Telling Tales In English 6 Stories For Young Learners How To Use Them:

Telling Tales in English Wendy Superfine, Megan James, 2008-07 *Using Storytelling to Support Children and Adults with Special Needs* Nicola Grove, 2013 This wide ranging book shows teachers and other educational professionals how to engage in highly creative approaches to the use of story which can be centred around myths and legends personal stories life stories or stories created by children themselves and highlights how storytelling can open new worlds for children with or without special educational needs *Thinking and Learning through Children's Literature* Miriam G. Martinez, Junko Yokota, Charles Temple, 2017-04-18 Much of teachers attention these days is focused on having students read closely to ferret out the author's intended meaning and the devices used to convey that meaning But we cannot forget to guide students to have moving engagements with literature because they need to make strong personal connections to books of merit if they are to become the next generation of readers literate people with awareness of and concern for the diversity of human beings around them and in different times and places Fortunately guiding both students personal engagement with literature and their close reading to appreciate the author's message and craft are not incompatible goals This book enthusiastically and intelligently addresses both imperatives first surveying what is gained when students are immersed in literature then celebrating and explicating the main features of literature students need to understand to broaden their tastes and deepen their engagement at the same time they meet external standards then presenting a host of active methods for exploring all major genres of children's books and finally presenting suggestions for interdisciplinary teaching units grounded in literature Created by noted leaders in the fields of children's literature and literacy the book is enlivened by recurring features such as suggested reading lists issues for discussion links to technology and annotations of exemplary books **Current literature of the month** ,1924 **Learning Foreign Languages in Primary School** María del Pilar García Mayo, 2017-06-16 This book presents research on the learning of foreign languages by children aged 6-12 years old in primary school settings The collection provides a significant and important contribution to this often overlooked domain and aims to provide research based evidence that might help to inform and develop pedagogical practice Topics covered in the chapters include the influence of learner characteristics on word retrieval explicit second language learning and language awareness meaning construction narrative oral development conversational interaction and how it relates to individual variables first language use feedback on written production intercultural awareness raising and feedback on diagnostic assessment It will be of interest to undergraduate and graduate students researchers teachers and stakeholders who are interested in research on how children learn a second language at primary school [Handbook of Research on Teaching Diverse Youth Literature to Pre-Service Professionals](#) Hartsfield, Danielle E., 2021-06-25 Perspectives and identity are typically reinforced at a young age giving teachers the responsibility of selecting reading material that could potentially change how the child sees the world This is the importance of sharing diverse literature with today's children and young adults which introduces them to texts

that deal with religion gender identities racial identities socioeconomic conditions etc Teachers and librarians play significant roles in placing diverse books in the hands of young readers However to achieve the goal of increasing young people s access to diverse books educators and librarians must receive quality instruction on this topic within their university preparation programs The Handbook of Research on Teaching Diverse Youth Literature to Pre Service Professionals is a comprehensive reference source that curates promising practices that teachers and librarians are currently applying to prepare aspiring teachers and librarians for sharing and teaching diverse youth literature Given the importance of sharing diverse books with today s young people university educators must be aware of engaging and effective methods for teaching diverse literature to pre service teachers and librarians Covering topics such as syllabus development diversity social justice and activity planning this text is essential for university level teacher educators library educators who prepare pre service teachers and librarians university educators faculty adjunct instructors researchers and students
