Boys Alive Pier Paolo Pasolini, 2023-11-07 A daring novel once widely censored about the scrappy harrowing and inventive lives of Rome's unhoused youth by one of Italy's greatest film directors Boys Alive published in 1955 was Pier Paolo Pasolini's first work of fiction and it remains his best known Written in the aftermath of Pasolini's move from the provinces to Rome the novel captures the hunger and anger waywardness and squalor of the big city The life of the novel is the life of the city streets from the streets too come its raw mongrel assaultive language Here unblinking realism and passionate lyricism meet in a vision of a vast urban inferno blazing with darkness and light There is no one story to the book only stories splitting off breaking away going nowhere flaming out stories in which scenes of comic debacle bitter conflict wild joy and crushing disappointment quickly follow Pasolini's young characters have nothing to trade on except youth and the struggle to live is unending They loot hustle scavenge steal Somehow money will turn up as soon as it does it will get spent The main thing in any case is to have fun and so the boys boast and vie the desperate uncertainty of their days and nights offset by the fabulous inventiveness of their words A warehouse heist a night of gambling the hunt for sex The world of Boys Alive is a world in convulsion where at any instant disaster may strike Tim Parks new translation of Pasolini's early masterpiece brings out the salt and brilliance of a still scandalous work of art

LACUNA Erin Hosfield, 2024-04-05 You can abandon your past but your secrets won't abandon you As a tattooist it's easy keeping people at arm's length Distract them with questions and when they inevitably ask their own reply vaguely Lie When the lies pile up disappear It's a cycle Lynna's all too familiar with Staying guarded is a necessity but what keeps her safe is also what keeps her lonely It's an empty existence hiding behind lies and she wishes she was someone else Someone not burdened with a secret A year into her most recent move the loneliness bleeds into her work and she admits a few truths At the insistence of a client she explores the city's night scene where she meets the enigmatic Rhys As the months progress so do her feelings for him despite the risks of getting too close When a dangerous encounter leads her straight into his arms she abandons her past in exchange for a new beginning only her secret refuses to be abandoned With her life hanging by a thread she's forced to confess but the secret that will change everything isn't hers Set in an alternate present LACUNA opens with Lynna's transition to an atmospheric northwestern city Derailed from what she's built she finds herself immersed in the lush world of medicinal horticulture enveloped in the kind of close knit relationships she always craved Her fantasy has become reality but not without caveat As she plunges further into this new life she begins to expose the conflicting threads holding it together and what she discovers will bring more questions than answers Cover art Erin Hosfield
