before Ko Samui which is no longer the same Back to Bangkok To Borneo Back to Bangkok To Manila Then Alaska Then half neglected half lost the ancient city of Leh prophetic words on the roof of the world their truth distilled to its crudest essence Then finally South Korea The Soul of Asia as proclaim the tourist slogan slapped across the fleet of taxis that cruise the wide boulevards of Seoul From Korea from Japan around the Ring of Fire Taipei albeit ever so quickly touch and go really KL for a massage Singapore for the Singapore Sling Then from the coffee plantations and volcanoes of Java to the primary rainforests and spiritual smorgasbord of Sulawesi and Bali surfers paradise Indonesia encompasses over 13 000 islands with 336 ethnic groups and a borderless rainbow babel of different languages cultures and traditions In addition to coffee colored Hindus Christians and Buddhists this is the home of more Muslims than all the Middle East Linking the islands is the lingua franca of Bahasa and an underlying songline of history animist religions are uniting threads that cross oceans adding layers of meaning to the word multicultural Here some Muslims drink beer and arak in addition to java some worship Buddha Vishnu Krishna and Jesus in addition to Allah while others leave offerings to good and evil pagan spirits tourists included In fact clutched in the talons of the mythical Garuda the national airline and state crest is the motto Unity in Diversity I muse about that in an undertaker s shop where he sells coffins and Coca Cola side by side and at the same time it seems There was much more I hitched rides on logging trucks and dugout canoes traveling often alone crisscrossing language zones and time zones transfixed by an idea of the world a way around it The fourth book of the Travelogues East Before South is a story of that trip

Degnan, 2016-05-17 Two German families one corrupt and Aryan while the other honorable and Jewish form an unlikely and convoluted relationship spanning three generations Then in June of 1944 comes the inevitable final reckoning In the waning days of Nazi Germany two larcenous conspiracies collide tragically in a forgotten backwater of war ravaged Germany both plans sabotaged by their lone common participant Four people die and four others simply disappear without a trace though clearly not together Also missing is a fortune in Nazi gold and artwork The obscure incident generates a cryptic memo which finds its way into the highest echelons of the Third Reich Then the Reich falls the incident the treasure and the memo all disappearing into history In July 1970 a quarter century later the memo resurfaces And the killings begin again Drawn unsuspecting into the carnage the descendants know only that they must unravel the puzzle before one of them becomes the next victim But the trail is cold and the search frustrating each new revelation taking them further back in history and deeper into the bizarre world of the Third Reich And looming before them is the danger zone a fanatic cabal of SS survivors determined to find the answers first     *Review of the Federal Meat Inspection Program* United States. Subcommittee on Livestock, Dairy, and Poultry, 1984     **A Song I Knew by Heart** Bret Lott, 2004-04-13 And Ruth said Entreat me not to leave thee or to return from following after thee for whither thou goest I will go and where thou lodgest I will lodge thy people shall be my people and thy God my God Ruth 1 16 During a cold Massachusetts winter a man's car fatally skids on black ice leaving a mother childless and her daughter in law a widow Naomi and Ruth bound together as kin are now each other's only comfort Naomi lost her own husband Eli eight years ago and now she has lost her son Watching Ruth struggle through grief Naomi suddenly realizes what she must do to make herself whole again She must return to her childhood home in coastal South Carolina There she remembers was the innocence of youth and first falling in love But when she tells Ruth about her plan she receives an unexpected reply Where you go I will go Where you live that's where I'll live too So the two women plan the journey together The only family Naomi has down South are in laws people she hasn't seen in decades having kept in touch over the years only through annual Christmas cards But when she phones apprehensively to tell them of her plan they welcome her with openness and warmth Arriving at a home full of sons and daughters and grandchildren Naomi and Ruth are flooded with a love they are nearly too fragile to accept Yet Naomi carries a deep secret in her soul and not even this change of scenery can erase its dark shadow As the long Southern days seep into their hearts both she and Ruth begin to find themselves reawakened And as the love of her newfound family and her enduring bond with Ruth prove themselves stronger than sin stronger than heartache redemption finds Naomi once and for all A Song I Knew by Heart is about the healing power of family in particular the bond between a mother in law and daughter in law As Ruth and Naomi share their individual sorrows together they find an uncommon strength The pages of Bret Lott's deeply moving novel flow with a lilting beauty that is as heartrending and as restorative as the relationship at its center     Poetry For and From the Soul Patricia

**Selected Works of Ray Cummings** Raymond King Cummings,2020-09-28 Fear struck us then We searched at first laughingly then with stark horror overwhelming us The little island was all too easy to search There were no caves no cliff over which she could have fallen We had seen all the beach and the near by water within a few moments after her disappearance Surely there had not been time for her to swim out and be drowned She was a fair swimmer and cautious for all her youth And even if she had gone back in the water and got into distress we were so close we could have heard at once any call she made But she was gone Vanished No boat had landed that could have taken her That was impossible without our seeing it over that reach of empty sea I recall our frantic search Then at last Drake and I alone frantically rowed back home to tell father It was like a dream of horror Father s white solemn face He never once reproached Drake or me He telephoned the village Then came another trip to the island in a launch with grave faced men But Dianne was never found We brought back her clothes that lay untouched there by the underbrush at the beach I could not look at them but went into my bedroom and lay on the bed and sobbed It was the first tragedy that life had brought me Night had fallen when Drake came to me He leaned over me sympathetically Take it easy kid His own face was white and drawn he loved Dianne as much as I did but he was older more stoical Father wants to see us Frank Get hold of yourself His arm went around my shoulder and I huddled against him Take it easy wash your face and come on down It was about Dianne father had something to tell us We faced him in the living room He closed its doors Sit down lads It may have been in Drake s thoughts certainly it was in mine that now father was about to blame us I had felt those hours sobbing on the bed that somehow I was to blame That incident in the water when I had annoyed Dianne about her hair wild thoughts swept me that I had annoyed her and she had committed suicide I had already told father about it told him in the launch He had listened and waved it away He sat facing us now a slender solemn man of fifty with iron gray hair and thin studious face His eyes behind his big horn rimmed spectacles seemed unnaturally bright but gentle He said Don t look at me like that lads I ve no intention of reproaching you And then he told us in a burst without preface what we had never suspected You were about two years old Frank and you Drake about eight It was the year before your mother died She and I went to Bird s Nest Island leaving you children at home This same island A summer day he said just about like this We went for a picnic just as you did today It was fifteen years ago We were wandering about the little island your mother and I We heard a wailing cry an infant s In a thicket we found a little girl baby Unharmed An infant about a year old who evidently had been asleep and now had awakened and was crying There was no boat in sight about this island We concluded that some one had been there abandoned the baby and departed We took the baby home No one ever came to claim her It was Dianne
