Stepping into leadership

Navigating and managing a team with confidence when you are new to the role

How to use your results

- 1. Identify strengths: Identify the areas where you are strong. These are the areas where you are most confident and where you are most likely to succeed.
- 2. Identify growth areas: Identify the areas where you need to improve. These are the areas where you are most likely to struggle and where you need to focus your efforts.
- 3. Identify weaknesses: Identify the areas where you are weak. These are the areas where you are most likely to fail and where you need to seek help and support.
