and journalist he strengthened bonds between English speaking peoples As principal of Upper Canada College and a founder of the Rhodes Scholarships he put formation of character above training the intellect

**Different Lives** Hans Renders, David Veltman, 2020-06-15 Internationally acclaimed biographies are almost always written by British or American biographers But what is the state of the art of biography in other parts of the world Introduced by Richard Holmes the volume *Different Lives* offers a global perspective seventeen scholars vividly describe the biographical tradition in their countries of interest They show how

biography functions as a public genre featuring specific societal issues and opinion making Indeed the volume aims to answer the question how can biography contribute to a better understanding of differences between societies and cultures Special attention is given to the US China and the Netherlands Other contributions are on Australia Belgium Canada the Czech Republic Denmark Iceland Iran Italy New Zealand Spain and South Africa This book represents a much needed breakdown of the history and current status of Biography Studies throughout the world Any educator teaching a course in higher education that includes Biography Studies should definitely consider this as a major text for inclusion Billy Tooma film maker and Assistant Professor Wessex County College The rise of biography is the literary event of our time Hamilton and Renders are its pioneer scholars and their compelling primer is a must read Joanny Moulin Institut Universitaire de France on Nigel Hamilton and Hans Renders in The ABC of Modern Biography 2018 See inside the book     **University of Toronto Quarterly** University of Toronto,1993     **Biography** ,1997 An interdisciplinary quarterly     *Canadian Book Review Annual* ,1992     **Canadian Books in Print 2002** Edited by Butler Marian,Marian Butler,2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses     CM ,1993     *America, History and Life* ,1996 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide
