Loh, 2015-03-22 How portraits of artists during the Renaissance helped create the first art stars in modern history Michelangelo was one of the biggest international art stars of his time but being Michelangelo was no easy thing he was stalked by fans lauded and lambasted by critics and depicted in unauthorized portraits Still Lives traces the process by which artists such as Michelangelo D rer and Titian became early modern celebrities Artists had been subjects of biographies since antiquity but Renaissance artists were the first whose faces were sometimes as recognizable as their art Maria Loh shows how this transformation was aided by the rapid expansion of portraiture and self portraiture as independent genres in painting and sculpture She examines the challenges confronting artists in this new image economy What did it mean to be an image maker haunted by one s own image How did these changes affect the everyday realities of artists and their workshops And how did images of artists contribute to the way they envisioned themselves as figures in a history that would outlive them Richly illustrated Still Lives is an original exploration of the invention of the artist portrait and a new form of secular stardom Still Lives Maria Hummel, 2019-06-04 Twelve shocking paintings Eleven famous murders One missing artist and one woman driven to find her this Reese s Book Club x Hello Sunshine Selection is a stunning achievement Los Angeles Times Kim Lord is an avant garde figure feminist icon and agent provocateur in the L A art scene Her groundbreaking new exhibition Still Lives is comprised of self portraits depicting herself as famous murdered women the Black Dahlia Chandra Levy Nicole Brown Simpson among many others and the works are as compelling as they are disturbing implicating a culture that is too accustomed to violence against women As the city s richest art patrons pour into the Rocque Museum s opening night all the staff including editor Maggie Richter hope the event will be enough to save the historic institution s flailing finances Except Kim Lord never shows up to her own gala Fear mounts as the hours and days drag on and Lord remains missing Suspicion falls on the up and coming gallerist Greg Shaw Ferguson who happens to be Maggie s ex A rogue s gallery of eccentric art world figures could also have motive for the act and as Maggie gets drawn into her own investigation of Lord s disappearance she ll come to suspect all of those closest to her Set against a culture that often fetishizes violence Still Lives is a page turning exodus into the art world s hall of mirrors and one woman s journey into the belly of an industry flooded with money and secrets It s a thrilling mystery that will leave you wondering which characters you can and can t trust There s a twist at the end that still keeps us up at night it s THAT good Reese Witherspoon A Reese s Book Club x Hello Sunshine

Byatt** Elizabeth Hicks, 2010-08-11 This book explores the ways in which English writer A S Byatt s visual still lifes descriptions of real or imagined artworks and what are termed verbal still lifes scenes such as laid tables rooms and market stalls are informed by her veneration of both realism and writing It examines Byatt s adoption of the Barthesian concept of textual pleasure showing how her ekphrastic descriptions involve consumption and take time to unfold for the reader thereby highlighting the limitations of painting It also investigates the ways in which Byatt s still lifes demonstrate her debts to English modernist author Virginia Woolf French writer Marcel Proust and the Pre Raphaelite Brotherhood of nineteenth century Britain A number of Byatt s verbal still lifes are read as semiotic markers of her characters particularly with regard to economic status and class Further her

descriptions uniting food and sexuality are perceived as part of her overall representation of pleasure Finally Byatt s employment of vanitas iconography in many of her portrayals of death is discussed showing how her recurring motif of Keats s Ode on a Grecian Urn teases out the still life s inherent tension between living passion and cold artwork **October Throne** Belden Wimbush,2015-01-29 I really had fun writing my book October Throne October Throne has poetry and short stories Some are inspirational some are not so inspirational My poetry represents the dark and the light like Hennessy and rum Do I have positive messages in October Throne Do I have some negative poems in October Throne Yes I do but my positive thoughts outweigh my negative thoughts The few of my favorite stand out poetry pieces Ive written are Blood in the Water The Day and The Ugly Rises And the few of my favorite stand out short story lines pieces are The Decision The Undying and The Old Is the New the Wrong Is the Right If youre into reading drama and romance October Throne is for you October Throne is for young adults eighteen and up October Throne is no childrens book the wild of a grey wolf of a poet Belden Wimbush As the author I have a wild imagination I hope you will enjoy my poetry and short stories Moving Pictures, Still Lives James Tweedie,2018-05-04 Moving Pictures Still Lives reframes and rediscovers the virtues and limitations of movies created during the late twentieth century between the fading modernity crystallized in cinema and the ascendant new digital media visible in the offing **Henry Lee McFee and Formalist Realism in American Still Life, 1923-1936** John Baker,1987-10 The first full length study of the life and works of Henry Lee McFee pioneer American cubist and prominent member of the Woodstock artists colony McFee s still lifes are considered in detail and a survey of the critics art theorists and aestheticians of the period is presented Nearly 200 illustrations including 22 color plates A Center Gallery Publication *Food in Painting* Kenneth Bendiner,2004 In this sumptuous exploration of food images in European and American painting from the early Renaissance to the present Kenneth Bendiner sees food painting as a separate classification of art with its own history *Still Life with Shape-shifter* Sharon Shinn,2012-11-06 National bestselling author Sharon Shinn presents a passionate heart wrenching story of secrets and the lengths to which we ll go to protect those we love For her entire life Melanie Landon has hidden the fact that her half sister Ann is a shape shifter determined to protect her from a world that simply wouldn t understand When a man shows up asking about Ann who has been missing for months Melanie fears the worst and with good reason Freelance writer Brody Westbrook knows about the existence of shape shifters and intends to include Ann in the book hes writing While Melanie is immediately drawn to the stranger she knows better than to trust him and she denies his claim But when Ann finally reappears looking thin and sick Melanie realizes exposure is the least of their worries Protecting her sister has always been an enormous part of Melanie s life but as Ann s health rapidly deteriorates Melanie must come to grips with the fact that saving her may mean letting go *The Cambridge Handbook of the Psychology of Aesthetics and the Arts* Pablo P.
