Still Talking:

Wait A Minute, God's Still Talking Warren Powell, Mary Beth Powell, 2010-03 In today's society everyone is busy busy taking the kids to school busy with work busy with life We're always rushing to and fro never really taking the time to slow down We throw a quick Lord keep me safe today in the mornings but Wait a Minute God's Still Talking In their second book Warren and Mary Beth Powell highlight the importance of taking the time to listen to what God has to say back to you Wait a Minute God's Still Talking is a collection of short stories like you'd hear told from your grandparents on the back porch simple easy to understand and yet always pointing toward God's faithfulness Warren and Mary Beth share from their own experiences blending insights wit and humor with biblical truths To show how God will use everyday items to catch our attention and teach us something if only we'd stop to listen Did you ever think God would use bull paper towels to teach about being centered on Christ bull a motorcycle license plate to explain his forgiveness bull Scotch tape as an example that he is our God 24/7 bull or a cell phone as a lesson about hiding sin Warren and Mary Beth Powell live in Henderson Texas This is their second book a continuation of Sonbeams or short devotionals that began in their first book A Dirty Sink A Bug and Squirrels God Speaks

Still Talking Blue Becky Tallentire, 2012-04-13 Do you still curse yourself over the day you met your hero when instead of asking him the one question that's been nagging you for years you couldn't utter a word because you were suddenly and uncharacteristically struck dumb Well curse no more Still Talking Blue is a unique collection of interviews that will answer everything you wanted to know about your Everton heroes and with none of the unnecessary waffle because it only asks the relevant questions as submitted by the fans Collated via the Internet disenfranchised Evertonians scattered across the globe proudly display their astounding recall of bygone events and trivia From Iceland to South Africa Australia to Israel long suffering Bluenoses are finally given the opportunity to ask questions of their heroes and they do so with panache The book contains in depth interviews spanning the decades from the 50s when shorts were long and Dave Hickson's quiff was the envy of Hollywood right through to Dave Watson's final days at the club Join us as we endeavour to track down John Bailey's big hat and Gordon West's handbag and move seamlessly on to more pressing topics such as Kevin Ratcliffe's biggest regret Mick Lyon's worst injury and Alan Harper's favourite goal So if you lie awake at night wondering just what went wrong in the 68 Cup Final whether Jimmy Gabriel still has his white trench coat if Barry Horne really does like The Cocteau Twins or how Dave Hickson has managed to hang on to his hair then unfurrow your brow because the answers all lie within these pages No Evertonian should be expected to survive without this book

Do Angels Smooch
Professor Edward Kapambwe,2021-06-01 Do Angels Smooch Do angels smooch If not why so much obsession in lyrics movies and books about angels and kissing Are there any more surprises that Edward Kapambwe unveils in his book Well there is more For example Kapambwe takes us into an in depth angelic journey in order to understand the extent of angelic involvement in human affairs than ever before He brings out novel elements that have never been unveiled previously For example he recounts how angels visit our stores They buy the stuff they need before meeting people Haven t you noticed that no angel has ever appeared nude or with wings in real life They come already dressed just like us and that is why we have been unable to identify them We are surrounded by angels both good and evil Evil angels no longer transform themselves into humans Only good angels still do Since there are no shops in heaven where do they get the stuff they wear Besides that what happens to these apparels after being used The author asserts that angels donate them to Thrift Stores such as Goodwill the Salvation Army and others Donating to Thrift Stores is an ingenious way to make them accessible to both the rich and the poor Have you wondered why they do that It is a deliberate move they take so that ordinary people could buy things worn by angels That begs another question why do they do that The answer is amazing They do that on purpose because they know that to wear stuff worn by holy angels comes with tremendous blessings This book explains that point persuasively In addition the author contends that these angels are highly disciplined entities such that they never steal anything from banks stores or homes of rich people even though they able to do so without being seen Angels are invisible spirits entities However they have the ability to transform themselves into regular human beings The author throws in another insight He argues and states that helping strangers gives a person the best chance to be visited by an angel The author then explains to us the probabilities of being smooched by an angel Do angels smooch That question points us in the direction of social theology than philosophy It is not a new question but the framing might be Many theologians have debated extensively the narrative found in Genesis 6 where angels came on earth and married daughters of men With his masterful insight and knowledge of theology and philosophy the author gives a different angle of the workings of angels among us It s

not a book to miss If there is one book you need to read in your lifetime Do Angels Smooch should be on top of your list
