Stephen Spender A Lifetime In Modernism:

Stephen Spender David Adams Leeming, 1999 Although often embroiled in controversy and public debate Spender's all consuming passion was literature This biography of a major 20th century literary figure examines his personal life as well as his writings and beliefs

Stephen Spender David Leeming, 2025-09-23 The first critical biography of one of the twentieth century's towering literary figures Stephen Spender was a minor poet but a major cultural influence during much of the century Literary critic journalist art critic social commentator and friend of the best known cultural figures of the modernist and postmodernist periods Yeats Woolf Sartre Auden Eliot Isherwood Hughes Brodsky Ginsberg a who's who of contemporary literature Spender's writing recorded and distilled the emotional turbulence of many of the century's defining moments the Spanish Civil War the rise and fall of Marxism and Nazism World War II the human rights struggle after the war the Vietnam protest the Cold War and the 1960s sexual revolution the rise of America as a cultural and political force As David Leeming's fascinating biography demonstrates Stephen Spender's life reflected the complexity and flux of the century in which he lived his sexual ambivalence his famous friends the free love days in Germany between the wars the CIA Encounter scandal In David Leeming's capable hands this comprehensive unauthorized study of Spender is a meditation on modernity itself

Henry James and the Abuse of the Past P. Rawlings, 2005-03-02 Henry James and the Abuse of the Past explores the complex uses to which James puts his oblique experience of the American Civil War Why does James use and abuse the past by fabricating and distorting people and events in his autobiographical work The study integrates four elements history the past and problems of narration and representation the homoerotics of the Civil war tales and other soldiering fiction a life long pre occupation with Shakespeare as a historical figure and theories of time as they come under the pressure of trauma and war This well written insightful and persuasive study is an important contribution to James scholarship and will be of interest to any students and scholars of James

The Agon of Modernism Anne Quémé, 1999 Lewis's political writings present ambiguities his stated belief in the autonomy of art from life is contradicted by other statements he made and by his critical analyses of writers and his political writings blur any a priori generic distinction between art and non art Given this blurring between art and life artistic genre and non artistic genre Quémé claims that Lewis's political texts present characteristics usually attributed to avant gardism However this radicalism has to be balanced against Lewis's conservatism Thus his political writings can be read as allegories with two pragmatic aims to organize the life of the polis from an artistic standpoint and to persuade the reader to adhere to authoritarian politics

BOOK JACKET

A Handbook of Modernism Studies Jean-Michel Rabaté, 2013-02-26 Featuring the latest research findings and exploring the fascinating interplay of modernist authors and intellectual luminaries from Beckett and Kafka to Derrida and Adorno this bold new collection of essays gives students a deeper grasp of key texts in modernist literature Provides a wealth of fresh perspectives on canonical modernist texts featuring the latest research data Adopts an original and creative thematic

approach to the subject with concepts such as race law gender class time and ideology forming the structure of the collection
 Explores current and ongoing debates on the links between the aesthetics and praxis of authors and modernist theoreticians
 Reveals the profound ways in which modernist authors have influenced key thinkers and vice versa Modernism and World War II Marina MacKay, 2007-01-18 World War II marked the beginning of the end of literary modernism in Britain
 However this late period of modernism and its response to the war have not yet received the scholarly attention they deserve
 In this full length study of modernism and World War II Marina MacKay offers historical readings of Virginia Woolf Rebecca West T S Eliot Henry Green and Evelyn Waugh set against the dramatic background of national struggle and transformation
 In recovering how these major authors engaged with other texts of their time political discourses mass and middlebrow culture this study reveals how World War II brought to the surface the underlying politics of modernism s aesthetic practices
 Through close analyses of the revisions made to modernist thinking after 1939 MacKay establishes the significance of this persistently neglected phase of modern literature as a watershed moment in twentieth century literary history The Chronology of American Literature Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge check a favorite author s work or see a year s bestsellers at a glance The Chronology of American Literature is the perfect resource
 At once an authoritative reference and an ideal browser s guide this book outlines the indispensable information in America s rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline
 Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery writer What was Hemingway s breakout title With more than 8 000 works by 5 000 authors The Chronology makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author s major works for a particular year while placing them within the larger context of that writer s career The result is a fascinating glimpse into the evolution of some of America s most prominent writers Perhaps most important The Chronology offers an invaluable line through our literary past tying literature to the American experience war and peace boom and bust and reaction to social change You ll find everything here from Benjamin Franklin s Experiments and Observations on Electricity to Davy Crockett s first memoir from Thoreau s Civil Disobedience to Edith Wharton s Ethan Frome from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop Also included here are seminal works by authors such as Rachel Carson Toni Morrison John Updike and Arthur Schlesinger Jr Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century lists of literary awards and prizes and authors birth and death dates The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast It is the essential link to our literary past and present **The British National Bibliography** Arthur James Wells, 2001 A Companion to Portuguese Literature Thomas Foster Earle, Stephen Parkinson, Cláudia Pazos Alonso, 2013 An essential chronological framework for students of

Portuguese literature This companion volume offers an introduction to European Portuguese literature for university level readers It consists of a chronological overview of Portuguese literature from the twelfth century to the present day by some of the most distinguished literary scholars of recent years leading into substantial essays centred on major authors genres or periods and a study of the history of translations It does not attempt an encyclopaedic coverage of Portuguese literature but provides essential chronological and bibliographical information on all major authors and genres with more extensive treatment of key works and literary figures and a particular focus on the modern period It is unashamedly canonical rather than thematic in its examination of central authors and periods without neglecting female writers In this way it provides basic reference materials for students beginning the study of Portuguese literature and for a wider audience looking for general or specific information The editors have made a principled decision to exclude both Brazilian and African literature which demand separate treatment STEPHEN PARKINSON CLAUDIA PAZOS ALONSO and T F EARLE are all members of the Sub Faculty of Portuguese at the University of Oxford CONTRIBUTORS Vanda Anastasio Helena Carvalhao Buescu Rip Cohen T F Earle David Frier Lu s Gomes Mariana Gray de Castro Helder Macedo Patricia Odber de Baubeta Hilary Owen Stephen Parkinson Claudia Pazos Alonso Juliet Perkins Teresa Pinto Coelho Phillip Rothwell Mark Sabine Claire Williams Clive Willis

Tribune for Victory and Socialism ,2004 *The Oxford Companion to English Literature* Dinah Birch,2009-09-24

Written by a team of more than 150 contributors working under the direction of Dinah Birch and ranging in influence from Homer to the Mahabharata this guide provides the reader with a comprehensive coverage of all aspects of English literature

Christopher Hill Michael Braddick,2025-02-25 Christopher Hill was one of the leading historians of his generation His work across more than fifteen books and dozens of articles fundamentally rewrote the way we understand the English Revolution and the development of the modern British state While his career brought many of the trappings of establishment respectability he was both a Fellow of the British Academy and the Master of Balliol College Oxford he was also seen as a threat to that very same establishment Under surveillance by the security services for decades in the 1980s Hill was publicly accused of having been a Soviet agent during the war His was a Cold War life as well as a scholarly one In this brilliant work of biography Michael Braddick charts Hill s development from his abandonment of the respectable provincial Methodism of his youth through his embrace of Marxism to his membership and eventual break with the Communist Party as well as his celebrated intellectual career While many of his books not least the thrilling work of historical resurrection *The World Turned Upside Down* and *God s Englishman* his classic biography of Oliver Cromwell are still widely read and admired his intellectual reputation was damaged by sustained academic criticism in the politically charged atmosphere of the 1980s Braddick s judicious biography not only situates Hill s life and work in their historical context but seeks to rescue Hill for a new generation of readers

Whitman's Queer Children Catherine A. Davies,2012-04-26 Davies examines the work of four of the most important twentieth century poets who have explored the epic tradition Some of the poems display an

explicit concern with ideas of American nationhood while others emulate the formal ambitions and encyclopaedic scope of the epic poem The study undertakes extensive close readings of Hart Crane s *The Bridge* 1930 Allen Ginsberg s *Howl* 1956 and *The Fall of America* Poems of These States 1965 71 1972 James Merrill s *The Changing Light at Sandover* 1982 and John Ashbery s *Flow Chart* 1991 Although not primarily an account of a Whitmanian lineage this book considers Whitman s renegotiation of the dialectic between the public and the private as a context for the project of the homosexual epic arguing for the existence of a genealogy of epic poems that rethink the relationship between these two spheres If as Bakhtin suggests the job of epic is to accomplish the task of cultural national and political centralization of the verbal ideological world the idea of the homosexual epic fundamentally problematizes the traditional aims of the genre

C Day-Lewis Peter Stanford,2007-05-27 How unfair wrote one national newspaper in 1951 that accomplishments enough to satisfy the pride of six men should be united in Mr Day Lewis Poet translator of classical texts novelist detective writer under the pen name Nicholas Blake performer and at that time Professor of Poetry at Oxford C Day Lewis had many careers all at once This first authorised biography tells the private story behind the many headlines that this handsome charming Anglo Irish Poet Laureate generated in his lifetime With unparalleled access to Day Lewis s archives and the recollections of first hand witnesses Peter Stanford traces the link between life and art to reassess the work of a poet lauded in his lifetime but whose literary reputation has latterly become a matter of controversy with Westminster Abbey refusing him the place in Poets Corner traditionally allotted to Poets Laureate Day Lewis first made his name as one of the poets of the thirties launching a communist influenced poetic revolution alongside WH Auden and Stephen Spender that aspired to spark wholesale political change to face down fascism In the 1940s Red Cecil as he had become known broke with communism and Auden and went on to produce some of his most popular and enduring verse prompted by his long love affair with the novelist Rosamond Lehmann Torn between her and his wife he reflected on his double life in verse and became for some the supreme poet of the divided heart Later with his second wife the actress Jill Balcon he promoted poetry with a series of popular recitals and radio and television programmes Together they had two children Tamasin and Daniel later an Oscar winning actor Day Lewis was always pulled between a fulfilling domestic life and a restless desire to explore His travels his exploration of his Irish roots and his infidelities are all part of the rich and many faceted life that Peter Stanford describes It is however as a poet that he is best remembered and the poetry itself often autobiographical forms an integral part of this intriguing and long overdue biography

Politics and the British Novel in the 1970s J. Russell Perkin,2021-06-15 The 1970s in Britain saw a series of industrial disputes a referendum on membership in the European Economic Community conflict about issues of immigration and citizenship and emergent environmental and feminist movements It was also a decade of innovation in the novel and novelists often addressed the state of the nation directly in their works In *Politics and the British Novel in the 1970s* Russell Perkin looks at social novels by John Fowles and Margaret Drabble the Cold War thrillers of John le Carr

Richard Adams's best selling fable *Watership Down* the popular campus novels of Malcolm Bradbury and David Lodge Doris Lessing's dystopian visions and V S Naipaul's explorations of post colonial displacement Many of these highly regarded works sold in large numbers and have enjoyed enduring success a testament to the power of the political novel to explain a nation to itself Perkin explores the connections between the novel and politics situating the works it discusses in the rich context of the history and culture of the decade from party politics to popular television shows *Politics and the British Novel in the 1970s* elucidates a period of literary history now fifty years in the past and offers a balanced perspective on the age revealing that these works not only represented the politics of the time but played a meaningful role in them **Living in Death** T.D. Peter, 2013-07-21 The uncertainty of one's life and the inevitability of death is a dilemma that has tormented the human mind in all ages One way of resolving the conundrum has been to imagine if not firmly believe that the individual self is immortal and deathless notwithstanding the fact that the physical body must perish If nothing it weans one away from the fear of death towards an earnest hope in a blissful afterlife *Living in Death* is a scholarly critique on the death poetry of Emily Dickinson and T S Eliot By deftly comparing their styles diction and motifs Dr T D Peter unravels the beauty of contemplating and courting the compelling presence of death as an unshakeable ontological reality The author looks through the mirror of the death poetry of two signature poets of the nineteenth and twentieth centuries the former an inimitable and indwelling poetic genius who defies classification and transcends time and trends the latter a trail blazing and celebrated scion of modern classical poetry who impresses with his erudition and edification imagism and symbolism He finds more by way of contrast than similarity in their strikingly opposite life lines and no less to their varying allegiance to faith and reason religion and spirituality **Home in British Working-Class Fiction** Nicola Wilson, 2016-03-09 *Home in British Working Class Fiction* offers a fresh take on British working class writing that turns away from a masculinist work based understanding of class in favour of home gender domestic labour and the family kitchen As Nicola Wilson shows the history of the British working classes has often been written from the outside with observers looking into the world of the inhabitants Here Wilson engages with the long cultural history of this gaze and asks how home is represented in the writing of authors who come from a working class background Her book explores the depiction of home as a key emotional and material site in working class writing from the Edwardian period through to the early 1990s Wilson presents new readings of classic texts including *The Ragged Trousered Philanthropists* *Love on the Dole* and *Saturday Night and Sunday Morning* analyzing them alongside works by authors including James Hanley Walter Brierley Lewis Grassie Gibbon Buchi Emecheta Pat Barker James Kelman and the rediscovered ex mill girl novelist Ethel Carnie Holdsworth Wilson's broad understanding of working class writing allows her to incorporate figures typically ignored in this context as she demonstrates the importance of home's role in the making and expression of class feeling and identity Hannah Arendt and Isaiah Berlin Kei Hiruta, 2023-11-21 This book is an exercise in theoretical conversation Two of the most iconic thinkers of the twentieth century Hannah Arendt 1906 1975

and Isaiah Berlin 1909 1997 fundamentally disagreed on central issues in politics history and philosophy In spite of their overlapping life stories and experiences as Jewish migr intellectuals they held mutual dislike for each other Berlin going so far as to characterise Arendt as representing everything that I detest most Drawing on a wealth of new archival material Kei Hiruta traces the development of the Arendt Berlin conflict from their first meeting in wartime New York and the second meeting soon after the establishment of the State of Israel to their widening intellectual chasm during the 1950s the Eichmann controversy their final missed opportunity to engage with each other at a 1967 conference and Berlin s continuing animosity towards Arendt after her untimely death in 1975 Hiruta juxtaposes political philosophy with intellectual history to examine key issues that simultaneously connected and divided Arendt and Berlin including the meaning and value of freedom the nature of totalitarianism and its patterns of emergence evil and the Nazi Holocaust human agency and moral responsibility Zionism American democracy Britain s imperial past and its post war liberal present and the Hungarian Revolution of 1956 Written in a lively and accessible style Hannah Arendt and Isaiah Berlin tells for the first time the full story of the adversarial relationship between Arendt and Berlin and draws important lessons for political theory and philosophy today **Encounter** Stephen Spender,Irving Kristol,Melvin J.
