J. Anderson, 2013-12 When I see and hear the ubiquitous hype and media coverage for celebrities receiving acclaim after facing their ordeals with breast cancer I hear words like bravery stamina devastating disease how well they are handling the diagnosis and how heroically they are getting on with their lives Most of these same celebrities are alive and well after their diagnosis because of the work done by women like my late wife Lois A Anderson Yet most people have never heard of her If you want to read a book about real bravery real stamina and the power to make real changes that matter to the breast cancer story you need to take the time to read this book Lois came from a poor family coming from conditions most of us would never ascend from and made her mark upon the world I do not want to be forgotten she told me after being diagnosed with stage III breast cancer at the age of thirty nine She lived eighteen years after that diagnosis and in many ways changed the world with her knowledge support and political advocacy Many throw money at research in an effort to move breast cancer out of the ranks of an incurable cancer into one where most will survive it Lois didn't have money She didn't have the media to tell of her many battles What she did have was a spirit of hope which she used to battle breast cancer on all fronts This is the story of a remarkable woman who in spite of the odds not only survived but also turned an ordeal that would have devastated most of us into a shining example of what one person can do even when they are facing death Sometimes you get the chance to change things she often told me In her short lifetime even with cancer raging through her body she took the chance and did that very thing She not only fought her own personal battle with breast cancer but also fought the war against it Lois pursued such an astonishing life from the moment she came into the world overcoming many obstacles in her quest to rise above the ordinary many conquered before breast cancer entered her life I felt her story had to be told She lived her short life coming from very humble beginnings rising from all of it making changes she hoped would better everyone when it ended on January 17 2011 At the time of her death she was considered a great breast cancer advocate known at the national level She was diagnosed with stage III breast cancer at the age of thirty nine six days before her fortieth birthday in 1992 Signs that could have cautioned her remained muted by an unsuspecting bruise she sustained from an injury several months before her fortieth birthday In time she was treated for the initial breast cancer and remained cancer free for almost ten years until cancer returned in 2001 Then when the odds seemed stacked against her she fought the disease as a stage IV breast cancer survivor metastatic breast cancer from the time of that dire discovery until she died in January 2011 She lived eighteen years from the time she was diagnosed against all prognostications allowing her only five

Poems by The Red Neck Poet Brion L. Morse, 2014-10-29 As stated in Brion's introduction these poems were written and intended as a testimonial of one man's life for his children and grandchildren The poems grew into something bigger seeing the importance for as God's word states in the Roman II Timothy 3:16-17 all scripture is given by inspiration of God and is profitable for the doctrine for reproof for correction for instruction in righteousness that the man of God may be perfect thoroughly furnished unto all good works Brion thanks his God for the inspiration he has given him on several of these poems He thanks his daughters as workers and inspiration also It has never been his intention to hurt anyone with his writings If so get over it and change your life as well The last poem of this book is Brion's letter to any addict struggling to overcome a hard addictive behavior Get and seek the help you need Believe in the true God and please don't victimize your family Brion hopes these readings have been enjoyable and inspirational but most of all this is and was his testimonial throughout time for his children and grandchildren of who their father and grandfather was Humanism and Style Clarence H. Miller, 2011-05-12 Clarence Miller's *Humanism and Style* Essays on Erasmus and More provides an illuminating and circumstantial engagement with the important works of two great humanists especially their masterpieces *The Praise of Folly* and *Utopia* He shows how they were deeply influenced by the very medieval world that they rejected as they were seeking to recover vital connections to the classics and the church fathers Miller's essays cover a complex terrain that includes the rhetorical functions of stylistic shifts the deployment of proverbial wisdom engagement with ancient texts in an early modern setting and the challenges of maintaining a stance of faith in a world always muddled in its history These essays disclose a sensibility in the work of Erasmus and More that is already attuned to many insights that have emerged with contemporary literary theory
