**The Wild Adventures of Hopalong Cassidy - 7 Western Classics in One Volume** Clarence Mulford, 2017-03-25  
Hopalong Cassidy is a cowboy hero created by the author Clarence Mulford who wrote a series of popular short stories and many novels based on the character. In his early writings Mulford portrayed the character as rude, dangerous, and rough talking. He had a wooden leg which caused him to walk with a little hop, hence the nickname. The character as played by movie actor William Boyd in films adapted from Mulford's books was transformed into a clean cut sarsaparilla drinking hero. Sixty six popular films appeared. The Coming of Cassidy and Others Hopalong Cassidy Bar 20 Days Buck Peters Ranchman The Bar 20 Three Tex. Clarence E. Mulford 1883-1956 created Hopalong Cassidy in 1904 while living in Fryeburg, Maine, and the many short stories and 28 novels were adapted to radio, feature film, television, and comic books, often deviating significantly from the original stories, especially in the character's traits. But more than just writing a very popular series of Westerns, Mulford recreated an entire detailed and authentic world filled with characters drawn from his extensive library research.

There's Nothing in This Book That I Meant to Say Paula Poundstone, 2022-04-05. Part memoir, part monologue with a dash of startling honesty. There's Nothing in This Book That I Meant to Say features biographies of legendary historical figures from which Paula Poundstone can't help digressing to tell her own story. Mining gold from the lives of Abraham Lincoln, Helen Keller, Joan of Arc, and Beethoven among others, the eccentric and utterly inimitable mind of Paula Poundstone dissects, observes, and comments on the successes and failures of her own life with surprising candor and spot-on comedic timing in this unique laugh-out-loud book. If you like Paula Poundstone's ironic and blindingly intelligent humor, you'll love this wryly observant, funny, and touching book.

Paula Poundstone on The sources of her self-esteem. A couple of years ago I was reunited with a guy I knew in the fifth grade. He said, "All the other fifth grade guys liked the pretty girls, but I liked you." It's hard to know if a guy is sincere when he lays it on that thick. The battle between fatigue and informed citizenship. I play a videotape of The NewsHour with Jim Lehrer every night, but sometimes I only get as far as the theme song: da da da da da ah before I fall asleep. Sometimes as soon as Margaret Warner says whether or not Jim Lehrer is on vacation, I drift right off. Somehow just knowing he's well comforts me. The occult. I need to know exactly what day I'm gonna die so that I don't bother putting away leftovers the night before. TV's misplaced priorities. Someday in the midst of the State of the Union address, they'll break in with, "We interrupt this program to bring you a little clip from Bewitched." Travel in London. I went to the queen's house. I went as a tourist; she didn't invite me, so she could pick my brain. What do you think of my face on the pound? Too serious. Air conditioning in Florida. If it were as cold outside in the winter as they make it inside in the summer, they'd put the heat on. It makes no sense. The scandal. The judge said I was the best probationer he ever had. Talk about proud. With a foreword by Mary Tyler Moore.

**The Way of Nothing** Paramananda Ishaya, 2014-01-31 Though it is simple and obvious, you may not understand the incredible importance of the way of nothing. When you do see the way, you will wonder: Can it really be this easy and simple? And seeing that there was never anything in the way of freedom, can almost be embarrassing. How could I have never seen it? You'll ask. *The Way of Nothing*. Nothing in the Way explores the obstacles that stop you from reaching your highest desires: enlightenment, eternal peace, or simply ordinary contentment. These obstacles are nothing more than concepts you have that seem real yet they vanish with insight into the way. It is a wonderful surprise to discover that there has always been nothing in the way of what you want. Best of all, there is really nothing to it.

**Narratives of Nothing in 20th-Century Literature** Meghan Vicks, 2017-04-20 The concept of nothing was an enduring concern of the 20th century As Martin Heidegger and Jean Paul Sartre each positioned nothing as inseparable from the human condition and essential to the creation or operation of human existence as Jacques Derrida demonstrated how all structures are built upon a nothing within the structure and as mathematicians argued that zero the number that is also not a number allows for the creation of our modern mathematical system Narratives of Nothing in 20th Century Literature suggests that nothing itself enables the act of narration Focusing on the literary works of Vladimir Nabokov Samuel Beckett and Victor Pelevin Meghan Vicks traces how and why these writers give narrative form to nothing demonstrating that nothing is essential to the creation of narrative that is how our perceptions are conditioned how we make meaning or madness out of the stuff of our existence how we craft our knowable selves and how we exist in language
