Steven McDonald Story:

The Steven McDonald Story Steven McDonald, Patti A. McDonald, **The Stephen McDonald Story** Steven McDonald, Stephen McDonald, Ann McDonald, 1991-04 [The Steven McDonald Story](#), [New York's Finest](#) Michael Daly, 2021-12-07 The gritty true blue story of two remarkable cops and an equally extraordinary nurse who provided the spirit and smarts that transformed Fear City into the safest big city in America NEW YORK'S FINEST is the story of a city's transformation through the tireless efforts of Detective Steven McDonald Nurse Justiniano Jack Maple and a host of hero cops including the great niece of Jazz Age great Josephine Baker the finest of The Finest The son and grandson of cops Officer McDonald was shot and paralyzed from the neck down while on patrol in 1986 The doctors said that if he did survive he would be better off dead It was then he came under the care of one Nurse Nina Justiniano Where the teenage gunman was produced by the worst of Harlem's social ills she personified its many graces rescuing Steven from despair and urging him to transcend hate and bitterness McDonald was then promoted to detective at the urging of NYPD Deputy Commissioner Jack Maple a postal worker's son who sported a bow tie Homburg hat and two-tone shoes as he implemented transformative crime fighting strategies to deter violent subway robberies Coming up in the force Maple had been routinely mocked for imagining the impossible that Times Square would one day be a destination for families and tourists Now resentments and tensions are mounting in the same neighborhoods that most benefited from the careful consideration of officers like McDonald and Maple But as NEW YORK'S FINEST illustrates their legacies and those of people like Nurse Justiniano may well rescue New York City from its present state of unrest and struggle in the wake of protests and the pandemic *Reawakening America: Leadership, Vigilance, and Collaboration* Vincent J. Bove, 2018-07-13 In this timely and essential work nationally acclaimed speaker and author Vincent J Bove anthologizes his Sentinel Digest articles that examine the leadership crisis and culture of violence in America From mass shootings and police community tensions to racial discrimination and the immigration crisis Bove chronicles our country's afflictions and champions the unsung community heroes who model moral character and integrity needed in a time of apathy Reawakening America is an inspiring social and political commentary that speaks to the American spirit and encourages citizens to stand up to the corruption deceit violence and divisiveness that is plaguing the United States *The Book of Mychal* Michael Daly, 2009-09 Daly recounts the colorful astonishing and at times troubled life of the beloved New York Fire Department chaplain who had been among the first to be pulled from the rubble of the World Trade Center **The Publishers Weekly**, 1917 **Chicken Soup for the Soul Stories for a Better World** Jack Canfield, Mark Victor Hansen, 2012-09-11 101 of the most uplifting stories you've ever read about people reaching out stepping up and transforming their lives and the world around them **Mychal Judge** Francis DeBernardo, 2022-04-15 The world came to know the Franciscan priest Mychal Judge through the bravery and self sacrifice he displayed during the World Trade Center attacks of September 11 2001 But long before his lifeless body was carried out of the rubble a moment

captured in a photograph that became immediately famous and before he was officially designated Victim 0001 of that day's attacks Fr Judge was to a great many people a beloved priest known for his compassion and faith In Mychal Judge Francis DeBernardo offers a spiritual biography that will move and fascinate readers It details the personal history and experiences including his Irish American upbringing his struggles with alcoholism his care for the marginalized and his ministry to firefighters that formed the man who ultimately died running into the North Tower to try to save and minister to the terrified and the dying Whether meeting him in these pages for the first time or getting to know him better readers will encounter in Fr Judge a figure they will not soon forget *Spy*, 1987-04 Smart Funny Fearless It's pretty safe to say that *Spy* was the most influential magazine of the 1980s It might have remade New York's cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There's no magazine I know of that's so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It's a piece of garbage Donald Trump **Congressional Record** United States. Congress, 1989 *Everybody Belongs* Arthur Shapiro, 2003-09-01 The evil prosthesis of Captain Hook the comical speech of Porky Pig and the bumbling antics of Mr Magoo are all examples of images in our culture which can become the basis of negative attitudes and subliminal prejudice towards persons with disabilities These attitudes influence and underlie discriminatory acts resulting in negative treatment and segregation A teacher's ability to recognize and counter such images may well determine the success of inclusion and mainstreaming programs in our schools and society Well researched and well written this book offers practical guidance as grounded in solid research to schools that are wrestling with how to mainstream children with disabilities **Bad to Blue** Michael Moy, 2025-07-01 In this intimate and harrowing memoir a former Chinese gang member tells the story of how he went from bad to blue by leaving the gang behind and becoming a New York City police detective Nestled in the warm embrace of his immigrant grandmother Mike Moy was raised hearing bloodcurdling tales of the brutal life she escaped in China But growing up on the mean streets of Manhattan's Chinatown Mike has also faced shocking violence coupled with destructive racism In a tight knit community besieged with fear and alienation teenage Mike takes refuge in one of Chinatown's notorious gangs tattooing his membership in Fuk Ching on his body The gang's fearsome reputations are warranted Frequenting gambling dens and pool halls Mike and a boisterous band of gangmates run amok selling and shooting guns stealing and running protection schemes But the fast pace and constant danger take a terrible toll with friends being killed or sent to prison the inevitable end for most gang members But vexing questions are raised for young Mike after he learns the extraordinary story of a cop who forgave the young shooter who made him a paraplegic NYPD Officer Steven McDonald's morality and compassion arouse a longing deep within Mike to be one of the good guys In a world changing turnaround expected by no one Mike joins the NYPD By donning that blue uniform he gets the adrenaline driven lifestyle he craves while staying on the right side of the law But coming clean is not so easy Patrolling the streets he once terrorized he

fears the exposure of his secret past Anyone identifying him as a former gang member could lead to investigations expulsion from the NYPD media scandal and legal charges for past crimes And what would his former gangmates think if they found out he d joined the enemy Packed with violence heartbreak and love Mike tells the triumphant story of one man s transformation even as bullets fly just above his head *Slimetime* Steven Puchalski,2002 Utilising in depth reviews cast and plot details Slimetime wallows in those films which the world has deemed it best to forget everything from cheesy no budget exploitation to the embarrassing efforts of Major Studios Many of these films have never seen a major release some were big hits and others have simply vanished To compliment the wealth of reviews on sci fi schlock flower power and puppet people films are detailed essays on specific sleaze genres such as Biker Blaxploitation and Drug movies Fully updated and revised with new reviews and new illustrations **Spray Paint the Walls: The Story of Black Flag** Stevie

Talent Is An Asset: The Story Of Sparks Daryl Easlea, 2010-04-07 When LA musicians Russell and Ron Mael moved to Britain in 1973 they hit the pop world as Sparks and looked like oddballs even in the context of the glam rock movement that made them welcome Soon defined by their weird and wonderful 1974 single This Town Ain't Big Enough For The Both Of Us from the Kimono My House album Sparks have now released 22 albums over four decades each record inhabiting a bizarre world of its own Their songs were peppered with puns and pop culture nods as well as nostalgia and jokey images all mixed up in a kaleidoscope of musical references ranging from rock to opera to disco They remain one of pop music's truly original and uncompromising acts The Sparks story is now celebrated in this unauthorised book Daryl Easlea's exploration of their extraordinary drawing on hours of new interviews and research Talent Is An Asset comes as close as possible to pinning down the quicksilver nature of two gifted musicians who have gone out of their way to remain unpredictable and elusive forever entrenched behind a dazzling gallery of jokes impersonations and musical eccentricities
