Steps to Christ How to Know Him Better Charles Sheldon, 2016-02-07 **Steps to Christ How to Know Him Better** By Charles Sheldon **Knowing Him Better** Ellen Gould Harmon White, 1982 **Your First Step to Celebrate Recovery, Updated** John Baker, 2025-07-15 The program that has helped over six million people overcome their hurts hang ups and habits You ve undoubtedly heard the expression time heals all wounds Unfortunately it isn t true As many pastors and counselors know people still carry hurts from thirty or forty years ago The truth is time often makes things worse Wounds that are left untended fester and spread infection throughout your entire body Time only extends the pain if the problem isn t dealt with Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly six million people overcome their hurts hang ups and habits Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory the Celebrate Recovery program has helped people for over 35 years to grow toward full Christ like maturity Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ centered recovery programs in history Baker will help you discover how God s love truth grace and forgiveness can bring healing into your life Herald of Gospel Liberty Elias Smith, 1913 **The Burning Bush** , 1926 *10 Steps to the New Spiritual You* Mike Mazzalongo, This small group series is devoted to mature Christians who want to take their Christian experience to another level of spirituality **Whispers** Kimberly MacNeill, 2014-09-26 Our lives are always changing and it can be confusing when we are in the middle of some new thing God is doing in us But if we are aware of who God is and how he works change can be a little less intimidating and a little more faith building our eyes can see a little more clearly and our hearts trust a little more deeply as God shapes and molds us This book is full of whispers whispers of truth hope and love I know that sometimes truth is hard to hear when someone is shouting it so I whispered it I know how hard it is when the future seems desperate and impossible so I whispered hope And as for the whispers of love I hope you hear them deeply I wrote them but they are from God For he is the one who knows you best and loves you most he is the one with the plan and the purpose the presence and the power to transform your life He is the one who wonderfully made you in the beginning and he is the one who can see the beautiful creation you are and are becoming I am certain that God who began the good work within you will continue his work until it is finally finished on the day when Christ Jesus returns Philippians 1 6 NLT **Christian Work** , 1895 **The Cambrian** , 1894 *Navigate the Strait* Bradford G. Smith, 2020-12-23 A dying father s testimony to his children about faith covenants and eternal life *Navigate the Strait* is an insightful look at one man s journey through an active life of teaching in The Church of Jesus Christ of Latter day Saints which is ending in the slow downward spiral of ALS also known as Lou Gehrig s Disease Yet his happy sustaining faith and his love for his all caring Tiffany and their three children Lincoln Edison and Abigail drive his passion to finish this book He wants his family and friends to KNOW him better after the disease will likely take his life This book is a must for anyone who wants to teach

understand or gain the strength to live the gospel of Jesus Christ You will find in it stories ideas and teaching examples that express the doctrine of Christ in simple ideas that make life better I m just a normal guy with a testimony of Jesus Christ Then I got ALS Bummer ALS is taking away everything that I am good at speaking typing fixing things hugging my wife and children I am writing this book with one finger on a mouse or with my eyes controlling my iPhone On the bright side I finally have something in common with Stephen Hawking Now that my disease has reduced my life to complete dependence on others what am I worth Well I am still a good teacher I love my Savior I love the restored gospel of Jesus Christ I look at the gospel in a nonlinear fashion thinking critically about how gospel teachings connect to one another and to our personal struggles If all truth is circumscribed into one whole we need to think deeply and sometimes creatively about how the gospel connects to us and to others Since ALS will take my life I will likely not be around to teach these ideas to my kids in the moment they need a lesson I pray that this little book of Dad s testimony will help my children and grandchildren as they grow and need answers to their questions If you happen to read it and if it helps you on your journey that s great too When we meet let me know what you liked Most of my writings are about The Church of Jesus Christ of Latter day Saints While I present many ideas within the framework of church doctrine and culture I hope that anyone can learn something useful from what I have learned I am no scriptorian I have never taught religion at BYU I don t know the location of the Ark the lost tribes of Israel the Book of Mormon cities or Nikola Tesla s death ray These ideas are my own based on my prayerful study of doctrine and scriptures But don t just take my word go to the source and see for yourself If anything in this book conflicts with living prophet then I am wrong Stick with the prophet I do know that Jesus Christ is the Savior and Redeemer of all mankind I know that he loves you and me even when life gets hard If you have never looked into The Church of Jesus Christ of Latter day Saints I encourage you to visit ComeUntoChrist.org to learn the basics You can ask questions and even invite missionaries to visit your house and share a message with your family You will discover that the kingdom of God has been restored to the earth in The Church of Jesus Christ of Latter day Saints You will hear about a living prophet of Christ on the earth who speaks with authority like Moses Elijah or Peter And you will learn more about Jesus Christ in the Book of Mormon as a companion to the Bible That is what we mean when we say it s true This book is my attempt to dive deeper into those simple truths It is organized by topic so feel free to jump around and to jump out to the scriptures I hope this book makes you happy

What does a close joyful relationship with Jesus look like Many of us often think how wonderful it must have been to experience Jesus physical presence as he walked on earth without realizing that we can experience the joy of his presence and companionship here and now In *Enjoying Jesus* Tim Chester looks at how Jesus acted and interacted with people in Luke's Gospel But he doesn't leave it there He looks at how Jesus relates to us in the same way now by his Spirit Readers will be helped to understand how they can enjoy a close relationship with Jesus in their everyday lives This book is ideal for anyone wanting to deepen their relationship with Jesus especially those who feel disconnected from God or those going through the motions of the Christian life without joy It will also help new Christians who want to understand how Jesus is with them by his Spirit Each chapter includes reflection questions and practical suggestions on how to experience a close joyful

Seven Minutes with Jesus for Men Cummings, Ray, 2025-06-10 This sixty day journey through John provides a bite size approach to Scripture in the hopes that you will carefully apply God's Word to your everyday life Jesus practiced this same approach of smaller teaching segments with His first disciples His longest sermon the Sermon on the Mount can be read in less than twelve minutes Peter's sermon at Pentecost was less than three minutes long and 3 000 souls were saved So a lot can happen in a short amount of time when the time is set apart by God and for God This book was written for men to spend sixty days walking through the Gospel of John in order to kickstart our spiritual maturity and make us more like Jesus Each day is divided into explanation application and prayer The explanation section is short relational and inspirational The application section is brief making it doable and sustainable The prayer section is designed to jumpstart your dialogue with God for the day
