Generosity, Stewardship, and Abundance Lovett H. Weems Jr., Ann A. Michel, 2021-05-09 God's purpose in calling us to lives of faithful stewardship and generosity isn't merely to sustain the church. Rather, the continued existence of the church is essential to sustain the powerful transformative message of our faith. Lovett H. Weems Jr. and Ann A. Michel present the Bible's redeeming and transforming message of generosity, stewardship, and abundance in this comprehensive guide to Christian financial responsibility. The book provides practical advice to pastors and church leaders tasked with funding ministry and inspiring others toward responsible stewardship and greater generosity. It addresses church fundraising, stewardship campaigns, budgets, financing capital needs, endowments, and innovative approaches to economic sustainability. The book integrates the theological and practical dimensions of finance to empower congregational leaders to think critically about stewardship from a Christian perspective, help them use their personal and congregational possessions in the light of faith.

Foundations for African Theological Ethics James Nkansah-Obrempong, 2013-05-14 Having taught on ethics in Africa for almost a decade, James Nkansah Obrempong presents a work that goes some way to addressing the dearth of materials on ethics that combine African social, religious, cultural, and moral values with biblical and theological values.

Integrating these from African Western and biblical contexts Nkansah demonstrates how important they are for dealing with contemporary moral and social issues facing the church in Africa and African societies The book develops a theoretical biblical and theological foundation for Theological Ethics and uses this to address the broader issues that affect the socio political and economic life of African people and the church Yours Lord Michael Wright,1992-01-01 Christian stewardship has changed and grown into a much broader and richer vision of grateful response to God for all creation This book helps us with our attitude to money lifestyle and generosity gives guidance on making a mission statement coping with change personal appraisal and action It is backed by the Council of Churches for Britain and Ireland Christian Stewardship Network the Christian Stewardship Committee of the Central Board of Finance of the Church of England the Archbishop of the Church in Wales the Moderator of the General Assembly of the Church of Scotland the General Secretary of the Baptist Union the Moderator of the General Assembly of the United Reformed Church the Territorial Commander of the Salvation Army and the Secretary of the Methodist Stewardship Organisation **Luther League Review** ,1922 **Notes for one year's Sunday school lessons** James Maurice Wilson,1903 **Encyclopedia of Women in Today's World** Mary Zeiss Stange,Carol K. implications of the Bible's teachings regarding the proper stewardships of our lives our abilities and our possessions His emphasis is much broader than money but he makes a vigorous plea for increased giving and assures the reader of new blessings from God Is it fair for one family to have more food than they can eat more money than they can spend more clothes than they can wear and more houses than they can live in while other families have no food to eat no money to spend only rags to wear and no roof over their heads Christian stewardship demands that we share and that we teach others to share Energy crises depletion of natural resources and the hunger in the world call into question the morality of affluence If humanity is to survive we must become better stewards Those who read this book will develop a new appreciation for God's generosity to us and a new sense of responsibility for making the best use of his gifts *A Theology for Christian Stewardship* T.A.
