Still Falls The Rain:

THE RAIN STILL FALLS IN SAIGON PHONG THU, 2011-05-17 This book is a collection of stories that portray life as it is lived today under the shadow of the repressive and corrupt communist regime that now rules in Vietnam. The characters who live in these pages represent many levels of social class in the early 21st century in Vietnam. The stories illuminate the hardships and the soul-crushing routine of day to day life in a society governed by bullying bureaucrats and petty apparatchiks. The reader will meet orphaned children who wander the streets selling newspapers or lottery tickets collecting rubbish in exchange for a few spoonfuls of rice. There are stories of honest and patriotic intellectuals who have lost their way in a world that does not value their accomplishments. There are also sympathetic communists who now question their ideology and want to find a better way but they cannot act for fear of economic hardship and even imprisonment. Another story addresses the issue of young women who have become victims of human trafficking sold like cattle to rich foreigners. The title story *The Rain still Falls in Saigon* describes the return of an expatriate to her native land and her feelings of nostalgia and sadness as she surveys her homeland from an outsider's perspective. All of the stories reflect the tears that the Vietnamese people have been crying for their country for more than 65 years. Doug Burke, Editor at large *Animal Theology* Andrew Linzey, 1995 Animal rights is animal theology. The author argues that historical theology creatively defined must reject humanocentricity. He questions the assumption that if theology is to speak on this issue it must only do so on the side of the oppressors. His theological query investigates not only the abstractions of theory but also the realities of hunting, animal experimentation and genetic engineering. He is an important pioneering Christian voice speaking for those who cannot speak for themselves.

The Broadview Anthology of Poetry - Second Edition Amanda Goldrick-Jones, Herbert Rosengarten, 2008-09-30 Among the poets new to this edition are such leading names as Americans Robert Pinsky, Louise Erdrich and Louise Glück, Britons James Fenton and Carol Ann Duffy and Canadians Anne Carson, Robert Brinkman and Christian Bok. A number of names who may be new to many readers of poetry are also included among them: Ohioan Debra Allberry, Vancouverite Elise Partridge and the Cree poet Connie Fife, as with the first edition the editors have endeavored to include much that is fresh as well as much that is familiar. There are many additions to the selections from poets who appeared in the first edition including selections from the recent work of Leonard Cohen, Les Murray and Margaret Atwood. As before, the anthology includes work from English language poets throughout the world from India, Africa and the Caribbean as well as from Britain, North America and Australia. Although the selections from the work of poets of earlier eras are largely unchanged from the first edition, there have been some changes among poems added for this edition: Milton's *L'Allegro* and *Il Penseroso*, Bradstreet's *Employment*, Dickinson's *I cannot live without You*, Frost's *Once by the Pacific* and Auden's *Funeral Blues*. As before, the text emphasizes work of the past century; poems from 1900 or later take up more than half of the anthology's pages. In its first edition, *The Broadview Anthology of Poetry* included biographical information about

the poets at the back of the anthology for the new edition biographical material appears in a headnote to each poet Two other features are also new to this edition the date of first publication is appended after each poem and line numbering is used throughout The numbers have been kept unobtrusive however as with the first edition the designers have endeavored to give a clean look to the pages of the anthology A substantial section on prosody figures of speech and so on is included as an appendix

Subordinated Ethics Caitlin Smith Gilson, 2020-08-21 With Dostoyevsky's Idiot and Aquinas Dumb Ox as guides this book seeks to recover the elemental mystery of the natural law a law revealed only in wonder If ethics is to guide us along the way it must recover its subordination description must precede prescription If ethics is to invite us along the way it cannot lead either as politburo or even as public orthodoxy It cannot be smugly symbolic but must be by way of signage of directionality of the open realization that ethical meaning is en route pointing the way because it is within the way as only sign not symbol can point to the sacramental terminus The courtesies of dogma and tradition are the road signs and guideposts along the longior via not themselves the termini We seek the dialogic heart of the natural law through two seemingly contradictory voices and approaches St Thomas Aquinas and his famous five ways and Fyodor Dostoyevsky's holy idiot Prince Myshkin It is precisely the apparent miscellany of these selected voices that provide us with a connatural invitation into the natural law as subordinated as descriptive guide not as prescriptive leader
