## **Still Black Still Strong:**

**Still Black, Still Strong** Dhoruba Bin Wahad, Mumia Abu-Jamal, Assata Shakur, 1993 An essential document of the Black Panther Party written by three leading thinkers and party activists who were jailed following the FBI S 1969 mandate to destroy the organization by any means possible Still Black Still Strong is partly based upon the 1989 videotape Framing The Panthers by producers Chris Bratton and Annie Goldson It recounts the stories of Dhoruba Bin Wahad Mumia Abu Jamal and Assata Shakur all of whom were arrested and jailed during the COINTELPRO probe of the Black Panther Party Dhoruba Bin Wahad who organized chapters of the Black Panther Party in New York and along the Eastern Seaboard and worked with tenants in Harlem and on drug rehabilitation in the Bronx was accused of murdering two officers while still in his teens and imprisoned for 19 years He always maintained his innocence and won his freedom by forcing the FBI to release thousands of classified documents proving that he had been framed The justice department eventually rescinded Bin Wahad s conviction and he was released in 1990 seven months after the documentary premiered Mumia Abu Jamal a journalist who headed the Black Panther free breakfast program for inner city school children in Philadelphia was also accused of the murder of an officer and sent on death row where he still is today Assata Shakur was a college educated social worker in her twenties when she was accused of shooting a cop then arrested and tortured and denied medical treatment Her interview was conducted in Cuba where she has been exiled since her escape from a New Jersey women s prison in 1975 Bin Wahad Shakur and Abu Jamal offer a little known history and an incisive analysis of the Black Panthers original goals which the U S Government has tried to distort and suppress As one confidential 1969 memo to J Edgar Hoover put it The Negro youth and moderates must be made to understand that if they succumb to revolutionary teaching they will be dead revolutionaries

**The Black Panther Party (reconsidered)** Charles Earl Jones, 1998 This new collection of essays contributed by scholars and former Panthers is a ground breaking work that offers thought provoking and pertinent observations about the many facets of the Party By placing the perspectives of participants and scholars side by side Dr Jones presents an insider view and initiates a vital dialogue that is absent from most historical studies **Black Panthers For Beginners** Boyd, Herb, 2015-08-05 A crowd of onlookers gawked from the sidewalk as four young black men dressed in black leather jackets and berets leaped from a Volkswagen each of them wielding shotguns with bandoliers strapped across their bodies The young men surrounded two white police officers who had accosted a black man and had him spread eagled against a building The young men did not say a word as the police officers watched them nervously their eyes fixed on the shotguns One of the young men held a large law book in his hand This was the Black Panther Party in ideal action The real story the whole story was both more and less heroic So begins Black Panthers For Beginners The late 1960s when the Panthers captured the imagination of the nation s youth was a time of regulation While their furious passage was marked by death destruction and government sabotage the Panthers left an instructive legacy for anyone who dares to challenge the system Herb Boyd has

done exhaustive research examined the claims of all parties involved and boiled the story down to the truth We believe this is the most truthful book on the market but each Panther has his or her own story to tell We suggest that you check out the stories of all the Black Panthers Racism and Resistance Franziska Meister,2017-04-15 Even a cursory look at U S society today reveals that protests against racial discrimination are by no means a thing of the past What can we learn from past movements in order to understand the workings of racism and resistance In this book Franziska Meister revisits the Black Panther Party and offers a new perspective on the Party as a whole and its struggle for racial social justice She shows how the Panthers were engaged in exposing structural racism in the U S and depicts them as uniquely resourceful imaginative and subversive in the ways they challenged White Supremacy while at the same time revolutionizing both the self conception and the public image of black people Meister thus highlights an often marginalized aspect of the Panthers how they sought to reach a world beyond race by going through race A message well worth considering in an age of color blindness **Left of Karl Marx** Carole Boyce Davies,2008-02-05 Assesses the activism writing and legacy of Claudia Jones 1915 1964 a pioneering Afro Caribbean radical intellectual active in the U S and U K No God but Man Atiya Husain,2024-12-16 Reconceptualizing the relationship between race and Islam in the United States No God but Man theorizes race as an epistemology using the FBI s post 9 11 Most Wanted Terrorist list and its posters as its starting point Atiya Husain traces the origins of the FBI wanted poster form to the work of nineteenth century social scientist Adolphe Quetelet specifically his overvalued type of human called average man Husain argues that this notion of the human continues to structure wanted posters as well as much contemporary social scientific thinking about race Focusing on the curious representations on the Most Wanted Terrorist list that range from Muslims who lack a race category on their posters to the 2013 addition of Black revolutionary Assata Shakur Husain demonstrates the ongoing influence of the average man and its relevance even today proposing a counterweight to the category by engaging Shakur s turn to Islam in the 1970s in the legal context In doing so Husain shows the limitations of race as an analytical category altogether Total Liberation David Naguib Pellow,2014-09-01 When in 2001 Earth Liberation Front activists drove metal spikes into hundreds of trees in Gifford Pinchot National Forest they were protesting the sale of a section of the old growth forest to a timber company But ELF s communic on the action went beyond the radical group s customary brief Drawing connections between the harms facing the myriad animals who make their home in the trees and the struggles for social justice among ordinary human beings resisting exclusion and marginalization the dispatch declared all oppression is linked just as we are all linked and decried the patriarchal nightmare in the form of techno industrial global capitalism In Total Liberation David Naguib Pellow takes up this claim and makes sense of the often tense and violent relationships among humans ecosystems and nonhuman animal species expanding our understanding of inequality and activists uncompromising efforts to oppose it Grounded in interviews with more than one hundred activists on the spot fieldwork and analyses of thousands of pages of documents websites journals

and zines Total Liberation reveals the ways in which radical environmental and animal rights movements challenge inequity through a vision they call total liberation In its encounters with such infamous activists as Scott Crow, Tre Arrow, Lauren Regan, Rod Coronado and Gina Lynn the book offers a close up insider's view of one of the most important and feared social movements of our day At the same time it shows how and why the U S justice system plays to that fear applying to these movements measures generally reserved for jihadists with disturbing implications for civil liberties and constitutional freedom How do the adherents of total liberation fight oppression and seek justice for humans nonhumans and ecosystems alike And how is this pursuit shaped by the politics of anarchism and anticapitalism In his answers Pellow provides crucial in depth insight into the origins and social significance of the earth and animal liberation movements and their increasingly common and compelling critique of inequality as a threat to life and a dream of a future characterized by social and ecological justice for all

A History of African American Autobiography Joycelyn Moody, 2021-07-22 This History explores innovations in African American autobiography since its inception examining the literary and cultural history of Black self representation amid life writing studies By analyzing the different forms of autobiography including pictorial and personal essays editorials oral histories testimonials diaries personal and open letters and even poetry performance media of autobiographies this book extends the definition of African American autobiography revealing how people of African descent have created and defined the Black self in diverse print cultures and literary genres since their arrival in the Americas It illustrates ways African Americans use life writing and autobiography to address personal and collective Black experiences of identity family memory fulfillment racism and white supremacy Individual chapters examine scrapbooks as a source of self documentation African American autobiography for children readings of African American persona poems mixed race life writing after the Civil Rights Movement and autobiographies by African American LGBTQ writers

**Imprisoned Intellectuals** Joy James, 2003 Prisons constitute one of the most controversial and contested sites in a democratic society The United States has the highest incarceration rate in the industrialized world with over 2 million people in jails prisons and detention centers with over three thousand on death row it is also one of the few developed countries that continues to deploy the death penalty International Human Rights Organizations such as Amnesty International have also noted the scores of political prisoners in U S detention This anthology examines a class of intellectuals whose analyses of U S society politics culture and social justice are rarely referenced in conventional political speech or academic discourse Yet this body of outlawed public intellectuals offers some of the most incisive analyses of our society and shared humanity Here former and current U S political prisoners and activists writers from the civil rights black power women's gay lesbian American Indian Puerto Rican Independence and anti war movements share varying progressive critiques and theories on radical democracy and revolutionary struggle This rarely referenced resistance literature reflects the growing public interest in incarceration sites intellectual and political dissent for social justice and the possibilities of democratic transformations Such anthologies

also spark new discussions and debates about reading for as Barbara Harlow notes Reading prison writing must demand a correspondingly activist counterapproach to that of passivity aesthetic gratification and the pleasures of consumption that are traditionally sanctioned by the academic disciplining of literature Barbara Harlow 1 1 Barbara Harlow Barred Women Writing and Political Detention New England Wesleyan University Press 1992 Royalties are reserved for educational initiatives on human rights and U S incarceration

Seeking the Beloved Community Joy James, 2013-05-09 Written over the course of twenty years the essays brought together here highlight and analyze tensions confronted by writers scholars activists politicians and political prisoners fighting racism and sexism Focusing on the experiences of black women calling attention to and resisting social injustice the astonishing scale of mass and politically driven imprisonment in the United States and issues relating to government and civic powers in American democracy Joy James gives voice to people and ideas persistently left outside mainstream progressive discourse those advocating for the radical steps necessary to acknowledge and remedy structural injustice and violence rather than merely reforming those existing structures

*Routledge International Handbook of Contemporary Racisms* John Solomos, 2020-02-25 The study of contemporary forms of racism has expanded greatly over the past four decades Although it has been a focus for scholarship and research for the past three centuries it is perhaps over this more recent period that we have seen important transformations in the analytical frames and methods to explore the changing patterns of contemporary racisms The Routledge International Handbook of Contemporary Racisms brings together thirty four original chapters from international experts that address key features of contemporary racisms The Handbook has a truly global orientation and covers contemporary racisms in both the western and non western geopolitical environments In terms of structure the volume is organized into ten interlinked parts that include Theories and Histories Contemporary Racisms in Global Perspective Racism and the State Racist Movements and Ideologies Anti Racisms Racism and Nationalism Intersections of Race and Gender Racism Culture and Religion Methods of Studying Contemporary Racisms and the End of Racism These parts contain chapters that draw on original theoretical and empirical research to address the evolution and changing forms of contemporary racism The Handbook is framed by a General Introduction and by short introductions to each part that provide an overview of key themes and concerns Written in a clear and direct style and from a conceptual multidisciplinary and international perspective the Handbook will provide students scholars and practitioners with an overview of the most pressing issues of Racisms in our time

*Keywords in Radical Philosophy and Education*, 2019-05-15 While education is an inherently political field and practice and while the political struggles that radical philosophy takes up necessarily involve education there remains much to be done at the intersection of education and radical philosophy That so many intense political struggles today actually center educational processes and institutions makes this gap all the more pressing Yet in order for this work to be done we need to begin to establish common frameworks and languages in and with which to move *Keywords in Radical Philosophy and Education* takes up this crucial and urgent

task Dozens of emerging and leading activists organizers and scholars assemble a collective body of concepts to interrogate provoke and mobilize contemporary political economic and social struggles This wide ranging edited collection covers key and innovative philosophical and educational themes from animals sex work and praxis to studying podcasting debt and students This field defining work is a necessary resource for all activists and academics interested in exploring the latest conceptual contributions growing out of the intersection of social struggles and the university Contributors are Rebecca Alexander Barbara Applebaum David Backer Jesse Bazzul Brian Becker Jesse Benjamin Matt Bernico Elijah Blanton Polina Theopoula Chrysochou Clayton Coopride Katie Crabtree Noah De Lissovoy Sandra Delgado Dean Dettloff Zeyad El Nabolsy Derek R Ford Ra l Olmo Fregoso Bail n Michelle Gautreaux Salina Gray Aashish Hemrajani Caitlin Howlett Khuram Hussain Petar Jandri Colin Jenkins Kelsey Dayle John Lenore Kenny Tyson E Lewis Curry Malott Peter McLaren Glenn Rikowski Marelis Rivera Alexa Schindel Steven Singer Ajit Singh Nicole Snook Devyn Springer Sara Tolbert Katherine Vroman Anneliese Waalkes Chris Widimaier Savannah Jo Wilcek David Wolken Jason Wozniak and Weili Zhao

*Feminist Perspectives on Politics* Chris Corrin,2014-07-10 Feminist Perspectives on Politics considers how feminist perspectives have considerably broadened the scope of what is considered political Themes and issues covered range from nineteenth century debates around women s equality and liberation to twentieth century arguments and activities towards gaining a more nuanced understanding of women s differences and diversity Difference remains a key term in contemporary feminisms and the author examines debates engendered from women s liberation politics to open up discussion of Black feminisms lesbian politics and disabled feminist agendas Formal political participation and the impact of women s movement politics are assessed in global comparisons as are the debates surrounding discourses on development and transnational politics and the influence of women at local national and international levels The book will be essential reading for students at all levels across the fields of Politics Women s Studies Sociology History Cultural Studies Political Economy and Development Studies more generally such as in studies concerned with anti racism gender social policy and the history of ideas within educational institutions local government and voluntary organisations

Red Army Faction, A Documentary History J. Smith,André Moncourt,2009-02-01 The first in a two volume series this is by far the most

in depth political history of the Red Army Faction ever made available in English Projectiles for the People starts its story in the days following World War II showing how American imperialism worked hand in glove with the old pro Nazi ruling class shaping West Germany into an authoritarian anti communist bulwark and launching pad for its aggression against Third World nations The volume also recounts the opposition that emerged from intellectuals communists independent leftists and then explosively the radical student movement and countercultural revolt of the 1960s It was from this revolt that the Red Army Faction emerged an underground organization devoted to carrying out armed attacks within the Federal Republic of Germany in the view of establishing a tradition of illegal guerilla resistance to imperialism and state repression Through its bombs and manifestos the RAF confronted the state with opposition at a level many activists today might find difficult to imagine For the first time ever in English this volume presents all of the manifestos and communiqu s issued by the RAF between 1970 and 1977 from Andreas Baader s prison break through the 1972 May Offensive and the 1975 hostage taking in Stockholm to the desperate and tragic events of the German Autumn of 1977 The RAF s three main manifestos The Urban Guerilla Concept Serve the People and Black September are included as are important interviews with Spiegel and le Monde Diplomatique and a number of communiqu s and court statements explaining their actions Providing the background information that readers will require to understand the context in which these events occurred separate thematic sections deal with the 1976 murder of Ulrike Meinhof in prison the 1977 Stammheim murders the extensive use of psychological operations and false flag attacks to discredit the guerilla the state s use of sensory deprivation torture and isolation wings and the prisoners resistance to this through which they inspired their own supporters and others on the left to take the plunge into revolutionary action Drawing on both mainstream and movement sources this book is intended as a contribution to the comrades of today and to the comrades of tomorrow both as testimony to those who struggled before and as an explanation as to how they saw the world why they made the choices they made and the price they were made to pay for having done so

**Hip Hop Intellectual Resistance** A. Shahid Stover,2009-07-22 As an engaging philosophical work of social critique and cultural commentary A Shahid Stover ignites a series of explosive critical interrogations which explore a tense unity of Hip Hop aesthetics and radical social theory Written with the compelling audacity of a young iconoclast Stover challenges the reader with an elevated critical discourse which remains diligently grounded and ever relevant to the streets of a world in structural transition spiritual alienation socio political upheaval and intellectual revolt Hip Hop Intellectual Resistance is a book of genuine existential liberationist commitment as lived and experienced by a new voice of independent radical thought who revels in confronting the academy with social relevance and inciting the streets with intellectual rigor

*Abolition Feminisms Vol. 2* Alisa Bierria,Brooke Lober,Jakeya Caruthers,2022-11-08 In this expansive companion to Abolition Feminisms Vol I contributors confront multiple paradigms of punitivity the foundational logics of family borders heterosexuality colonial violence and more to disengage us from root systems of carcerality The book transcends various

modes and forms through grassroots praxis critical research storytelling diagrams poetry and visual art these pieces build on the legacies of feminist thinkers who formulated abolitionist critiques of policing surveillance and control The resulting framework provides readers with the resources to cultivate and inhabit a post carceral world of radical freedom and possibility

*Warfare in the American Homeland* Joy James,2007-07-20 DIVA collection of writings by prisoners and scholars that documents the extension of the violence and the repression of the prison establishment into the larger society

div *Freedom on My Mind* Manning Marable,2003-07-10 Freedom on My Mind reveals the richly diverse and complex experience of black people in America in their own words from the Colonial era of Benjamin Banneker to the present world of Kweisi Mfume and Clarence Thomas Personal correspondence excerpts from slave narratives and autobiographies leaflets significant addresses and speeches oral histories and interviews political manifestos and important statements of black institutions and organizations are brought together to form a volume that testifies to the boundless creative potential of black Americans in indefatigable pursuit of the dream of freedom Arranged thematically the selections illustrate the politics of resistance as reflected through gender and sexuality kinship and community work and leisure faith and spirituality They also highlight the contributions of women to black identity history and consciousness and offer excerpts from the work of some of the finest stylists in the African American canon A general introduction as well as short introductions and bibliographies for each document further enhance the usefulness of the book for students and researchers

**Tip of the Spear** Orisanmi Burton,2023-10-31 A radical reinterpretation of Attica the revolutionary 1970s uprising that galvanized abolitionist movements and transformed prisons Tip of the Spear boldly and compellingly argues that prisons are a domain of hidden warfare within US borders With this book Orisanmi Burton explores what he terms the Long Attica Revolt a criminalized tradition of Black radicalism that propelled rebellions in New York prisons during the 1970s The reaction to this revolt illuminates what Burton calls prison pacification the coordinated tactics of violence isolation sexual terror propaganda reform and white supremacist science and technology that state actors use to eliminate Black resistance within and beyond prison walls Burton goes beyond the state records that other histories have relied on for the story of Attica and expands that archive drawing on oral history and applying Black radical theory in ways that center the intellectual and political goals of the incarcerated people who led the struggle Packed with little known insights from the prison movement the Black Panther Party and the Black Liberation Army Tip of the Spear promises to transform our understanding of prisons not only as sites of race war and class war of counterinsurgency and genocide but also as sources of defiant Black life revolutionary consciousness and abolitionist possibility
