The Sterkarm Handshake Susan Price, The Sterkarm Handshake Susan Price, 2016-07-26 A twenty first century corporation invades the domain of a warlike sixteenth century Scottish clan in this brilliantly imagined time travel adventure Philip Pullman The miraculous invention of a Time Tube has given Great Britain's mighty FUP corporation unprecedented power granting it unlimited access to the rich natural resources of the past Opening a portal into sixteenth century Scotland the company has sent representatives back five hundred years to deal with the Sterkarms a lawless barbarian clan that has plundered both sides of the English Scottish border for generations Among the first of the company's representatives to arrive from the future young anthropologist Andrea Mitchell finds herself strangely drawn to this primitive tribe of raiders and pillagers who not surprisingly view her as magical As translator and liaison she becomes enmeshed in the personal lives of these proud savage folk developing an especially strong emotional bond with Per the handsome son of the ruthless Sterkarm chieftain Toorkild But the Sterkarms welcome does not extend to the FUP corporate despoilers from the future and soon a fragile agreement between the untamable Scots and the interloping Elves begins to crumble Suddenly war looms on the horizon and when treachery on both sides ignites a firestorm of violence Andrea will have to choose where her loyalties truly lie with her coldhearted employers or with the barbarous kinfolk of the man she has come to love A winner of the Guardian Fiction Prize and a finalist for the Carnegie Medal called enthralling by Philip Pullman the author of the His Dark Materials novels Susan Price's Sterkarm Handshake is a masterful blend of historical and science fiction critics have called dazzling exciting memorable thought provoking and a thumping good page turner A Sterkarm Kiss Susan Price, 2004-10-01 Andrea Mitchell has never felt as if she belongs in the 21st century She s too fat too clumsy and too plain So when she's offered the chance to take the Time Tube back to the 16th century and back to Per the young Sterkarm warrior she fell in love with once before she doesn t hesitate The lovely boisterous and crude Sterkarms have always made her feel welcome and at home Maybe this time she ll even stay for good But things on the 16th side are not what Andrea expected them to be Per doesn t know who she is and a wedding between the Sterkarms and their enemies the Grannams ends in bloodshed and confusion Even when Andrea discovers it s the Elves who have betrayed them all no one wants to believe her She may have made the biggest and the deadliest mistake of her life In this blistering sequel to her award winning the sterkarm handshake Susan Price weaves a riveting tale of revenge deceit and love set against a backdrop of warring clans and brutal passions New World Orders in Contemporary Children's Literature C. Bradford, K. Mallan, J. Stephens, R. McCallum, 2008-03-13 This book demonstrates how contemporary children s texts draw on utopian and dystopian tropes in their projections of possible futures. The authors explore the ways in which children s texts respond to social change and global politics. The book argues that children's texts are crucially implicated in shaping the values of their readers The Crossover Novel Rachel Falconer, 2008-10-21 Highly recommended by Choice While crossover books such

as Rowling s Harry Potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading Falconer remedies this lack with close readings of six major British works of crossover fiction and a wide ranging analysis of the social and cultural implications of the global crossover phenomenon A uniquely in depth study of the crossover novel Falconer engages with a ground breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory **The Oxford**Companion to Children's Literature Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children's books A fascinating reference guide to the world of children's literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children's hymns
