Still Love In Strange Places A Memoir:

Still Love in Strange Places Beth Kephart, 2003 When Beth Kephart met and fell in love with the artist who would become her husband she had little knowledge of the coffee farm he came from Kephart's lush poetic evocation of Salvadorian life its magic and tragedies Los Angeles Times offers her testament to the ties that bind *Looking for Love in Strange Places: A Memoir for My Stepdaughters* Diana Page, 2016-02-18 Back in 1968 Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career She didn't have a boyfriend so a prospective husband was unlikely to materialize before the semester ended and a bachelor's in political science wasn't going to make her easily employable The solution Join the Peace Corps where she could help change the world and possibly meet a guy who shared her values Thus began Diana's adventures Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty first century With excerpts from diaries letters and news articles she weaves together a narrative of war and peace presidents and peasants but mostly of ordinary people who teach her about life She also runs into a few extraordinary people along the way Fidel Castro Isabel Peron Pele Jorge Luis Borges and Hilary Clinton among others *Looking for Love in Strange Places A Memoir for My Stepdaughters* is a hopeful humorous account of what happens when you seize the day without too many expectations for the future **Ghosts in the Garden** Beth

Buss,2006-01-01 Why does it seem as if everyone is writing memoirs and particularly women The current popularity of memoir verifies the common belief that we each have a story to tell And we do especially women Memoirs are not only representations of women s personal lives but also of their desire to repossess important parts of our culture in which women s stories have not mattered Beginning with her own motivations for writing memoirs Helen M Buss examines the many kinds of memoir written by contemporary women memoirs about growing up memoirs about traumatic events about relationships about work In writing memoirs these women publicly assert that their lives have mattered They reshape the memoir a form as old as the middle ages and as young as today into a social discourse that blends the personal with the political the self with the significant other literature with history and fiction with autobiography and essay Buss urges readers to use their reading experience to help themselves understand and write the significance of their own lives Repossessing the World is the first book length critical inquiry into women s use of a form that has often been dismissed as less important than autobiography less professional than the novel and less intellectual than the formal essay Buss demonstrates that the memoir makes its own art not only through selective borrowing from these genres but also through the unique way that the tripartite narrative voice of the memoir constructs the personal and public experience of the memorist as significant to our cultural moment **Taking Our Place in History** Girls Write Now,2021-06-02 The award winning annual anthology from New York

Miyamoto Walters,2015-09-09 The events of December 7 1941 rocked the lives of people around the world The bombing of Pearl Harbor had intimate repercussions too especially in the territory of Hawaii In Love and War recounts the wartime experiences of author Melody M Miyamoto Walters s grandparents two second generation Japanese Americans or Nisei living in Hawaii Their love story narrated in letters they wrote each other from July 1941 to June 1943 offers a unique view of Hawaiian Nisei and the social and cultural history of territorial Hawaii during World War II Drawing on her grandparents letters Miyamoto Walters fleshes out what it meant to live and work on the islands of Kauai Oahu and Hawaii during the war years Although to outsiders twenty somethings Yoshiharu Ogata and Naoko Tsukiyama were both Japs the couple came from different socioeconomic classes and cultures Naoko the author s grandmother hailed from a prosperous Honolulu merchant family whereas Yoshiharu grew up poor part of the laboring class on a sugar plantation on Kauai Their courtship was riddled with challenges He stayed on Oahu then moved to Kauai she moved to the Big Island Yoshiharu faced the possibility of being drafted into the military After the bombing of Pearl Harbor they both lived under martial law Some Americans operating under nativist and xenophobic beliefs questioned Japanese Americans loyalty to the United States But as the letters collected here show the Nisei were patriots Naoko and Yoshiharu spoke English participated in the YMCA and the USO and taught in public schools They embraced American popular culture quoting lines of pop songs in their correspondence and celebrated both Japanese and American traditions Through their experiences Miyamoto Walters shows how Japanese Americans negotiation of race ethnicity and cultural space in wartime indelibly shaped Hawaii s postwar economic political and social landscape
