Steptoe And Son 12:

Scratchin' and Survivin' Adrien Sebros, 2023-11-10 Providing a critical history of Tandem Productions the company behind nearly all the hit Black sitcoms of the 1970s including *Good Times* *The Jeffersons* *Sanford and Son* and *Diff'rent Strokes* Adrien Sebros explores how their sitcom plots paralleled what was happening behind the scenes as talented African Americans devised strategies to gain creative agency and fair financial compensation

The British Sitcom Spinoff Film Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically released spinoff films derived from British radio and television sitcoms Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i.e the exploitation of proven product with a ready made audience it is argued that with a longevity stretching from Arthur Askey and his wartime *Band Waggon* 1940 to the crew of *Kurupt FM* and their recent *People Just Do Nothing* Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works from *Hi Gang* 1941 to *I Only Arsked* 1958 establish the genre's characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like *Till Death Us Do Part* 1969 *On the Buses* 1971 *The Likely Lads* 1976 and *Rising Damp* 1980 the genre's revival since the late 1990s reveals a more parodic final stage with films like *The League of Gentlemen's Apocalypse* 2005 adopting a consciously self-reflective mode It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical representations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality

A State of Play Steven Fielding, 2014-04-24 A

State of Play explores how the British have imagined their politics from the parliament worship of Anthony Trollope to the cynicism of *The Thick of It*. In an account that mixes historical with political analysis Steven Fielding argues that fictional depictions of politics have played an important but insidious part in shaping how the British think about their democracy and have helped ventilate their many frustrations with Westminster. He shows that dramas and fictions have also performed a significant role in the battle of ideas in a way undreamt of by those who draft party manifestos. The book examines the work of overtly political writers, how they have treated the subject, discussing the novels of H G Wells, the comedy series *Yes Minister* and the plays of David Hare. However, it also assesses how less obvious sources such as the films of George Formby, the novels of Agatha Christie, the *Just William* stories and situation comedies like *Steptoe and Son* have reflected on representative democracy. *A State of Play* is an invaluable, distinctive and engaging guide to a new way of thinking about Britain's political past and present.

Terry Nation Jonathan Bignell, Andrew O'Day, 2004. This is the first academic study of the science fiction television devised and written by Terry Nation who wrote Dalek stories and other serials for *Doctor Who* and created the BBC's 1970s post-apocalyptic space adventure series *Blake's 7*. 'You Dirty Old Man!' David Clayton, 2022-08-04

Wilfrid Brambell was one of Britain's most loved and complex character actors. As Albert Ladysmith *Steptoe the unscrupulous rag and bone man* with questionable habits in Ray Galton and Alan Simpson's long running *Steptoe and Son*, he quickly became a household name with co-star Harry H Corbett. But despite scores of other successes in roles on stage, TV and film, Brambell died a sad and lonely man. Alongside fame and fortune, *You Dirty Old Man* reveals how Brambell suffered unbelievable personal heartache, battling an inner turmoil that eventually drove him to drink as his marriage collapsed in the most deceitful circumstances imaginable. His torment led to a secretive life off camera where he did everything possible to stay out of the public eye. Featuring original interviews with film directors Richard Lester, Terence Davies and Tony Palmer, as well as recollections from his own family members, the family of Harry H Corbett and those who worked alongside him, author David Clayton seeks to re-examine the legacy of a man whose loyal fanbase remains undiminished sixty years on from his heyday.

Harry Alan Towers Dave Mann,2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the

burgeoning niche markets becoming available in the wake of technological developments and government initiatives
