music David Cantwell takes us on a revelatory journey through Haggard's music and the life and times out of which it came. Covering the breadth of his career, Cantwell focuses especially on the 1960s and 1970s when Haggard created some of his best known and most influential music songs that helped invent the America we live in today. Listening closely to a masterpiece crowded catalogue including 'Okie from Muskogee', 'Sing Me Back Home', 'Mama Tried', and 'Working Man Blues' among many more, Cantwell explores the fascinating contradictions, most of all the desire for freedom in the face of limits set by the world or self-imposed that define not only Haggard's music and public persona but the very heart of American culture.
