## Still Rage:

**The Rise of Rage** Julie A. Christiansen, 2024 The Rise of Rage is a narrative analysis of anger's place on the emotional spectrum and how our thoughts dictate actions and lead to outcomes in our lives Christiansen's aim is to assist readers seeking to understand and manage their emotions as they navigate everyday life Returned to Rage Kisa Murrin, 2021-04-28 New mysteries unfold and new entanglements emerge because secrets always surface Olivia made her choice self sacrifice seemed to be the only option to spare those she cares about from the destruction that is her husband His veiled threats make her question if she'll ever see the golden tower that became so much more than her safehouse It's the place where her former life was sifted through where she learned the secrets of her past The place she learned to trust again and forged new friendships The golden tower that gave Olivia refuge has become Ian's prison He waits for a lead that will help him find her but each possibility turns to a dead end With each passing day new truths are revealed he finds his mother's past is intertwined with Olivia's in a web of deceit The key to finding her may be in the hands of a man that wronged them both Released from Rage Kisa Murrin, 2021-09-17 With the threat of Greg still lingering Olivia's safety is absolute in the golden tower of the Lost Cities Within the walls new unions are forged through understanding and forgiveness The bonds of friendships are fortified in the hopes of the future And the love between Ian and Olivia is strengthened as new life grows When tragedy strikes Olivia is forced to go beyond those walls leaving the security they provide Greg takes advantage of the opportunity and makes his presence known She must face the inferno of his rage knowing the only way to be free is through the fire She'll have to burn before she can rise from the ashes **Who's Angry?** Barbara L. James A. Wallace,Robert P. Waznak,Guerric DeBona,2005-11 This brilliant collection of homilies draws on the Sunday and feast day readings to demonstrate the relevance of biblical interpretation to the life of a community and its members The purpose of each homily is to address listeners who have gathered for worship by helping them to recognize that God is living present and active in the world and also by helping them respond to God s presence by giving praise and thanks and by living a life that accords with the teachings of Jesus Taken together they constitute a valuable resource for the homilist in the creation of future sermons of equal relevance to the time and circumstances under which they are delivered This second volume comes out of the same vision as its companion volume of homilies for the A cycle At the heart of the B cycle of readings is the Gospel of Mark which is widely believed to be the oldest of the four gospels and the authors present these homilies as material for reflection by both preachers and listeners      **The Angry Therapist** John Kim,2017-04-18 Tackling relationships career and family issues John Kim LMFT thinks of himself as a life styledesigner not a therapist His radical new approach that he sometimes calls self help in a shot glass is easy real and to the point He helps people make changes to their lives so that personal growth happens organically just by living Let s face it therapy is a luxury Few of us have the time or money to devote to going to an office every week With anecdotes illustrating principles in action in relatable and sometimes irreverent fashion and stand alone practices and exercises Kim gives readers the tools and directions to focus on what s right with them instead of what s wrong When John Kim was going through the end of a relationship he began blogging as The Angry Therapist documenting his personal journey post divorce Traditional therapists avoid transparency but Kim preferred the language of me too as opposed to you should He blogged about his own shortcomings revelations views on relationships and the world He spoke a different therapeutic language open raw and at times subversive and people responded The Angry Therapist blog that inspired this book has been featured in The Atlantic Monthly and on NPR      **Surviving Secrets** Walker, Moira,1992-11-01 In recent years considerable attention has been paid to the subject of abuse in childhood Less attention has been paid to what happens to the vast number of women and men who have reached adulthood with this experience haunting them Moira Walker overviews the experience and its implications dealing with physical sexual and psychological abuse An essential part of the content is based on interviews with survivors of child abuse voicing their views on the effects of the experience and the effectiveness of the help offered At the same time Surviving Secrets seeks to understand the context in which abuse takes place the society which itself contains and sustains abuse at various levels It is a moving account of the experience and effects of childhood abuse and a handbook for those in the caring professions in voluntary organizations and elsewhere who are helping survivors of abuse      The Works of the English Poets, from Chaucer to Cowper
