Is a Rotten Apple Still Sweet? Red Angel, 2011-11-01 At the young age of seven Raven found her mother dead on the bathroom floor having overdosed on heroine She knew she would never end up like her mother but it wouldn't be easy to change her life circumstances especially since she was suddenly and terribly alone at the age of seven But Raven was always special She was beautiful and filled with life sometimes she would even feel her mother's spirit watching over her keeping her safe As Raven grows into a young woman in the inner city of Toledo Ohio she eventually meets the man of her dreams Calvin As she soon finds out though you can't always tell a good apple from a bad one just by looking at its skin Calvin gradually turns into the man of her nightmares as their relationship spirals out of control and deep into the depths of physical and emotional abuse As Raven's confidence slowly breaks she feels her lively spirit breaking too Raven still feels the spirit of her mother pulling her back to their family tree and the strong roots that raised her Somewhere Raven must discover her inner beauty again hidden beneath the bruises She must find the will to go on living despite a broken heart It is the strength of her core that will keep her alive and dreaming The good apple that had some bad luck can still be sweet with a little hope love and faith
