## **Temagami Experience Recreation Resources And Aboriginal Rights In The Northern Ontario Wilderness:**

**The Temagami Experience** Bruce W. Hodgins, Jamie Benidickson, 1989 Gives a historical account of the cultural economic and political developments of the Temagami Forest Reserve in northern Ontario Discusses federal provincial efforts to reconcile conflicts between government land use policy and those of the Temagami Objibway Indians and the conservationists

*Temagami's Tangled Wild* Jocelyn Thorpe, 2012-02-03 Temagami's Tangled Wild traces the processes and power relationships through which the Temagami area of northeastern Ontario has become emblematic of Canadian wilderness In this sophisticated analysis Jocelyn Thorpe uncovers how struggles over meaning racialized and gendered identities and land have made Temagami a site of wild Canadian nature Despite the fact that the Teme Augama Anishnabai have for many generations understood the region as their homeland rather than as a wilderness the forestry and tourism industries as well as Canadian law have refused to acknowledge this claim Instead the concept of wilderness has been employed to aid in Aboriginal dispossession and to create a home for non Aboriginal Canadians on Native land An eloquent critique and engaging history Temagami's Tangled Wild challenges readers to acknowledge how colonial relations are embedded in our notions of wilderness and to reconsider our understanding of the wilderness ideal

**Aboriginal Peoples and Natural Resources in Canada** Claudia Notzke, 1994 The most current and comprehensive book of its kind Aboriginal Peoples and Natural Resources in Canada explores the opportunities and constraints that aboriginal people encounter in their efforts to use water resources fisheries forestry resources wildlife land and non renewable resources and to gain management power over these resources This examination begins with a historical perspective and takes into account cultural political legal and geographical factors From the contemporary research of the author the reader is informed of the most current developments and provided with a well reasoned outlook for the future This book is an essential resource for aboriginal people engaged in the use and management of natural resources and for those who seek professional training in the field Anyone wanting to know more about the social and environmental issues pertaining to more responsible and equitable environmental and ecological management will find a wealth of information in this volume

**Environmental Law in Canada** Jamie Benidickson, 2023-06-20 Derived from the renowned multi volume International Encyclopaedia of Laws this book provides ready access to legislation and practice concerning the environment in Canada A general introduction covers geographic considerations political social and cultural aspects of environmental study the sources and principles of environmental law environmental legislation and the role of public authorities The main body of the book deals first with laws aimed directly at protecting the environment from pollution in specific areas such as air water waste soil noise and radiation Then a section on nature and conservation management covers protection of natural and cultural resources such as monuments landscapes parks and reserves wildlife agriculture forests fish subsoil and minerals Further treatment includes the application of zoning

and land use planning rules on liability and administrative and judicial remedies to environmental issues There is also an analysis of the impact of international and regional legislation and treaties on environmental regulation Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable resource for environmental lawyers handling cases affecting Canada Academics and researchers as well as business investors and the various international organizations in the field will welcome this very useful guide and will appreciate its value in the study of comparative environmental law and policy *The Evolution of Resource Property Rights* Anthony Scott,2008-03-27

Individuals rights to use natural resources have long existed This book traces the historical development of these rights and looks at how individuals rights have evolved Each chapter focuses on a single natural resource property right noting the impact of technology the role of the common law courts and the increasing role of government **The Nurture of Nature**

Sharon Wall,2010 This book explores how antimodern nostalgia and modern sensibilities about the landscape child rearing and identity shaped the history of summer camps *One Job Town* Steven High,2018-05-04 There s a pervasive sense of betrayal in areas scarred by mine mill and factory closures Steven High s *One Job Town* delves into the long history of deindustrialization in the paper making town of Sturgeon Falls Ontario located on Canada s resource periphery Much like hundreds of other towns and cities across North America and Europe Sturgeon Falls has lost their primary source of industry resulting in the displacement of workers and their families *One Job Town* takes us into the making of a culture of industrialism and the significance of industrial work for mill working families *One Job Town* approaches deindustrialization as a long term economic political and cultural process which did not begin and simply end with the closure of the local mill in 2002 High examines the work life histories of fifty paper mill workers and managers as well as city officials to gain an in depth understanding of the impact of the formation and dissolution of a culture of industrialism Oral history and memory are at the heart of *One Job Town* challenging us to rethink the relationship between the past and the present in what was formerly known as the industrialized world *Skyscrapers Hide the Heavens* J.R. Miller,2018-03-01 First published in 1989

*Skyscrapers Hide the Heavens* continues to earn wide acclaim for its comprehensive account of Native newcomer relations throughout Canada s history Author J R Miller charts the deterioration of the relationship from the initial mutually beneficial contact in the fur trade to the current displacement and marginalization of the Indigenous population The fourth edition of *Skyscrapers Hide the Heavens* is the result of considerable revision and expansion to incorporate current scholarship and developments over the past twenty years in federal government policy and Aboriginal political organization It includes new information regarding political organization land claims in the courts public debates as well as the haunting legacy of residential schools in Canada Critical to Canadian university level classes in history Indigenous studies sociology education and law the fourth edition of *Skyscrapers* will be also be useful to journalists and lawyers as well as leaders of organizations dealing with Indigenous issues Not solely a text for specialists in post secondary institutions *Skyscrapers Hide the Heavens*

explores the consequence of altered Native newcomer relations from cooperation to coercion and the lasting legacy of this impasse *Community Forestry in Canada* Sara Teitelbaum, 2016-07-28 In recent decades community forestry has taken root across Canada Locally run initiatives are lauded as welcome alternatives to large corporate and industrial logging practices yet little research has been done to document their tangible outcomes or draw connections between their ideals of local control community benefit ecological stewardship and economic diversification and the realities of community forestry practice This book brings together the work of over twenty five researchers to provide the first comparative and empirically rich portrait of community forestry policy and practice in Canada Tackling all of the forestry regions from Newfoundland to British Columbia it unearths the history of community forestry revealing surprising regional differences linked to patterns of policy making and cultural traditions Case studies celebrate innovative practices in governance and ecological management while uncovering challenges related to government support and market access The future of the sector is also considered including the role of institutional reform multiscale networks and adaptive management strategies Canada and Arctic North America Graeme Wynn, 2006-11-10 This comprehensive treatment of the environmental history of northern North America offers a compelling account of the complex encounters of people technology culture and ecology that shaped modern day Canada and Alaska From the arrival of the earliest humans to the very latest scientific controversies the environmental history of Canada and Arctic North America is dramatic diverse and crucial for the very survival of the human race Packed with key facts and analysis this expert guide explores the complex interplay between human societies and the environment from the Aleutian Islands to the Grand Banks and from the Great Lakes to the Arctic Islands How has the challenging environment of America's most northerly regions with some areas still dominated by native peoples helped shape politics and trade What have been the consequences of European contact with this region and its indigenous inhabitants How did natives and newcomers cope with and change this vast and forbidding territory Can a perspective on the past help us in grappling with the conflict between oil exploration and wilderness preservation on the North Slope of Alaska Part of ABC CLIO's Nature and Human Societies series this unique work charts the region's environmental history from prehistory to modern times and is essential reading for students and experts alike **Cobalt** Charlie Angus, 2022-02-01 Finalist for the 2023 Trillium Book Award The world is desperate for cobalt It drives the proliferation of digital and clean technologies But this demon metal has a horrific present and a troubled history The modern search for cobalt has brought investors back to a small town in Northern Canada a place called Cobalt Like the demon metal this town has a dark and turbulent history The tale of the early twentieth century mining rush at Cobalt has been told as a settler's adventure but Indigenous people had already been trading in metals from the region for two thousand years And the events that happened here the theft of Indigenous lands the exploitation of a multicultural workforce and the destruction of the natural environment established a template for resource extraction that has been exported around the world Charlie Angus reframes the complex and intersectional history

of Cobalt within a broader international frame from the conquistadores to the Western gold rush to the struggles in the Democratic Republic of Congo today He demonstrates how Cobalt set Canada on its path to become the world's dominant mining superpower

**Levelling the Lake** Jamie Benidickson, 2019-02-15 Stretching across Ontario Manitoba and Minnesota the Lake of the Woods and Rainy Lake basin spans boundaries and jurisdictions Levelling the Lake explores a century and a half of social economic and legal arrangements through which the resources and environment of the Lake of the Woods and Rainy Lake watershed have been harnessed and harmed Jamie Benidickson traces the environmental consequences of mining forest industries commercial fishing hydro electricity production and recreation as well as their often unanticipated impacts on local residents including Indigenous communities which encouraged new legal and institutional responses Assessing the transition from primary resource extraction toward sustainable development at a watershed level Levelling the Lake also shows how interjurisdictional and transboundary issues many involving the Canada US International Joint Commission continue to play a significant role throughout the region

**In the Power of the Government** Mark Kuhlberg, 2015

**Changing Parks** John S. Marsh, Bruce W. Hodgins, 1998-05-15 This important book is a must for everyone concerned with the heritage and future of Canada's parks Contributors include an impressive assembly of noted park experts ranging from academic authorities and government parks personnel to concerned nonpolitical park supporters Since the establishment of Banff National Park in 1885 and Algonquin Provincial Park in 1893 parklands have been part of Canada's heritage Where other protected areas such as forest reserves heritage rivers and greenways have also been created a more comprehensive view of the creation and management of conservation areas and marshland is discussed Cooperative approaches to park management recognize the regional context of parks with respect to local communities as well as the inclusion of more diverse groups of people particularly Aboriginals This work encourages the general public to take an interest in our priceless park heritage

Climate Change L. Anders Sandberg, Tor Sandberg, 2010 Climate Change U 2014 Who U 2019's Carrying the Burden rallies the call of climate justice advocates and activists concerned with U 2018 system change not climate change U 2019 This call demands control of local resources the restitution of past wrongs and the willingness to conceive and accept different modes of living and seeing Back cover

**Two Billion Trees and Counting** John Bacher, 2011-07-13 Short listed for the 2012 Speaker's Book Award Edmund Zavitz 1875-1968 rescued Ontario from the ravages of increasingly more powerful floods erosion and deadly fires Wastelands were talking over many hectares of once flourishing farmlands and towns Sites like the Oak Ridges Moraine were well on their way to becoming a dust bowl and all because of extensive deforestation Zavitz held the positions of chief forester of Ontario deputy minister of forests and director of reforestation His first pilot reforestation project was in 1905 and since then Zavitz has educated the public and politicians about the need to protect Ontario forests By the mid 1940s conservation authorities provincial nurseries forestry stations and bylaws protecting trees were in place Land was being restored Just a month before his death the one billionth

tree was planted by Premier John Robarts Some two billion more would follow As a result of Zavitz s work the Niagara Escarpment once a wasteland is now a UNESCO World Biosphere Recognition of the ongoing need to plant trees to protect our future continues as the legacy of Edmund Zavitz

Environment and Empire William Beinart,Lotte Hughes,2007-10-11 European imperialism was extraordinarily far reaching a key global historical process of the last 500 years It locked disparate human societies together over a wider area than any previous imperial expansion it underpinned the repopulation of the Americas and Australasia it was the precursor of globalization as we now understand it Imperialism was inseparable from the history of global environmental change Metropolitan countries sought raw materials of all kinds from timber and furs to rubber and oil They established sugar plantations that transformed island ecologies Settlers introduced new methods of farming and displaced indigenous peoples Colonial cities many of which became great conurbations fundamentally changed relationships between people and nature Consumer cultures the internal combustion engine and pollution are now ubiquitous Environmental history deals with the reciprocal interaction between people and other elements in the natural world and this book illustrates the diverse environmental themes in the history of empire Initially concentrating on the material factors that shaped empire and environmental change Environment and Empire discusses the way in which British consumers and manufacturers sucked in resources that were gathered hunted fished mined and farmed Yet it is also clear that British settler and colonial states sought to regulate the use of natural resources as well as commodify them Conservation aimed to preserve resources by exclusion as in wildlife parks and forests and to guarantee efficient use of soil and water Exploring these linked themes of exploitation and conservation this study concludes with a focus on political reassertions by colonised peoples over natural resources In a post imperial age they have found a new voice reformulating ideas about nature landscape and heritage and challenging at a local and global level views of who has the right to regulate nature

*Rebirth* Anne-Marie Mawhiney,2016-11-28 During the last twenty years voices from the First Nations have become louder expressing their own solutions to problems that have plagued their communities since contact with the Europeans Their traditional ways of thinking and living have become more visible to those from outside First Nations Recent directions of First Nations in Northern Ontario have focused on strengthening political economic and social systems to promote community healing This was an important subject for the third annual conference of the Institute of Northern Ontario Research and Development held at Laurentian University This book consists of papers presented at the conference by both First Nations leaders and academics from across Canada *Rebirth* highlights some of the developments that have been occurring in First Nations throughout Northern Ontario and elsewhere in the last decade The eleven papers published here give voice to stories about the ways in which First Nations are addressing their own conditions The papers are grouped in four sections Cultural Diversity and Division Political Action Economic Development and Social Development

**Profiles of Canada** Kenneth G. Pryke,Walter C. Soderlund,2003 This third edition of *Profiles of Canada* combines depth breadth

sophistication and readability to offer the student a comprehensive introduction to Canadian society The editors have brought together contributions from a wide range of disciplines to create a fascinating overview of the various facets of Canadian life and culture The text includes aspects of the Canadian experience not usually found in introductory texts The inclusion of a short story by Alistair MacLeod for example is an innovative departure from the academic writing of the other chapters and provides the student of Canadian society with a sample of the finest in contemporary Canadian writing Editors Dr Kenneth Pryke and Dr Walter Soderlund have carried out a successful update of the earlier editions of this well respected text Aspects of Canada explored in this new edition include regionalism the North demography ethnicity culture and sport

*Permanent Weekend* John Michels, 2017-04-01 North of the heart of Ontario's scenic Muskoka District are the Almaguin Highlands a loosely organized collection of villages townships and municipalities In the mid 1800s the region was home to loggers and farmers as well as seasonal residents in simple cottages and camps Since then the impact of economic globalization and government policies has transformed the countryside into a luxurious recreational residential and tourist destination John Michels investigates change in the Almaguin Highlands exploring the modern faces of cottaging tourism agriculture forestry and economic development initiatives He shows how years of neoliberal policies have displaced agriculture and logging as the principal sources of employment in northern Ontario generating tension and unexpected alliances between tourists residents loggers farmers developers and governmental officials over the proper uses and meanings of rural space The repercussions of this new service oriented countryside include increased youth outmigration decreased full time employment opportunities and an ever growing gap between the rich and the poor A rich and detailed study based on long term interviews and fieldwork *Permanent Weekend* critically explores the catalysts and outcomes of gentrifying rural areas
