American Remakes of British Television Carlen Lavigne,Heather Marcovitch,2011-03-31 Ever since Norman Lear remade the BBC series Till Death Us Do Part into All in the Family American remakes of British television shows have become part of the American cultural fabric Indeed some of the programs currently said to exemplify American tastes and attitudes from reality programs like American Idol and What Not to Wear to the mock documentary approach of The Office are adaptations of successful British shows Carlen Lavigne and Heather Marcovitch s American Remakes of British Television Transformations and Mistranslations is a multidisciplinary collection of essays that focuses on questions raised when a

foreign show is adapted for the American market What does it mean to remake a television program What does the process of Americanization entail What might the success or failure of a remade series tell us about the differences between American and British producers and audiences This volume examines British to American television remakes from 1971 to the present The American remakes in this volume do not share a common genre format or even level of critical or popular acclaim What these programs do have in common however is the sense that something in the original has been significantly changed in order to make the program appealing or accessible to American audiences The contributors display a multitude of perspectives in their essays British to American television remakes as a whole are explained in terms of the market forces and international trade that make these productions financially desirable Sanford and Son is examined in terms of race and class issues Essays on Life on Mars and Doctor Who stress television's role in shaping collective cultural memories An essay on Queer as Folk explores the romance genre and also talks about differences in national sexual politics An examination of The Office discusses how the American remake actually endorses the bureaucracy that the British original satirized **This is the BBC** Simon J. Potter, 2022-04-14 In the hundredth year of the British Broadcasting Corporation historian Simon J Potter looks back over the hundred year history asking if the BBC is really the voice of Britain and what comes next for British public broadcasting 2022 marks the centenary year of the British Broadcasting Corporation As Britain's most famous and influential broadcaster the BBC faces a range of significant challenges to the way it operates and perhaps to its existence from the government but also from a rapidly changing media environment Historian Simon J Potter explores the hundred year history of this corporation drawing out the roots of these challenges and understanding how similar threats hostile politicians and prime ministers the advent of television were met and overcome in the past Potter poses the question Is the BBC the voice of Britain exploring its role in changing wider culture and society promoting particular versions of British national identity both at home and overseas The BBC has long claimed to speak for the British people to the British people and with a British accent and Potter explores how far these claims have been justified with this exciting new study which covers the establishment of the BBC Empire Service and the World Service and focuses on people programmes and politics to understand the Corporation's engagement with changing ideas about culture and society in Britain including issues of class gender and race Gaunt's Best of British Jon Gaunt, 2008-12-02 Gaunt's Best of British is one man's cheerful look at what's right and what's wrong with his country and a brilliantly entertaining guide to how Britain can be Great again Jon Gaunt embarks on a tour of the best bits of this green and pleasant land celebrating all things British His forthright tribute is an aptly eclectic collection covering everything from cricket foxhunting and the FA Cup to great inventions like the Spitfire the Mini and the miniskirt and our unofficial national cuisine of fish and chips washed down with a cup of tea or a pint of real ale Whether you live in Coventry or Cambridge Liverpool or London now is the time to join Gaunt and start shouting about this fantastic country and what makes it so Great *Obituaries in the Performing Arts, 2017* Harris M. 1990 Deborah Andrews,[Anonymus AC00335808],1991 *The Man Who Wrote the Teddy Bears' Picnic* J. J. Kennedy,2011-11-04 A first biography of one of Britain's leading lyric songwriters The Man Who Wrote The Teddy Bears Picnic tells the story of Irish born Jimmy Kennedy one of the last and arguably the finest of the professional Tin Pan Alley songwriters of the pre Beatles golden age of popular song A fascinating insight into the life of a man who rose from small town beginnings to become for fifty years the lyrical and musical power behind some of the twentieth century's top popular song entertainers from the days of Variety right up to The Beatles era Jimmy had something like 30 No 1 hits to his credit worldwide but is little known outside of music business circles The book written by his younger son ex journalist J J Kennedy sets out to remedy this omission and celebrates his contribution to the genre Though his romantic ballads like Red Sails in the Sunset continue to be played all round the world Jimmy is possibly best remembered today for the Cokey Cokey which he adapted from a Canadian folk song in 1943 and The Teddy Bears Picnic which gave magical children's words to an old American tune Well written and easy to read the book serves as an excellent historical record of pop and is full of facts observations and authoritative comment on the cut and thrust village that was Tin Pan Alley It captures the bustle of the place and its almost industrial approach to song creation It paints a colourful picture of some of the leading characters of the period and exposes the double dealing greed and downright exploitation prevalent in that world But the book also creates a romantic mysticism around the characters who dashed around in Denmark street peddling their talent so often in vain It transports you to smoky little rooms with music coming from every corridor and it tells the story in black and white like an old Hollywood movie Swimming among all these sharks is the unlikely figure of Jimmy Kennedy dapper and charming modest and artistically fine tuned yet steely resilient and highly commercial A man who could spot the financial worth of his work write to order sometimes in lightning quick time and stand his ground when he knew he had a hit He was in fact a one man hit machine But it wasn't always one man and the book illuminates the winning partnerships with Michael Carr Will Grosz et al One of the key strengths of the book is its nostalgia appeal and has some wonderful anecdotes including recollections from Terry Wogan Val Doonican and others and non musical people such as Denis and Margaret Thatcher All in all a very intelligent book and one which will become a work of reference for anyone studying the popular music art form of the twentieth century **Harry H. Corbett: The Front Legs of the Cow** Susannah Corbett,2011-11-30 Harry H Corbett rose from the slums of Manchester to become one of the best known television stars of the 20th century Having left home as a 17 year old Royal Marine during the Second World War he fought in the North Atlantic and the jungles of the Pacific and witnessed first hand the devastation wrought by the Hiroshima bomb On his return home he wandered into the local theatre company and landed a starring role The Front Legs of the Cow Soon becoming a leading light in Joan Littlewood's Theatre Workshop and a widely respected classical stage actor his life was changed forever by the television comedy Steptoe and Son Overnight he became a household name as the series drew unparalleled viewing figures of over 28 million with fans ranging

from the working classes to the Royal Family Naturally shy and a committed socialist fame and fortune didn't sit easily on his shoulders and for the next twenty years until his untimely death at the age of only 57 he had to learn how to be Arold Written by his daughter Susannah Corbett an actor herself this is the first biography of Harry H Corbett the man who was once described as being the English Marlon Brando Cultural Revolution? Bart Moore-Gilbert, Dr Bart Moore-Gilbert, John Seed, 2003-09-02 Are the cultural upheavals of the sixties just a media myth The Summer of Love with its ambience of marijuana and sitar music the glitterati of Swinging London and student protesters battling with the police evoke a period of material prosperity cultural innovation and youthful rebellion But how significant were the radical aspirations and utopian ideals of the sixties And what is the legacy of the social political and cultural transformations which characterized the decade In an interdisciplinary collection of specially commissioned essays the contributors to Cultural Revolution uncover the complex economic and political contexts in which these changes took place Covering a wide variety of art forms drama television film poetry the novel popular music dance cinema and the visual arts they investigate how sixties culture became politicized and how its inherent contradictions still have repercussions for the arts today The Television Genre Book Glen Creeber, 2015-08-16 Genre is central to understanding the industrial context and visual form of television This new edition of the key textbook on television genre brings together leading international scholars to provide an accessible and comprehensive introduction to the debates issues and concerns of the field Structured in eleven sections The Television Genre Book introduces the concept of genre itself and how it has been understood in television studies and then addresses the main televisual genres in turn drama soap opera comedy news documentary reality television children's television animation and popular entertainment This third edition is illustrated throughout with case studies of classic and contemporary programming from each genre ranging from The Simpsons to Buffy the Vampire Slayer and from Monty Python's Flying Circus to Who Wants to be a Millionaire It also features new case studies on contemporary shows including The Only Way Is Essex Homeland Game of Thrones Downton Abbey Planet Earth Grey's Anatomy and QVC and new chapters covering topics such as constructed reality travelogues telefantasy stand up comedy the panel show 24 hour news Netflix and video on demand
